Your Excellency:

With my highest respect to Your Excellency's dedicated service for world peace and development, I send my heartfelt greetings to your Excellency. I sincerely hope this letter finds you in good health and spirit.

I am grateful for your time and kind consideration to grant me a meeting with you at the UN headquarters on 30 October. It was my great pleasure to meet you and to have discussions in person about the 2009 Sydney International Conference of NGOs and the "sport and peace" initiatives. I especially thank your Excellency for your warm reception as well as your words of encouragement and support for our event.

I wish you a very safe trip to Antarctica and Amazon rain forests. Your concerns with the climate change and global warming are fully shared and supported by the GCS global family.

I extend my warmest regards to you and your family members.

Sincerely Yours,

Chungwon Choue
