Note to the Secretary-General

Arrangements for finalization and signing of 2008 Senior Managers' Compacts

1. Following your agreement to the format for the 2008 Senior Managers' Compacts, I have written to all senior managers requesting them to submit their 2008 compacts by 31 December 2007. Once reviewed by the Department of Management, the Management Performance Board will meet to review and approve them for your signature. The Management Performance Board is currently planning to meet on 16 January 2008 to carry out this responsibility.
2. Once this action has been carried out, I would like to suggest the holding of a public ceremony where you and each senior official would sign their compacts for 2008. This would provide another example of your commitment to transparency and accountability. A possible date for this ceremony would be **28 January 2008**.
3. We would then feature this ceremony on iSeek with accompanying photographs. Arrangements would also be made for the posting of the appropriate parts of each official's compact on iSeek after the signing ceremony.
4. Your approval of this plan would be very much appreciated.
