

THE SECRETARY-GENERAL

30 October 2009

Dear Mr. Melber,

I wish to express my sincere gratitude for organizing the wreath-laying ceremony at Secretary-General Hammarskjöld's grave at Uppsala. It was an honour to meet you and family members of Dag Hammarskjöld. I want to thank you for all the work that your Foundation carries out to support and help the United Nations.

Yours sincerely,

A handwritten signature in black ink that reads "Ki Moon Ban".
