Dear Jan,

My foundation is beginning a series of public events at the foundation leading up to UNGASS. The first one will be on March 25th with Ruth Dreifuss and the Czech drug coordinator, Jindřich Vobořil. They hope to involve some other UN Missions as well. As you know, we have a large network of civil society groups with vast expertise who could play a powerful role in UNGASS preparations, including with various UN agencies. Our program director, Kasia Malinowska-Sempruch, is eager to meet with you to coordinate our efforts. I would be very grateful if you could find some time for her. Kim, in my office, can make the necessary arrangements.

With best regards,

George Soros
