Your Excellency,

I wish to express my appreciation for your letter inviting me to the Climate Summit holding in New York on 23rd September 2014.

May I commend your committed efforts in galvanising global action to contain the growing challenges of climate change.

Although much progress appears to have been made at the various fora, especially within the United Nations Framework Convention on Climate Change, it is important to note that a Summit of leaders would help in stimulating the much-needed political commitment toward ensuring adherence to the prescribed emission reduction threshold adverse and other agreements aimed at reducing the impact of climate change.

While assuring you of my participation at the Summit, please accept the assurances of my highest consideration and esteem.

Yours Sincerely,

GOODLUCK EBELE JONATHAN
