

THE SECRETARY-GENERAL

5 May 2010

Dear Senator Wirth,

On behalf of the United Nations, I would like to extend my gratitude to you and the United Nations Foundation's American Idol team for the generous support *Idol Gives Back* provided to the UN and its causes. The unique partnership of the United Nations Foundation with American Idol helped raise awareness of the United Nations lifesaving work to new, engaged audiences. In showcasing the Biruh Tesfa project in Ethiopia, the UNF team highlighted the transformative power of educating and empowering girls, which we know is critically important for the achievement of the Millennium Development Goals.

The United Nations Foundation continues to be a strong partner of the United Nations. On behalf of the United Nations, I would again like to express my sincere appreciation for your organization's unwavering commitment to our work and engagement on the most critical global issues we face. Your American Idol partnership exemplified that dedication.

With warmest regards,

Yours sincerely,

  
BAN Ki-moon

5 May 2010

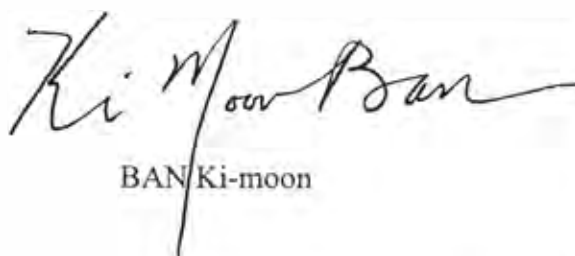

Dear Mr. Cook,

On behalf of the United Nations, I extend my gratitude to you for raising awareness about our work to help empower and educate women and girls. Your kindness and willingness to highlight the needs of the teachers and students at the Biruh Tesfa school in Addis Ababa are appreciated by our team in Ethiopia as well as our staff at UN Headquarters in New York.

Your trip to Ethiopia with the United Nations Foundation, in tandem with the *Idol Gives Back* episode, have already helped put the Biruh Tesfa project's pressing needs in front of millions of Americans. We appreciate the opportunity to share our work with the American public to help build support for the program that continues to offer young girls the opportunity to build a better life.

Your music made you an American Idol, but this year your giving spirit confirmed it. You have made a lot of new friends in Ethiopia and at the United Nations.

Yours sincerely,

  
BAN Ki-moon
