Re: Rotary International UN Day – November 7, 2009

Dear Mr. Secretary-General:

Each year at Rotary UN Day, more than 1600 Rotarians including many Rotary International Directors, Foundation Trustees, past Senior Leaders, and guests come together at UN Headquarters in New York. The program is designed to inspire and educate all participants as well as provide insight into the relationship between Rotary and the United Nations. In the past, the day has been very successful and has sold out.

On behalf of our UN Team here in New York and myself, I am pleased to invite you to participate in Rotary UN Day at UN Headquarters on November 7, 2009 and bring welcoming words from the United Nations.

Our speakers will include the President of Rotary International, John Kenny from Scotland, the Chairman of the Rotary Foundation, Glenn Estess PRIP from Alabama, and the President-elect of Rotary International, Ray Klinginsmith from Missouri.

We will also have other panel discussions on Health, Water, Literacy and a youth panel. Each of these panels will feature a UN system speaker and will showcase a Rotary project and will last 45 minutes.

Our theme for this year is "Rotary and the UN – The World is in Your Hands". The RI President is emphasizing clean water this year.

I truly hope you will want to be a part of this event and be with us on November 7<sup>th</sup>.

Sincerely,

H. Bradley Jenkins, PDG
