Excellency,

I have the honor of bringing the following to your kind attention:

I had the opportunity of reading in a Christian magazine ("La Vie" special number 500 years after Calvin) an article concerning you, bearing witness that you are a person who fears GOD and who has offered his actions and mandate for the service of GOD and the nations.

I myself am a Christian business lawyer and I would like to assure you of my availability, as well as that of other brothers and sisters in Christ, to meet you on your next trip to Switzerland to discuss issues pertaining to the common vision that we share in matters pertaining to GOD and contemporary Christian businesses.

I would also like to express my deep appreciation for the very important work you do and assure you of my full support and willingness to work for the development of the work you are doing at the head of the United Nations.

Let me assure you that I would answer any call that you would make to support the initiatives that you take and place at your disposition my network of contacts in the circle of Christian friends and brothers in Europe and elsewhere in the world.

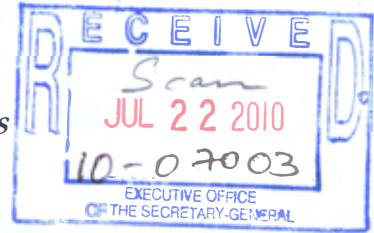

Please accept, Excellency, my highest consideration.

Excellence,

J'ai l'honneur de porter à votre bienveillante attention ce qui suit :

J'ai eu l'occasion de lire sur une revue chrétienne (« La Vie » n° special 500 ans après Calvin) un article vous concernant et témoignant que vous êtes une personnalité ayant la crainte de DIEU et qui a mis son action et son mandat au service de DIEU et des nations.

Moi-même, je suis avocat d'affaires chrétien et je voudrais vous assurer de ma disponibilité et celle d'autres frères et sœurs en Christ à vous rencontrer ici en SUISSE lors de votre prochain voyage, pour échanger avec vous de questions s'inscrivant dans la vision que nous partageons ensemble des choses de DIEU et des sociétés chrétiennes contemporaines.

Aussi voudrais-je vous exprimer ma haute appréciation pour le travail très important que vous faites et vous assurer mon plein appui et ma disponibilité à œuvrer à l'approfondissement de l'action que vous menez à la tête des Nations Unies.

Je voudrais vous assurer que je répondrais à tout appel que vous voudrez bien me faire pour accompagner les initiatives que vous prenez et mettre à votre service mes relations dans le cercle d'amis et frères chrétiens en Europe et ailleurs dans le monde.

Je vous prie de croire, Excellence, à ma très haute considération.
