Excellency

(16-00134)

I received with pleasure your letter dated January 7, 2016, and thank you for your kind words in relation to my role as Chair of the Caribbean Community (CARICOM) during the twenty first session of the Conference of States Parties to the United Nations Framework Convention on Climate Change (COP21), which culminated in the adoption of the Paris Agreement on Climate Change on December 12, 2015.

Like you, I am encouraged by the successful Paris outcome, which capped a year of sustained and heroic efforts by small island developing states (SIDS) and other partners in the global community. To ensure its continuing existence as a small island developing state Barbados has no alternative but to remain fully engaged and committed to active political guidance and oversight in the coming period of implementation.

I accept your invitation to be present at the historic high level signing of the Paris Agreement at the United Nations Headquarters on April 22nd, 2016, and pledge the unswerving commitment of Barbados to advancing the objective of ending poverty, strengthening peace and ensuring a life of dignity and opportunity for all shared by the member states of the United Nations.

Please accept, Excellency, the assurances of my highest consideration.

Rt. Hon. Freundel J. Stuart
