Excellency,

Today the People of Israel woke up to another exploding rocket. It was fired into their community by terrorists in Gaza.

Another day. Another rocket. Not one word from the Security Council.

The pattern is disturbing. Make no mistake: silence today could bring serious consequences tomorrow.

I wish to inform you that an identical letter has been sent to H.E. Mr. Gérard Araud, President of the Security Council.

Allow me, Excellency, to renew to you the assurances of my highest consideration.

Yours truly,
