2. ci-dessous, COMMUNICATION DE GJ3-GEO

MESSAGE

- Il faudrait signaler à KIBAT que les demandes de cartes pour leurs besoins propres doivent être adressées COMME PREVU dans leurs OP à leur Ech hiérarchique normal, à savoir le S2/Bde Para. Celui-ci gère les Res disponibles à la Bde, et traite avec nous des besoins complémentaires. Cela s'est déroulé de la même façon pour les autres missions Ops.
- Il reste entendu que des besoins NOUVEAUX peuvent être exprimés, et qu'ils peuvent être envoyés au COps puisque ce dernier valide la demande avant de lancer une nouvelle production, mais même dans ces cas particuliers il est bon que la Bde soit tenue au courant.
- L'EM Bde Para s'étonne d'ailleurs de cette demande pour des cartes supplémentaires du RWANDA au 1:50.000, alors que KIBAT 1 est parti avec pratiquement toute la dotation de la Bde, à savoir 200 sets complets.
