Dear Mr. Eliasson:

Thank you very much for your letter of December 3, and again I wish you every success in your new post as the Deputy Secretary-General.

I look forward to providing you a copy of my book on Dag Hammarskjöld and await, as you stated, the mailing address where it should be sent. It will contain several public photographs of the late Secretary-General which I had been given earlier from the archives of the UN and presume that I may use them in this publication unless I am notified otherwise.

It is my hope to do justice to this great man who gave so much to humanity and its ideals.

All good wishes, and my best for the holidays.

Yours sincerely,

  
R. Taylor Hoskins
