SUBJECT: Lessons-Learned Team's visit to UNAMIR

1. Reference is made to your code cable 459 by which you informed us that a team from the Lessons-Learned Unit of DPKO comprising two staff members and one external expert would visit UNAMIR from 23 February to 2 March 1996.

2. My colleagues and myself welcome the proposed mission and would be glad to share our experience with its members. However, the projected timing of the visit does not seem appropriate as most components of UNAMIR would be engaged in a number of urgent tasks during that period. We would therefore suggest anytime after 8 March.

3. Best regards.
