Subject Attack on the UN Interim Security Force for Abyei (UNISFA) and the Joint Border Verification and Monitoring Mechanism interim headquarters, Kadugli, Sudan 14 June 2013

Excellency,

I was deeply sorry to learn of the shelling on the United Nations logistics base in Sudan's South Kordofan State on Friday.

On behalf of all of INTERPOL, I wish to extend my deepest sympathy to you, your staff and the friends and family of the fallen Ethiopian peacekeeper who so tragically lost his life in this deplorable attack. I also wish the two other peacekeepers who suffered injuries a full and speedy recovery.

The Office of the Special Representative of INTERPOL to the United Nations has already been in touch with your Organization to offer assistance in relation to this incident. Should you need anything from INTERPOL at this difficult time or to help bring the perpetrators of this heinous crime to justice, you need only ask.

Respectfully yours,

Ronald K. Noble  
Secretary General
