UNAMIR HQ

FROM: CLOGO 4000.1/LOG-H1
THROUGH: DCOS (OPS)
TO: TAC HQ BUTARE
FOR INFORMATION: DFC
DCOS (OPS)
ZAMBATT
DATE: 26 October 1994
SUBJECT: **TRANSPORT SUPPORT TO OP HOMEWARD**
REFERENCE: A. TAC HQ BUTARE Weekly SITREP Covering the Period
16-22 Oct 94

1. Paragraph 4f of the Reference refers to unreliability in the provision of transport for OP HOMEWARD. This Headquarters is aware of the problems and the DFC has had discussions with the OC of the ZAMBATT contingent. As a result it is now anticipated that the situation is resolved.
2. You should be aware, however, that in the near future the remainder of the ZAMBATT contingent is expected and, from their arrival, their vehicles will be unavailable for tasking. Similarly, BRITCON will commence redeployment procedure in the near future and therefore be unavailable for tasking. The remainder of force second line transport resources (Brown and Root) are very much committed to Force resupply tasks. Therefore, in the near future there will be no vehicles available for OP HOMEWARD. As a result, it may be prudent to start preparations for the time when no further vehicles are available.
