A: Under-Secretary-General
Department for General Assembly and Conference Management

DATE: 26 February 2008

FROM: The Deputy Secretary-General

DE:

SUBJECT: Priority Documentation for the first resumed session of the Fifth Committee

OBJET:

1. I would like to request that priority processing be given by DGACM to two documents being considered by the Fifth Committee at its first resumed session – Strengthening the Development Pillar, and the Addendum to the Report on the Secretariat's accountability framework, risk management and internal control framework, and results-based management containing revised estimates.
2. I have been advised by the Department of Management that in a memo of 25 February 2008, Mr. Mengesha has already confirmed that the main body of the Report on the Secretariat's accountability framework, risk management and internal control framework, and results-based management, is being processed on a priority basis. The Addendum containing the revised budget estimates should be accorded the same priority.
3. Thank you for your prompt action and cooperation.
