Subject: Report NA/18150041 Sgt Christian FINGESI.

1. Sgt Christian has been under my supervision for a period of five months during which time he is to be recommended for a job well done.
2. This NCO bears a cheerful outlook on life, he is neat and tidy in appearance.
3. I have found this NCO to be a willing and co-operative worker always punctual and who performs the tasks given to him in an efficient and expedient manner.
4. He is determined and uses his initiative and is firm when necessary.
5. He has shown himself to be polite and tactful with both his superiors and those under him. He has encountered no difficulty in dealing and working with personnel from various nations.
6. Sgt Christian was a well chosen NCO to be sent to the Congo. He is a credit to his country and a great asset to ONUC in Leopoldville. His conduct both on and off duty has been above reproach.
7. I would not hesitate to recommend this NCO for a promotion and would be happy to have him serving under my command at any time. I find him a well trained and capable NCO.

INTER - OFFICE MEMORANDUM

17 November 1962

A : HQ Camp Commandant, ONUC, Leo.  
De : Major Jabbar, Coordinating Officer, Logs  
Objet :

At about 2245 hrs on 15 Nov 62 while I was returning to my apartment in the Lesse building, with Major Naqvi of the Supply and Transport Branch, HQ ONUC, in car ONUC 648, I saw two Congolese loitering in a suspicious manner behind the Lesse. I stopped my car and called out to one of them. When he came near my car I asked him who he was and what he was doing there at that time of the night. He waved at me a piece of paper presumably his pass, and said something in French which I did not understand. Considering that there are thefts in town, I got hold of his pass and asked him to follow me. I asked for the pass of the second Congolese who, however, refused to give it to me. I then drove along to the front of the Lesse, parked my car, and called out to Major Majid of the Mil Info Branch, HQ ONUC, who lives in the 1st floor apartment 1B. When Major Majid came down I handed over to him the pass and told him that the man was loitering around behind the Lesse in a suspicious manner. Then I left the scene with Major Naqvi. I later on came to learn that the Congolese was handed over to the police.
