2. On the Butare School Project, the Chairman called on Mr. DAO to highlight on plans UNAMIR has for the project.

3. Mr. DAO on his part explained that the SRSG apparently made a pledge to join forces with UNICEF to initiate the project. However, Mr. DAO said, the pledge has not been fulfilled due to UNAMIR's limited resources. Mr. DAO further said the Office of the SRSG has written to UNREO to make funds available from the trust fund to finance the project. He further explained that UNREO has communicated the request to its headquarters. He said UNREO has suggested allocations of current balance of the trust fund for selected projects of which \$50,000 is proposed for the Butare School Project. He further said what is left now is the fulfillment of the \$30,000 pledge made by UK.

4. At the meeting the G3 Engrs submitted the final estimates on the project to Mr. DAO.

WATER SUPPLY TO SCHOOLS IN BUTARE

5. The Chairman informed the meeting that the FC has tasked him to find out what was the cause of water problem to the schools in Butare. He explained that while he was at the TAC HQ, schools in Butare enjoyed water supply from UNICEF with the assistance of the TAC HQ. He said he does not know what is actually the problem now. He said the FC has called for UHAAG's intervention for restoration of water to the schools.

6. The Chairman promised to tasking the Sector Humanitarian Officer through the Sector Commander to investigate the problem for the necessary action.

7. On his part, Mr. DAO said UNICEF has a visible presence in Butare as far as water and sanitation are concerned. He further said UNICEF has the capability to undertake most of these humanitarian assistance, he therefore suggested that UNICEF be contacted to help alleviate the water problems facing the schools.

8. Mr. DAO also suggested that UHAAG contact UNESCO to assist in humanitarian needs of schools.

RUNDA BRICK FACTORY

9. The Chairman told the meeting of an assistance request from ARDEC, a brick project at Runda Commune. He explained that the request was channelled through the FC who tasked UHAAG to ascertain details of their needs. He disclosed that from reliable sources, the project is on a top priority.

10. The Chairman further said a recce to the place would soon be conducted to assess the assistance needed by the company.

11. Mr. AB Sidique DAO gave a brief background information of the project. He explained that from all indications, the top echelon of UNAMIR would want to see assistance given to the project since a prominent personality was deeply involved. Mr. DAO therefore suggested that a meeting be arranged between UHAAG and ARDEC to know exactly what their problems were.

12. Mr DAO further explained that UNAMIR had earlier offered ARDEC some assistance in terms of transport and a provision of photocopier.

OTHER MATTERS

REQUEST FOR TRANSPORT BY MINISTRY OF INFORMATION

13. Mr. DAO told the meeting that 1 x Pax bus has been approved for the ministry.

UHAAG ROLE IN THE NEW MANDATE

14. Mr DAO said UHAAG role in the new mandate is very important. Therefore there should be a policy on humanitarian assistance in this new mandate. He further explained that in fulfilling the task of the new mandate, UHAAG requires a budget to undertake this task. He said UHAAG cannot effectively execute its tasks without a budget allocation. He therefore suggested that the authorities do all within their power to secure funds for humanitarian needs.

13. Mr. DAO also expressed concern about certain developments in some departments with regards to humanitarian assistance requests directed to them for necessary action. He explained that even though UHAAG has been tasked to deal with all humanitarian requests of UNAMIR, some departments seem to have negative attitude towards humanitarian requests sent to their depts. He said there seem to be a show of power on the part of some departmental heads. He therefore called on all those in authority to assist in making UHAAG task easy.

14. A member expressed concern about the CAO's rep irregular attendance to meetings. He explained that the CAO has a vital role to play in the provision of humanitarian assistance and the presence of his representative would facilitate actions on humanitarian requests submitted to his outfit.

BRIEF ON MEDICAL HUMANITARIAN ASSISTANCE

15. The representative of the FMO briefed the meeting on humanitarian assistance being initiated within the independent companies.

REQUEST BY PSF

16. The FMO's rep informed the meeting that PSF is winding their operations in Rwanda due to financial constraints by its donors. He explained that PSF has assisted UNAMIR with the provision of level one humanitarian medical care since 1994. He said PSF has donated 30 days medical supplies to UNAMIR free of charge.

17. A request from PSF asking UNAMIR to provide transport for its heavy equipments from Kigali to Nairobi was tendered in by the FMO's rep.

CONCLUSION

18. The meeting ended at 1040 hrs with the Chairman expressing concern about the low attendance of the meeting.

had already been submitted to CAO and BMS but there had not been any response from these two offices. He said U\$20,000 was needed to purchase the materials.

11. The Butare School Project was a matter of concern to members of UHAAG, members were of the view that UNAMIR act promptly to fulfil the pledge made in order not to drag its reputation in the mud. The Chairm promised to write to CAO and BMS on the issue.

13. Other important issues affecting UHAAG operations were discussed. The main obstacle to the smooth functioning of UHAAG is lack of resources and funding.

PART 1

Office of the Spokesman

**SECURITY COUNCIL EXTENDS AND ADJUSTS MANDATE OF
UNAMIR UNTIL 8 DECEMBER 1995**

Resolution 997 (1995) adopted unanimously
9 June 1995

Text of the Resolution

The Security Council,

Recalling all its previous resolutions on the situation in Rwanda, in particular its resolution 872 (1993) of 5 October 1993 by which it established the United Nations Assistance Mission for Rwanda (UNAMIR), and its resolutions 912 (1994) of 21 April 1994, 918 (1994) of 17 May 1994, 925 (1994) of 8 June 1994, and 965 (1994) of 30 November 1994, which set out the mandate of UNAMIR,

Having considered the report of the Secretary-General on UNAMIR dated 4 June 1995 (S/1995/457),

Recalling also its resolution 955 (1994) of 8 November 1994 establishing the International Tribunal for Rwanda, and its resolution 978 (1995) of 27 February 1995, concerning the necessity for the arrest of persons suspected of certain offences in Rwanda,

Stressing the importance of achieving genuine reconciliation among all members of Rwandan society within the frame of reference of the Arusha Peace Agreement,

Noting with great concern reports of military preparations and increasing incursions into Rwanda by elements of the former regime and underlining the need for effective measures to ensure that Rwandan nationals currently in neighbouring countries, including those in camps, do not undertake military activities aimed at destabilizing Rwanda or receive arms supplies, in view of the great likelihood that such arms are intended for use within Rwanda,

Underlining the need for increased efforts to assist the Government of Rwanda in the promotion of a climate of stability and trust in order to facilitate the return of Rwandan refugees in neighbouring countries,

Emphasizing the necessity for the accelerated disbursement of international assistance for the rehabilitation and reconstruction of Rwanda,

Calling again upon all States to act in accordance with recommendations adopted by the Regional Conference on Assistance to Refugees, Returnees and Displaced Persons in the Great Lakes Region, held in Bujumbura in February 1995,

Recognizing the valuable contribution that the human rights officers deployed by the High Commissioner for Human Rights to Rwanda have made towards the improvement of the overall situation,

Acknowledging the responsibility of the Government of Rwanda for the safety and security of all UNAMIR personnel and other international staff serving in the country,

Reaffirming the need for a long-term solution to the refugee and related problems in the Great Lakes States, and welcoming, therefore, the intention of the Secretary-General to appoint a special envoy to carry out consultations on the preparation and convening, at the earliest possible time, of the regional Conference on Security, Stability and Development,

1. Decides to extend the mandate of UNAMIR until 8 December 1995 and authorizes a reduction of the force level to 2,330 troops within three months of the adoption of this resolution and to 1,800 troops within four months;

2. Decides to maintain the current level of military observers and civilian police personnel;

3. Decides, in the light of the current situation in Rwanda, to adjust the mandate of UNAMIR so that UNAMIR will:

(a) Exercise its good offices to help achieve national reconciliation within the frame of reference of the Arusha Peace Agreement;

(b) Assist the Government of Rwanda in facilitating the voluntary and safe return of refugees and their reintegration in their home communities, and, to that end, to support the Government of Rwanda in its ongoing efforts to promote a climate of confidence and trust through the performance of monitoring tasks throughout the country with military and police observers;

(c) Support the provision of humanitarian aid, and of assistance and expertise in engineering, logistics, medical care and demining;

(d) Assist in the training of a national police force;

(e) Contribute to the security in Rwanda of personnel and premises of United Nations agencies, of the International Tribunal for Rwanda, including full-time protection for

the Prosecutor's Office, as well as those of human rights officers, and to contribute also to the security of humanitarian agencies in case of need;

4. Affirms that the restrictions imposed under Chapter VII of the Charter of the United Nations by resolution 918 (1994) apply to the sale or supply of arms and matériel specified therein to persons in the States neighbouring Rwanda, if that sale or supply is for the purpose of the use of such arms or matériel within Rwanda;

5. Calls upon the States neighbouring Rwanda to take steps, with the aim of putting an end to factors contributing to the destabilization of Rwanda, to ensure that such arms and matériel are not transferred to Rwandan camps within their territories;

6. Requests the Secretary-General to consult the Governments of neighbouring countries on the possibility of the deployment of United Nations military observers, and to consult, as a matter of priority, the Government of Zaire on the deployment of observers including in the airfields located in Eastern Zaire, in order to monitor the sale or supply of arms and matériel referred to above; and further requests the Secretary-General to report to the Council on the matter within one month of the adoption of this resolution;

7. Takes note of the cooperation existing between the Government of Rwanda and UNAMIR in the implementation of its mandate and urges the Government of Rwanda and UNAMIR to continue to implement the agreements made between them, in particular the Status of Mission Agreement of 5 November 1993 and any subsequent agreement concluded to replace that Agreement in order to facilitate the implementation of the new mandate;

8. Commends the efforts of States, United Nations agencies and non-governmental organisations which have provided humanitarian assistance to refugees and displaced persons in need, encourages them to continue such assistance, and calls upon the Government of Rwanda to continue to facilitate their delivery and distribution;

9. Calls upon States and donor agencies to fulfil their earlier commitments to give assistance for Rwanda's rehabilitation efforts, to increase such assistance, and in particular to support the early and effective functioning of the International Tribunal and the rehabilitation of the Rwandan judicial system;

10. Encourages the Secretary-General and his Special Representative to continue to coordinate the activities of the United Nations in Rwanda including those of the organizations and agencies active in the humanitarian and developmental field, and of the human rights officers;

11. Requests the Secretary-General to report to the Council by 9 August 1995 and 9 October 1995 on the discharge by UNAMIR of its mandate, the humanitarian situation and progress towards repatriation of refugees;

12. Decides to remain actively seized of the matter.

NB

The UNAMIR had originally been established by resolution 872 (1993) of 5 October 1993. Resolution 918 (1994) had expanded the mandate of the Mission to include responsibility for the security of civilians and of humanitarian operation, had increased its strength up to 5,500 troops and imposed an arms embargo on Rwanda.

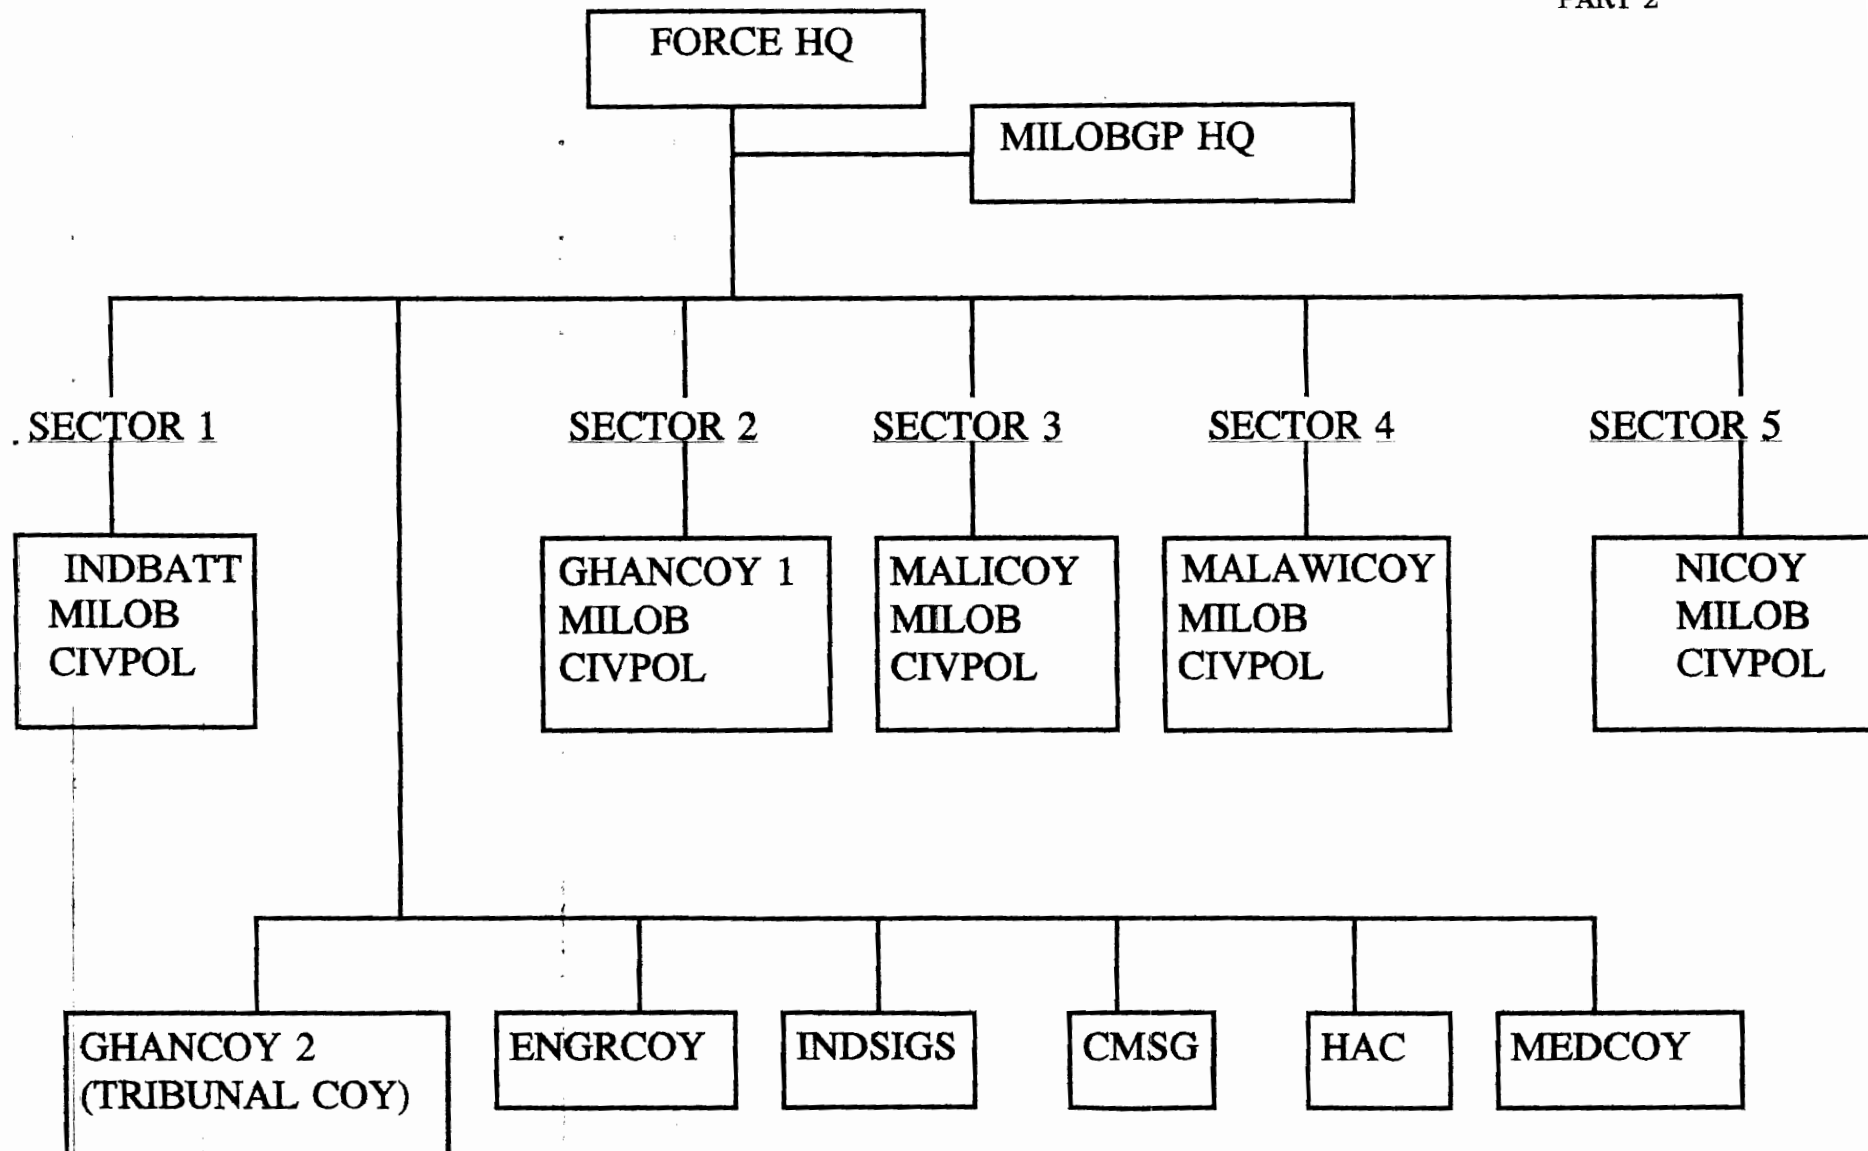

By its action today, the Council affirmed that the Chapter VII restrictions imposed by resolution 918 (1994) apply to the sale or supply of arms and matériel to persons in the States neighbouring Rwanda, if such arms or matériel are for use within Rwanda. It called upon the States neighbouring Rwanda to take steps to ensure that such arms and matériel are not transferred to Rwanda camps within their territories.

In a statement to the Council, the representative of Zaire called for an independent investigation to refute the claims that his country had been involved with the sale or supply of arms for use in Rwanda. He said it was up to the Government in Rwanda to create a favourable climate for the return of the refugees.

The representative of Rwanda, speaking after the vote, called for an end to the arms embargo against his Government and for an international commission to study the problem of the refugee camps. He added that the change in the UNAMIR mandate reflected the changed situation in his country.

1. The subject matter was brought to our attention during the UHAAG meeting mentioned in Reference E as being a long outstanding assistance request, from the Army Chief of Staff of the Rwandese Army, Ref A.

2. The FEO briefed the meeting about the many requests as shown in Refs B, C and D put forward to your offices for assistance in the form of funding to purchase the necessary construction materials. So far the FEO has not received any funds nor materials as requested.

3. We understand that the project is a joint venture between UNAMIR and UNICEF. We have learned that UNICEF have already started with the proposed tasks assigned to them by the SRSG. UNAMIR has not yet kept it's part of the bargain which is sending a bad message to the Rwandese government and does not help our image.

4. It would be greatly appreciated if some clarification concerning this matter could be given at the soonest so we can resolve this problem one way or the other.

BUTARE SCHOOL PROJECT

2. On the Butare School Project, the Chairman called on Mr. DAO to highlight on plans UNAMIR has for the project.

3. Mr. DAO on his part explained that the SRSG apparently made a pledge to join forces with UNICEF to initiate the project. However, Mr. DAO said, the pledge has not been fulfilled due to UNAMIR's limited resources. Mr. DAO further said the Office of the SRSG has written to UNREO to make funds available from the trust fund to finance the project. He further explained that UNREO has communicated the request to its headquarters. He said UNREO has suggested allocations of current balance of the trust fund for selected projects of which \$50,000 is proposed for the Butare School Project. He further said what is left now is the fulfillment of the \$30,000 pledge made by UK.

4. At the meeting the G3 Engrs submitted the final estimates on the project to Mr. DAO.

WATER SUPPLY TO SCHOOLS IN BUTARE

5. The Chairman informed the meeting that the FC has tasked him to find out what was the cause of water problem to the schools in Butare. He explained that while he was at the TAC HQ, schools in Butare enjoyed water supply from UNICEF with the assistance of the TAC HQ. He said he does not know what is actually the problem now. He said the FC has called for UHAAG's intervention for restoration of water to the schools.

6. The Chairman promised to tasking the Sector Humanitarian Officer through the Sector Commander to investigate the problem for the necessary action.

7. On his part, Mr. DAO said UNICEF has a visible presence in Butare as far as water and sanitation are concerned. He further said UNICEF has the capability to undertake most of these humanitarian assistance, he therefore suggested that UNICEF be contacted to help alleviate the water problems facing the schools.

8. Mr. DAO also suggested that UHAAG contact UNESCO to assist in humanitarian needs of schools.

RUNDA BRICK FACTORY

9. The Chairman told the meeting of an assistance request from ARDEC, a brick project at Runda Commune. He explained that the request was channelled through the FC who tasked UHAAG to ascertain details of their needs. He disclosed that from reliable sources, the project is on a top priority.

10. The Chairman further said a recce to the place would soon be conducted to assess the assistance needed by the company.

11. Mr. AB Sidique DAO gave a brief background information of the project. He explained that from all indications, the top echelon of UNAMIR would want to see assistance given to the project since a prominent personality was deeply involved. Mr. DAO therefore suggested that a meeting be arranged between UHAAG and ARDEC to know exactly what their problems were.

12. Mr DAO further explained that UNAMIR had earlier offered ARDEC some assistance in terms of transport and a provision of photocopier.

OTHER MATTERS

REQUEST FOR TRANSPORT BY MINISTRY OF INFORMATION

13. Mr. DAO told the meeting that 1 x Pax bus has been approved for the ministry.

UHAAG ROLE IN THE NEW MANDATE

14. Mr DAO said UHAAG role in the new mandate is very important. Therefore there should be a policy on humanitarian assistance in this new mandate. He further explained that in fulfilling the task of the new mandate, UHAAG requires a budget to undertake this task. He said UHAAG cannot effectively execute its tasks without a budget allocation. He therefore suggested that the authorities do all within their power to secure funds for humanitarian needs.

13. Mr. DAO also expressed concern about certain developments in some departments with regards to humanitarian assistance requests directed to them for necessary action. He explained that even though UHAAG has been tasked to deal with all humanitarian requests of UNAMIR, some departments seem to have negative attitude towards humanitarian requests sent to their depts. He said there seem to be a show of power on the part of some departmental heads. He therefore called on all those in authority to assist in making UHAAG task easy.

14. A member expressed concern about the CAO's rep irregular attendance to meetings. He explained that the CAO has a vital role to play in the provision of humanitarian assistance and the presence of his representative would facilitate actions on humanitarian requests submitted to his outfit.

BRIEF ON MEDICAL HUMANITARIAN ASSISTANCE

15. The representative of the FMO briefed the meeting on humanitarian assistance being initiated within the independent companies.

REQUEST BY PSF

16. The FMO's rep informed the meeting that PSF is winding their operations in Rwanda due to financial constraints by its donors. He explained that PSF has assisted UNAMIR with the provision of level one humanitarian medical care since 1994. He said PSF has donated 30 days medical supplies to UNAMIR free of charge.

17. A request from PSF asking UNAMIR to provide transport for its heavy equipments from Kigali to Nairobi was tendered in by the FMO's rep.

CONCLUSION

18. The meeting ended at 1040 hrs with the Chairman expressing concern about the low attendance of the meeting.

CONCLUSION

10. UHAAG is now facing a problem of resources and funding in order to accomplish its tasks. We have taken action to try to get funding through the trust fund managed by UNREO and UNDP. Until we get positive response, you are advised not to make any promises you cannot keep because all we have to work with are UNAMIR's resources which are getting smaller every day. You must also be aware that all assistance requests placed through Brown and Root for non UNAMIR organization must be accounted and paid for. Until funds are made available to UHAAG some requests for assistance will have to wait if we are unable to find an NGO to do the job.

Monsieur le Représentant du
Secrétaire Général des
Nations Unies
Kigali.

Objet: Demande d'aide.

Monsieur le Représentant,

En vue de contribuer au développement de notre pays dans le domaine socio-économique l'"Association pour le Développement global des Batwa du Rwanda" a élaboré un projet d'apprentissage en menuiserie et en couture pour notre jeunesse et l'a soumis aux bienfaiteurs pour demander une aide. }

Une Organisation Hollandaise Stichting Gered Gereedschap a accepté de lui donner des outils pour la menuiserie et la couture, mais comme c'est une organisation aussi trop jeune, elle a précisé qu'elle va effectuer le transport des outils à partir du port Néerlandais de Rotterdam jusqu'à Mombasa au Kenya.

Le transport de Mombasa au Rwanda sera à charge de l'Association.

Vu les moyens très limités de l'Association d'autant plus qu'elle est encore jeune et ne dispose de rien, nous avons l'honneur de recourir à votre haute bienveillance pour solliciter votre intervention pour que ces biens soient transportés de Mombasa jusqu'à notre pays.

Pour plus d'informations sur notre projet, vous trouverez ci-annexées toutes les correspondances nous adressées par cette organisation qui a accepté de nous fournir le matériel de base indiqué ci-dessus, ainsi que les objectifs et la présentation de l'ADBR.

Veillez agréer, Monsieur le Représentant du
Secrétaire Général, toutes les assurances de notre haute estime.

ASSOCIATION POUR LE DEVELOPPEMENT GLOBAL DES BATWA DU RWANDA (ADBR, ASBL)

A.R. N° 20/05/94, C/O B.P. 531 KIGALI, TEL. 74282

PRESENTATION DE L'A.D.B.R. (Association pour le Développement Global des Batwa du Rwanda) et ses objectifs

L'Association pour le Développement Global des Batwa du Rwanda "ADBR " est une Association de droit rwandais, apolitique et indépendante.

SES PRINCIPAUX OBJECTIFS SONT:

1. Promouvoir l'intégration socioéconomique des Batwa dans la société rwandaise.
2. Encourager la scolarisation et l'alphabétisation des Batwa
3. Développer la jeunesse et la femme Twa.
4. Améliorer les conditions de vies des Batwa.
5. Informer la population Twa sur les droits et libertés pour qu'ils puissent participer dans le développement national.

LA PROBLEMATIQUE ET LA PERTINENCE DE CELUI-CI

La communauté Batwa a été au cours de l'histoire du pays marginalisée, délaissée, rejetée par les différents pouvoirs au niveau du pays. Maintenir la méconnaissance de ses droits et libertés. La communauté reste toujours en dehors de prise de décision et participe très faiblement à l'évolution sociale et à l'économie du pays.

LA PERSPECTIVE D'AVENIR DE L'ADBR

Comme notre Association a baptisée cette année, une année de Mobilisation, de Sensibilisation et de Conscientisation de tous les Batwa du Rwanda.

Avant de s'affronter corps et âme à l'action philanthropique qu'elle s'est assignée. L'Association a jugé bon de: 1. Se faire connaître au peuple mutwa , bénéficiaire de cette action humanitaire, lui exposer et expliquer ses objectifs, écouter ses doléances et le familiariser avec son entourage.

L'Association a préparée un projet visant en fait à informer et à sensibiliser la population pour que les Batwa puissent prendre en main leurs problèmes et cherchent les moyens de résoudre les problèmes.

Ils visent à donner à la population mutwa des renseignements sur le processus démocratique en cours pour que celui-ci s'adopte aux mutations en cours et approuver ses capacités de participation avec assurance.

...../.....

L'Association doit et devra finaliser une meilleure participation dans la prise des décisions et en éveiller une prise de conscience plus accrue des droits et libertés de la communauté Batwa.

OBJECTIFS SPECIFIQUES

- Eveiller la communauté Twa, afin de promouvoir son intégration dans la société rwandaise.
- Améliorer les conditions de vie de ce groupe ethnique et augmenter ses chances de participer aux décisions qu'elles concernent.
- Inciter les Batwa Forêstiers à la protection de l'environnement

CONCERNANT LA PROMOTION DES DROITS ET LA LIBERTE DE LA PERSONNE

A ce qui concerne la promotion des droits et la liberté de la personne, l'Association s'efforcera à faire apprendre aux batwa à prendre en main leurs problèmes et chercher les moyens à mettre en oeuvre pour en sortir (lutter pour la mendicité, apprendre à s'estimer, s'exprimer, être fier d'eux-mêmes, apprendre comment s'organiser, créer des coopératives et des associations par eux-mêmes).

Lutter étroitement pour leur développement surtout en conivence avec d'autres organisations qui luttent pour la démocratie, les droits et libertés de l'homme.

Aider le mutwa à s'aider lui-même (auto-organisation), apprendre à s'adapter et s'intégrer dans la société rwandaise, approuver ces capacités avec assurance.

ACTIVITES PREVUES TOUT LE LONG DE CETTE ANNEE 1994

L'Association se basera plus spécialement sur les trois thèmes suivants :

La Mobilisation, la Sensibilisation et la Conscientisation de tous les Batwa du Rwanda
Elle va d'abord organiser des séminaires de

1. Formation des Formateurs
2. Formations des antennes
3. Sensibilisation des Batwa

LES TROIS THEMES SE CONCENTRERONT SUR :

- La scolarisation des enfants et l'alphabétisation des adultes
- Les droits et libertés des minorités
- L'intégration totale dans la société rwandaise
- L'organisation des groupements, coopératives et associations.

..../....

- La stratégie d'améliorer leurs conditions de vies.
- Faire le recensement pour mieux connaître le nombre exact des Batwa du Rwanda
- Faire une enquête sur les Batwa pour mieux identifier les problèmes réels des Batwa sur tous les domaines ect..

La méthodologie à suivre est la formation en cascade, le haut vers le bas, pour que ~~la connaissances acquises en haut~~ descendent et atteignent le mutwa réculé de la forêt.

CRITERES D'EVALUATION

1. Pour évaluer l'éveil de la communauté Twa, l'ADBR dressera une liste des réclames et doléances des participants à chaque séminaire.
2. Pour évaluer le niveau d'informations, l'ADBR tiendra à jour un procès-verbal des suggestions de la communauté Twa lors des séminaires.
3. Pour évaluer l'amélioration des conditions de vie, l'ADBR commencera par recenser les idées de projets issus de la communauté Twa après les sessions de sensibilisation et par priorité.

Après la sensibilisation sans nulle doute que la population sera préparée, aussi elle aura la bonne volonté de suivre le tracer d'activités de l'ADBR.

La population déjà sensibilisée, elle sera capable de s'organiser elle-même pour son avenir.

L'Association compte dans les jours à venir construire une école maternelle (... dans la Commune Rwamiko, Préfecture de Gikongoro et une autre dans la Commune Kanzenze, Préfecture de Kigali.

Des Centres Pilotes d'alphabétisation des adultes dans les endroits habitant le groupe cible important.

Créer des groupements , des coopératives, des associations de tous genres dans des milieux paysans.

Valoriser le métier de poterie en adoptant la poterie moderne

Construire une école céramique etc....

Favorable,
Monsieur le Représentant,

J'ai l'honneur de venir très respectueusement auprès de votre haute autorité pour vous présenter nos difficultés causés par la manque des aliments soit en qualité et en quantité pour l'Orphelinat KIBOGORA qui compte 150 enfants d'une année à 15 ans soit 60 Filles et 90 Garçons.

Actuellement les enfants prennent de la pâte de maïs et les haricots du Lundi au Dimanche d'une quantité insuffisante aussi et pas de variation. Pour cela les enfants commencent à souffrir de l'Epigastrie. Pour cette raison je souhaite si c'est possible que vous me fassiez arriver une aide alimentaire qui va nous aider à mieux entretenir les enfants en même temps l'aide vestimentaire soit, les pantalons, les culottes, les chemises et les Jupes.

Espérant une suite favorable à ma demande, je vous prie d'agréer Monsieur le Représentant de l'UNAMUR, l'expression de ma haute considération.

Re: Technical status of buildings at the Hospital of Gihundwe, Cyangugu

Dear Sir,

We, the Norwegian People's Aid, are presently engaged in the medical work at the hospital mentioned above, where your Ethiopian Battalion has had some of its troops accommodated in 12 of the hospital buildings.

We started in November 1994 rehabilitating the hospital, and have since then completely rehabilitated ten buildings for our use, developing the hospital into the regional hospital it is today. We equipped it and staffed it, and are now handing it over to the Rwandese government as their hospital. The hospital is planned to be the hub of the health services in the region under the MINISANTE in the years to come.

Though a hospital of 34 buildings is unrealistically big for the region in the economical situation Rwanda finds itself, there exists a sustainable need for staff accommodation at the hospital.

This to cater for two needs:

- a) Ease the recruitment of skilled medical staff in Rwanda by providing housing, and
- b) Facilitate preparedness for emergencies by accommodating staff on the compound.

We therefore turn to you, as the battalion is pulling out this month, in order to follow up the meeting held in Cyangugu with General Tousignant by appealing for your assistance by

- a) Rehabilitating the eight buildings intended for staff accommodation, or
- b) Financing our rehabilitation of the same eight buildings.

As the troops are still in the process of moving out, it is not possible for us to decide the costs related to these works, but we can describe the probable needs to be:

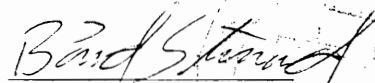

- a) Reinstallation of electrical system
- b) Reinstallation of water supplies and plumbing equipment
- c) Rehabilitation of sewage system
- d) Replacing windows and doors
- e) Rehabilitation of ceilings and roofs
- f) Replastering
- g) Painting

A very rough estimate of the costs would be in the area of USD 24.000.

de l'EPA.

Monsieur,

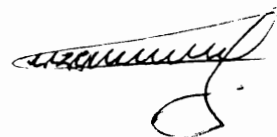

J'ai l'honneur de m'adresser à votre haute compétence pour vous demander de nous prêter votre secours dans un problème très urgent qui se pose à l'Ecole Primaire d'Application dont j'assure la direction.

Il s'agit précisément de vidanger les toilettes des élèves qui sont remplies et pratiquement inutilisables alors que l'Ecole reouvre ses portes lundi le 24/07/95.

Toutes les démarches entreprises auprès des services nationaux ont été sans résultat car aucun camion vidangeur n'a pu être trouvé. C'est pourquoi je recour à travers vous à la bonne volonté de la MINUAR pour vous demander de nous venir en aide si possible avant la date ci-dessus.

Veuillez agréer Monsieur, les hommages de mon respect.

de la Commune
KIRAMBO.

S/C de Monsieur le Préfet de Préfecture
CYANGUGU

Favorable,
Monsieur le Représentant,

J'ai l'honneur de venir très respectueusement auprès de votre haute autorité pour vous présenter nos difficultés causés par la manque des aliments soit en qualité et en quantité pour l'Orphelinat KIBOGORA qui compte 150 enfants d'une année à 15 ans soit 60 Filles et 90 Garçons.

Actuellement les enfants prennent de la pâte de maïs et les haricots du Lundi au Dimanche d'une quantité insuffisante aussi et pas de variation. Pour cela les enfants commencent à souffrir de l'Epigastrie. Pour cette raison je souhaite si c'est possible que vous me fassiez arriver une aide alimentaire qui va nous aider à mieux entretenir les enfants en même temps l'aide vestimentaire soit, les pantalons, les culottes, les chemises et les Jupes.

Espérant une suite favorable à ma demande, je vous prie d'agréer Monsieur le Représentant de l'UNAMUR, l'expression de ma haute considération.

Le Directeur de l'ORPHELINAT
KIBOGORA,

FATISUKA Fidèle.
