Excellency,

On behalf of the Secretary-General, I would like to thank you for your letter dated 5 June 2013, inviting him to speak at the World Refugee Day event, to be held in New York on 20 June 2013.

The Secretary-General appreciates your kind invitation. Unfortunately, I regret to inform you that he will be unable to attend the event, owing to prior commitments and pressing demands already on his schedule on the said date. However, in view of its importance, the Secretary-General has designated Mr. Jan Eliasson, Deputy Secretary-General, to participate and deliver a message on his behalf. The office of Mr. Eliasson will be in contact with your office to discuss the details of his participation.

I would be grateful if you could convey this response to Mr. Udo Janz, Director of the office of the United Nations High Commissioner for Refugees in New York, who co-signed the invitation.

I wish to take this opportunity to convey the best wishes of the Secretary-General for a successful event.

Please accept, Excellency, the assurances of my highest consideration.

Dear Josiane -

The EU and UNHCR sent this invitation to the SG asking him to speak at the
World Refugee Day event at St John the Divine on 20 June.

I take it he will not be in NY?

UNHCR just called asking me about the invitation and said that if the SG
cannot make it - then they would like the DSG to attend.

Would you agree that we regret for the SG and ask the DSG?

thanks -

Excellency,

The United Nations High Commissioner for Refugees (UNHCR) and the Delegation of the European Union to the United Nations wish to cordially invite you to speak at the World Refugee Day event which will be held at the Cathedral Church of St. John the Divine on June 20 2013. This year's event will feature the opening of Sanctuary & Sustenance, an especially designed multimedia projection that will be shown on the outer walls of the cathedral that night in celebration of World Refugee Day 2013. Inside the cathedral a photo exhibition produced by the International Rescue Committee with the generous support of the European Union, "Hidden Lives: The Untold Story of Urban Refugees" will also be on view.

Sanctuary & Sustenance is a multimedia installation that offers a public audience the opportunity to trace the journey of refugees during the catastrophic events of displacement, on a path to sanctuary, and through the long process of rebuilding life in a community. The major themes of the installation are the commonality of these experiences around the world and the obligation societies have to welcome others in times of crisis. Although designed for the Cathedral's iconic architecture and in honor of its long and intertwined history of social justice and the arts, the installation will also be shown in other world capitals on June 20.

The opening night event, held on June 20 in honor of World Refugee Day, will commence with a welcome inside the Cathedral followed by a private reception starting at 6:30 culminating with the projection of the exhibit when darkness falls at 9:00 pm in a public outdoor event. We would be honored to have the programme include a welcome statement from you during the remarks which start at 7:00 pm.
