Dear Mr. Eliasson,

I'm writing you from Germany as a person with a high interest in history and worldwide politics. Hence I'm collecting signatures of politicians and World Leaders since many years now. My collection contains various signed photos, cards and letters of famous and important personalities from all over the world.

I would be extraordinary honoured to include your signature in my selected collection and therefore I would like to ask you to send me a personally signed photograph of you.

Please be ensured that your signature will receive a being entitled place in my collection.

I will sincerely appreciate your consideration of my request and genuinely thank you for your attention to this matter. Finally I would like to wish you and your family health, happiness and prosperity.

Very truly yours,

Marc Stefan Debus
