MASS GRAVE SITES

1. SAVE (746193 ext): 1750 pers reportedly killed by RPA after the war. Location is RPA controlled and S/Sgt was not allowed down the trail although could smell the site. Site is in lightly wooded field just north of Save Church (has med clinic + 200) and 100m east of main road. Field identified by statue of Virgin Mary, a cross laying in its side and a burned out car with several corpses laying beside it.
2. In vicinity of NYUMBA (6405) / NYAKIBANDA (6507/6708) reportedly 20,000 people have been buried. This people were from the <sup>displaced</sup> camp located at the Mosque ( )
3. Advised that RPA bury people in shallow grave with little covering of earth / brush. RPF / militia dig deep holes to bury people.

OPENING REMARKS

1. The conference began at 1027 hrs. Sector 3 Comd who was the host welcomed all to the conference, and prayed that the days' deliberations would end successfully. He announced additions in the prepared programme to include the following:

- a. Political brief.
- b. CAO's brief.
- c. CIVPOL brief.
- d. Humanitarian brief.

Action

ITEM ONE: CMO'S ADDRESS

2. Aim. The CMO said that the aim of the conference was to disseminate information to enhance the operations of MILOBs in Rwanda. He added that it would be a weekly affair as before the war, and that this time round it would rotate from Sector HQ and the MILOB HQ. He took the opportunity to welcome the SRSG Rep to the conference.

3. The CMO announced that more MIOLBs and CIVPOL were expected to arrive soon in Rwanda to augment the present strength. Members were also updated on the new organisation of MILOBS group.

4. Logistics. The CMO said that UNAMIR was beset with numerous logistics problems including shortages of vehicles, radios and office equipment. He said arrangements were being made at higher headquarters to address the problem.

ITEM TWO: BRIEF BY SECTOR COMMANDERS

5. Appointment of Civil Authorities. Sector Commanders reported that various civil authorities were being appointed in their sectors.

6. Acts of Banditry. Commanders of sectors 4A and 4C reported isolated acts of banditry being carried out by bandits and by militias of the ousted government who wanted to cause insecurity in the country and prevent the return of refugees and displaced persons to their home localities. Sector 4C Commander complained about the reluctance of Ethiopian troops in his sector to provide armed escorts to the NGOs who wanted to distribute food aid in the sector. This, he said, had resulted in the reduction of NGO activity in the sector since the NGOs needed armed escorts to carry out their duties. He also reported that Zairian gendarmerie were extorting 500 Francs from each person who wanted to return home. This was not helping in the effort to repatriate refugees.

7. Humanitarian Services. Sector 3 Commander complained that there was virtually no humanitarian services being provided by any aid agency for the people of his sector. He was of the view that all efforts were being concentrated in Sector 4. He stressed that the people in his sector were destitutes and needed assistance.

CMO

HAC

8. Orientation of New MILOBs. Sector 3 Commander announced that 66 new MILOBs had successfully completed their orientation course and that a new group of 58 was currently undergoing orientation. He said the cessation of the supply of free ration and water to MILOBs from 1 Sep 94 would create problems for the new MILOBs since cooking facilities at the camp were severely limited. He added that since new MILOBs had not been paid, they would not be able to purchase any food in the open market. He suggested that rations and water should be issued to new MILOBs and the cost be deducted at source. He also suggested that documentation and kitting of new MILOBs be expedited so that posted MIOLBs could quickly be deployed to their respective sectors. He appealed to all sector commanders to pick up their new MILOBs as soon as the posting orders were released. A request for a vehicle for the administration of new MILOBs was also made by Sector 3 Commander.

CMO

SMPO

SECTOR COMI

SLOGO

9. General Problems. The under-listed problems were common to all sectors:

- a. Lack of vehicles and the frequent breakdown of existing vehicles.
- b. Difficulty in communications between patrols and sector base stations.
- c. Lack of maps for the various sectors.
- d. Absence of telephone facilities to enable MILOBs to call their families back home.
- e. Lack of stationery.
- f. Lack of generators, freezers and refrigerators.
- g. Lack of photocopying machines for Sector HQs.

SLOGO

10. Mission Subsistence Allowance (MSA). One sector Commander recommended that the MSA be reviewed upwards to meet the rising costs of living in post-war Rwanda.

CMO

#### ITEM THREE: OPERATIONAL MATTERS

11. The Chief Operations Officer MILOBs HQ informed the conference that consolidated SITREPs would soon be made available to all sectors to enable all

MILOBs become acquainted with the situation in the whole mission area. He also stressed the importance of the quick passage of relevant information by all sectors to enable MILOB HQ to take appropriate action.

12. Map Marking. The SOO said that the UN did not have any standards of map-marking. He therefore urged all sectors to adopt the type of map-marking used at MILOB HQ for the purpose of uniformity.

ITEM FOUR: BRIEF BY SRSG'S REPRESENTATIVE

13. The SRSG's representative at the conference gave a brief on current political issues. He said following the efforts of UNAMIR, a grant of US\$ 20 million had been obtained for the new Rwandan government to enable it start functioning. He added that arrangements were in place to get utility services like water, electricity and telecommunications to function. Medical centres were also being opened along the main routes to take care of the health needs of the people.

ITEM FIVE: BRIEF BY HUMANITARIAN CELL

14. The HAC officer complained of the lack of flow of information to his outfit. He requested that information be made available so that his outfit could give the needy the necessary assistance.

ITEM SIX: ADDRESS BY DFC/COS

15. The DFC/COS who was on his way to GIKONGORO made a brief stop over at the conference. In His address he emphasised that MILOBs were the main source of information available to the Force. It was therefore imperative for MILOBs to carry out proper investigations and come out with accurate information to enable the Force achieve its aim. On logistics, the DFC said that UNAMIR was beset with numerous logistic problems and appealed to MILOBs to bear with the situation.

16. The DFC said it was an individual national responsibility for each country to provide rear link communication facilities for MILOBs to communicate with their families back at home. He added that arrangements were being made with the Canadian contingent to provide MILOBs with telephone facilities at a fee.

ITEM SIX: CIVPOL BRIEF

17. The CIVPOL commissioner briefed the conference that his outfit was currently involved in the training of selected RPA soldiers on gendarmerie duties. He said more CIVPOL were expected in the country soon.

ITEM SEVEN: LOGISTICS BRIEF

18. The SLOGO said that despite the logistics constraints of UNAMIR, he would always pursue any request coming to the HQ and make them available as and when he received supplies.

19. The SLOGO asked MILOBs to keep to the maintenance schedule of their vehicles so as to prolong the life span of the vehicles. He also reminded MILOBs of the need to book trip tickets before moving any vehicle. He said trip tickets were to be submitted to the HQ at the end of every month.

CLOSING REMARKS

21. In his closing remarks, the CMO said he was happy that the aim of the conference had been achieved. He directed that all decisions taken at the conference be made available to all MILOBs. He also thanked the SRSG's representative for attending the conference.

22. Sector 4C was tasked to host the next conference.

COMD SECTOR 4C

23. The conference included a good lunch and a tour of the mass graves of KABGAYI. Proceedings ended at 1645 hrs.

FC DIRECTIVE FOR THE DISPOSAL OF CRIMINALS

1. General. In the conduct of their duties, UNAMIR personnel may be required to apprehend suspected criminals, prior to their being returned to Civil authorities.
2. Aim. The aim of this Directive is to outline the procedure for disposal of suspected criminals within UNAMIR AOR.
3. Definition. For the purpose of this Directive a suspected criminal will be defined as a person who is suspected of an act of sabotage, subversive activity, assassination or banditry. The Directive also applies to infiltrators who try to jeopardize the peace keeping mission.
4. Disposal Procedure. All suspected criminals will be disposed of as follows:
  - a. They are to be searched, disarmed and segregated. They are then to be identified and their personal details noted under the supervision of UNMO and ICRC or UNHCR.
  - b. A safe and secure place is to be arranged as a temporary place of custody.
  - c. A preliminary investigation is to be made. This is to include details of alleged perpetrators, with a full incident report.
  - d. Transport is to be arranged in order to evacuate suspects to the appropriate regional authority or to Kigali, whichever is appropriate.
  - e. Suspects are to be escorted by military police and MILOB.
  - f. A clearance certificate is to be carried to allow access through RPA checkpoints.

- g. All personal belongings of suspects, and their weapons, must be recorded on an inventory, a copy of which is to be handed with the goods to the appropriate authority in Kigali, the other copy is to be included in the incident report.
- h. A detailed report is to be submitted to UNAMIR HQ, attention G1 Pers, G2 and G3 Ops.

1. GEN SIT. CALM AS LIFE GRADUALLY RETURNS TO NORMAL.

2. POLITICAL ACTIVITIES. NTR

3. FACTIONAL ACTIVITIES.

A. RPF. PREFECT OF BUTARE, CAPT. JOHN ZIGIRA, HAS LEFT FOR GIKONGORO WITH 45 RPF SOLDIERS UNDER THE ESCORT OF OUR TEAM AND MALAWIAN CONTINGENT TO ASSUME HIS APPOINTMENT AS PREFECT OF GIKONGORO.

B. RGF. NTR

C. MILITIA. NTR

D. GENDARMERIE. NTR.

4. OWN MILITARY ACTIVITIES.

A. TEAM HAS ESCORTED THE NEW PREFECT OF GIKONGORO FROM BUTARE TO GIKONGORO.

B. (1) TEAM VISITED RUHANGO (GRID SQ 7754) AND RUGOGWE (GRID SQ 6956) TO VERIFY INFORMATION ON MASS GRAVES AT BOTH LOCATIONS AS WELL AS ON CASES OF PEOPLE WHO HAD DISAPPEARED AFTER THE RPF HAD TAKEN OVER. INFO WAS CONFIRMED BY ONE OF MISSIONARIES, REV. STANISLAS URBANIAK AND BURGOMEISTER OF THE TAMBWE COMMUNE (RUHONGO), ANDRE MPAZIMPAKA, TO THE EFFECT THAT "SOME PEOPLE" HAD "DISAPPEARED" BETWEEN THE END OF JUNE AND MID-AUGUST, I.E. THE TIME THE NEW BURGOMEISTER TOOK HIS OFFICE. NO SUCH CASES HAVE, HOWEVER, OCCURRED EVER SINCE. SOME CASES OF "DISAPPEARANCE" ARE ATTRIBUTED BY LOCAL PEOPLE TO REVENGE TAKEN BY YOUNG RPF SOLDIERS WHO LOST THEIR RELATIVES AT THE HANDS OF INTERAHAMWE AND SOME ARE ATTRIBUTED TO LOCAL CONFLICTS (TAKE-OVER OF LAND ETC.) SITUATION IS CALM NOW AFTER THE INSPECTION CARRIED OUT BY THE PRESIDENT AND DEFENCE MINISTER ON 17 AUG 1994.

(2) TWO GRAVE SITES WERE IDENTIFIED IN THE AREA:

(A) RUGOGWE, APPROX. 9 KMS NW OF RUHANGO, WHERE ABOUT 30-40 CORPSES WERE DUMPED INTO TWO ADJACENT CESSPITS, EACH 12 MTS DEEP, AND COVERED WITH SOIL. ALL VICTIMS WERE KILLED IN APRIL-MAY 1994; ALTOGETHER APPROX. 2,000 PEOPLE ARE SAID TO HAVE BEEN BUTCHERED IN THAT AREA THAT TIME AND MORE MASS GRAVES ARE LOCATED IN THE VICINITY. FURTHER RECCE SUGGESTED. ACCORDING TO LOCAL RESIDENTS RPF HAS BEEN CONTINUOUSLY TAKING SOME PEOPLE AWAY WITH THE MOST RECENT

CASES DATING LAST SUNDAY, 04 SEPT 1994. NOBODY WAS ABLE TO QUOTE ANY EXACT FIGURES TO THAT EFFECT BUT AN APPROX. NUMBER OF "LESS THAN 50" WAS MENTIONED BY SEVERAL SOURCES.

(B) MUGEJURU FOREST (GRID SQ 7852), LOCATED 850 MTS EAST OF THE BUTARE-GITARAMA ROAD, 3 KMS SOUTH OF THE CENTER OF RUHANGO, ON A HILL SLOPE. APPROX. 1,000 - 2,000 BODIES WERE DROPPED INTO THREE DITCHES AND COVERED BY A THIN LAYER OF SOIL IN THE WAKE OF MASSACRES WHICH TOOK PLACE IN APRIL, MAY AND JUNE 1994. ALL OF THEM, INCLUDING MANY WOMEN AND CHILDREN, FELL VICTIMS TO ACTION BY INTERAHAMWE.

5. HUMANITARIAN ACTIVITIES. AT MUGEJURU [REF. POINT 4 (2)(B)] LOCAL RESIDENTS ARE SAID TO BE ELIGIBLE TO OBTAIN ANY FOOD ASSISTANCE FROM THE RUHANGO CATHOLIC PARISH AS MOST OF THEM ARE MUSLIMS. INFO CONFIRMED BY THE LOCAL IMAM, IDRIS KAVUTSE. SUGGEST RELEVANT NGOS TO BE INFORMED FOR THE PURPOSE OF FUTURE FOOD DELIVERY.

SUBJECT: FC DIRECTIVE FOR THE DISPOSAL OF  
SEIZED WEAPONS IN UNAMIR AOR

GENERAL

1. For the return of law and order in Rwanda, it is imperative that the Rwandan population including ex-RGF and self defence groups within the UNAMIR AOR are disarmed.

AIM

2. The aim of this directive is to outline the procedure for disposal of seized weapons within UNAMIR AOR.

DEFINITION

3. Weapon. For the purpose of this directive a weapon will be defined as any object which can be used to cause physical harm to an individual. This includes fire arms, machetes, bows and arrows, knives, swords, bayonets and spears. (Discretion > obviously Regr.)

DISPOSAL PROCEDURE

4. All unauthorized arms and ammunition and explosives confiscated will be disposed as follows:

- a. All Sectors will set up a secure Weapon Collection Point where seized weapons will be collected within each Sector.
- b. Seized weapons will be made safe and unloaded before transportation to all Weapon Collection Points.
- c. Sector HQs will document all weapons seized in sector and forward a copy of the list to UNAMIR HQ (Operations).
- d. Sector HQ will arrange transportation of weapons under MILOB escort to UNAMIR HQ Weapon Collection Point at Log Base (Rwandex).
- e. Ammunition and explosives will be treated similarly as above, unless dangerous for transportation which will then be

214

either repacked by a qualified ammunition expert or destroyed by qualified EOD personnel in situ.

f. Subject to the approval of the Force Commander, UNAMIR HQ will handover all confiscated weapons and munitions to the appropriate Rwandan Government agency.

5. This instruction is effective on receipt.
