**Subject:** Meeting between the Secretary-General and President Anastasiades

Dear Susana,

I hope that all is well with you in these turbulent and busy weeks.

I understand that the Secretary-General will be in Brussels for the EU-Africa Summit scheduled for 2-3 April.

President Anastasiades will also be in Brussels for this Summit. The President believes that it will be a good opportunity for a meeting with the SG, in the margins of the Summit, in order to exchange views for the Cyprus process so far and the way forward. I am aware that the SG has recently met with and spoken to high level Turkish officials on various issues, including Cyprus, so I am sure that he would like to hear what the President has to say as well.

I would be most grateful for your kind assistance in arranging this meeting. We have already submitted a written request to the SG's office.

I look forward to hearing from you.

Kind regards,

Nicholas
