3. RPA. A SITUATION AROSE IN GITARAMA, KABGAYI DIOCESE UPON THE ARRIVAL OF A UNAMIR GENERATOR TEAM AND ESCORT. THE TEAM WAS TASKED TO REPAIR THE DIOCESE OWNED GENERATOR AND RETRIEVE A UN OWNED 100 KVA GENERATOR. UPON BEING INFORMED OF THIS AND OBSERVING THE GENERATOR BEING LOADED ON A UN VEHICLE, THE DIOCESE PRIEST BECAME QUITE AGITATED AND LOCKED THE GATES TO THE COMPOUND WHERE THE GENERATOR WAS HELD, LATER POSITIONING TWO VEHICLES DIRECTLY IN FRONT OF THE GATE TO PREVENT ANY POSSIBLE THAT THE DIOCESE HAD NOT BEEN PAID FOR THE USE OF FACILITIES SINCE AUGUST 1994. ACCORDING TO THE BISHOP, THE VEHICLE AND GENERATOR WERE BEING HELD PENDING PAYMENT OF AN INVOICE WHICH THE DIOCESE WOULD SUBMIT TO UNAMIR. THIS TYPE OF INSURANCE WAS NEEDED BECAUSE, IN HIS OPINION, THE UN WERE LAX IN THE PAYMENT OF BILLS. THE INVOICE WAS PRESENTED TO THE FSA AT APPROX 1500 HOURS. IN THE INTERIM THE BISHOP REQUESTED SUPPORT FROM THE RPA AND THE LOCAL PREFECT. THE RPA INITIALLY DEPLOYED A PL. THIS ACTION WAS REPORTEDLY INITIATED DUE TO THE FACT THAT GENERATOR TEAM WAS ACCOMPANIED BY AN ARMED MILITARY ESCORT WHICH IS STANDARD PROCEDURE. CONTINUED NEGOTIATIONS WITH THE BISHOP AND THE LOCAL AUTHORITIES BY THE SECT COMD AND FSA DIFFUSED THE SITUATION SOMEWHAT, HOWEVER, THE RPA BDE COMD AGREED WITH THE BISHOP THAT THE VEHICLE SHOULD NOT BE RELEASED UNTIL UNAMIR HAD RESOLVED THE ISSUE OF PAYMENT FOR USE OF THE FACILITIES. A FOUR MAN DET WAS LEFT IN PLACE TO PROVIDE OWN SECURITY OF THE VEHICLE AND THE RPA MAINTAINED A THREE MAN SECURITY GUARD ON THE COMPOUND THROUGHOUT THE NIGHT. NEGOTIATIONS WILL CONTINUE ON 20 JAN TO RELEASE THE VEHICLE. CAO HAS DIRECTED MEMBERS OF HER STAFF TO COMPILE THE RELEVANT DOCUMENTATION WITH RESPECT TO AGREEMENTS WITH AND SUPPORT GIVEN TO THE DIOCESE IN ORDER TO FACILITATE FURTHER NEGOTIATION AND TO GIVE ASSURANCES THAT ANY AGREEMENTS ENTERED INTO BY UNAMIR FOR THE USE OF THE KABGAYI DIOCESE WILL BE HONOURED AND PAYMENT EFFECTED AS SOON AS PRACTICABLE.

Subject: Daily News Summary: 19 Dec 95

1. Sir. Here are the top stories for the morning of 19 Dec 95 as reported on BBC World News, CNN, and The New York Times:

a. In Russia, the Communist party appeared certain Monday of defeating the Government's party by more than 2 to 1 one in Sunday's parliamentary elections, a victory that gave the party strong head start in a pivotal presidential campaign that effectively began Monday.

b. Rene Preval, President Jean-Bertrand Aristide's hand picked choice to succeed him as president, appeared Monday to be well on his way to a landslide victory. An official tally is to be announced Dec 27.

c. In Colombia, at least 14 people were killed Monday when a passenger bus careened off a road and plunged into a ravine.

d. In the Balkans, by early Monday evening 16 of 27 flights planned for Monday had arrived at Tuzla airfield signalling the start of the IFOR airlift after 5 days of poor weather had closed the airfield.

e. The Government of Tanzania has asked that the international community look at ways to resolve the Rwandan and Burundi refugee situation in that country.

f. The Head of Israel's secret service will keep his job for now, despite warnings Monday that he and five senior agency officials may be held responsible for security lapses that led to Yitzhak Rabin's murder.

g. Famine is already gripping parts of North Korea and the mass misery will worsen as winter temperatures sink, The UN said Monday in its bleakest warning to date. Both the UN and the International Red Cross said the devastation wreaked by floods was far more severe and long lasting than originally thought. They appealed for more funding.

g. Only 5 shopping days left until Christmas.

1. Sir. Here are the top stories for the morning of 8 Dec as reported on the BBC World News, the Voice of America, CNN, Radio UNAMIR and the Internet:

a. The UN Security Council will decide today in New York on the future of a UNAMIR mandate in Rwanda. However, bear in mind the six hour time difference, so if the decision is rendered towards the end of the day, we won't know until late in the evening. The Kigali government, under intense international pressure, has said it would agree to a three month extension of the mandate with a reduction in force of troops to 800. These could be of an engineering and logistics nature as well as military observers. The government earlier wanted all of UNAMIR to cease operations at the end of the day today, saying that it could provide sufficient security in the country, in what diplomats analyze as continued bitterness towards UNAMIR for the events of the genocide. The government has agreed with the proposals put forth at the Cairo Conference that a UNAMIR presence could assist in the repatriation of Rwandan refugees. The Kigali government also wants UNAMIR to leave behind, whenever the mandate ends, most of its transport and communications equipment.

b. In an effort to coordinate and channel all development aid passing into Rwanda, the government has advised 38 NGO organizations to stop work immediately and leave the country. This includes Medecins Sans Frontieres, Terre des Hommes and Medecins du Monde. Additionally, the government has told 18 other NGO's to suspend their operations including Food For The Hungry and the Croix Rouge, Belgique, pending investigation into their activities. The government states that this decision is irreversible and accuses the NGO's of failing to register properly with the government, of not coordinating activities through local administrators, and of misconduct including the selling of supplies on the local market. The decision comes amid apparent growing anti-Western feeling in Rwanda and despair for not bringing to justice those responsible for the genocide. Notably, one third of the NGO's to be affected are French-based - Paris was considered an ally of the former government. The move is also seen as a first

RAPPORT QUOTIDIEN SUR LES PROGRAMMES DE RADIO RWANDA

Mercredi 03 Janvier 1996 : Le Premier Ministre Rwandais P-Célestin RWIGEMA a reçu hier M. Jean-Paul RUYENZI et Siméon RWAGASORE, respectivement Président de la Cour des Comptes et Procureur Général près la Cour Suprême.

Leurs entretiens ont portés sur les problèmes d'organisation institutionnelle et les conditions de travail après la mise en place de la Cour Suprême. Ils ont souligné l'extrême nécessité et l'urgence de démarrer rapidement le système judiciaire afin de juger les génocidaires et les autres affaires pendantes.

Le Chef du Gouvernement a également reçu l'Ambassadeur des Etats Unis d'Amérique au Rwanda M. David RAWSON, venu lui présenter ses adieux à la fin de sa mission. Il a assuré le Premier Ministre de l'appui de son pays au Rwanda dans ses efforts de reconstruction nationale. Le Premier Ministre a témoigné à son hôte sa profonde gratitude envers les Etats Unis pour leur assistance au Rwanda.

Une plantation de chanvre de 25 hectares a été découverte Vendredi dernier dans la forêt naturelle de NYUNGWE dans la préfecture de Gikongoro. Cette plantation a été découverte par les forces de sécurité lors d'une patrouille dans la forêt.

La découverte a confirmé maints rapports selon lesquels l'ex-Président Rwandais Juvénal HABYARIMANA, son fils et celui de l'ex-Président Français, Jean-Christophe MITTERRAND étaient des trafiquants de drogue. L'ex-Président Rwandais avait nié complètement ces rapports car il croyait en l'inaccessibilité de cette plantation secrète.

Cette plantation est située à 40 kilomètres de l'Usine à Thé de Kitabi en préfecture de Gikongoro. Pour arriver sur les lieux les journalistes ont dû faire 8 heures de marche et ont été informés qu'il y aurait d'autres plantations similaires.

Les Députés à l'Assemblée Nationale ont commencé hier l'analyse du projet de loi portant modification de la loi fondamentale pour l'adapter à la situation socio-politique du pays suite au génocide de l'an dernier. Le Ministre Rwandais de la Justice leur a fourni des explications nécessaires et a souligné que certaines articles présenteraient une inconvenance juridique s'ils n'étaient pas révisés. Il s'est avéré nécessaires de changer quelques articles de l'Accord d'ARUSHA, un des textes constituant la loi fondamentale.
