REUR 1228.

1. ARTICLE 170 OF LOI FONDAMENTALE PROVIDES THAT VOTE OF CENSURE SHOULD BE PASSED "BY THE ASSEMBLY BY A MAJORITY OF TWO THIRDS OF ALL THE MEMBERS THAT COMPOSE IT". PLEASE NOTE THAT CENSUS REFERRED TO BY YOU IS BASIS FOR WHAT THE NUMBER OF THE ASSEMBLY SHOULD REPEAT SHOULD BE. WITHOUT DEFINITE INFORMATION AS TO THE ACTUAL NUMERICAL COMPOSITION OF ASSEMBLY IT IS NOT POSSIBLE TO STATE WHETHER A VOTE PASSED BY FORTY-THREE MEMBERS SATISFIES REQUIREMENT OF ARTICLE 170.
2. THIS OPINION IS MERELY FOR YOUR INFORMATION AND NOT REPEAT NOT TO BE USED FOR RENDERING ANY OPINION TO CONGOLESE AUTHORITIES OR OFFICIALS ON INTERPRETATIONS TO THEIR INTERNAL LAW. WHETHER OR NOT CONSTITUTIONAL REQUIREMENTS HAVE BEEN SATISFIED IN THE DISMISSAL OF HANZIKALA IS A MATTER FOR CENTRAL AUTHORITIES IN LEO TO CONSIDER. IT IS NOT REPEAT NOT FOR US EITHER TO EXPRESS OPINIONS OR TO VOLUNTEER INTERPRETATIONS ON LOI FONDAMENTALE. ~~IN VIEW OF DELICATE POLITICAL SITUATION WE SHOULD BE MOST CAREFUL TO ACT WITH UTMOST PROPRIETY AND REFRAIN FROM GIVING SLIGHTEST EVIDENCE FOR ALLEGATIONS OF POLITICAL PARTIALITY BY TAKING INITIATIVE IN MATTERS NOT FALLING WITHIN OUR MANDATE.~~

2. As regards appointment of a commissaire d'Etat you should know that article 181 of Loi Fondamentale states: Quote Le Commissaire d'Etat est, pour chaque Province, nommé par le chef d'état, de l'assentiment du Sénat et après consultation du Président du Gouvernement Provincial ou, à son défaut, du Président de l'Assemblée. WITHOUT THEIR HELP THE ACCOMPLISHMENT OF MY MISSION WOULD HAVE BEEN VIRTUALLY IMPOSSIBLE. PARTICULARLY VALUABLE WAS THE ASSISTANCE OF MR. AZZAM IN COQUILHATVILLE AND MR. ENGLUND IN STANLEYVILLE. Would like to recall your discussions of 13 September with Khiary when he suggested you should call into your office all diplomatic representatives who are not so far accredited with Central Government, and show them Manzikala's letter indicating also that UN would be prepared to assist them in any way possible to facilitate their travel arrangements. In case some wished to have special planes flown in to Stan to help for their return journey you can also indicate that you would obtain necessary permits from Central Government through this office. Facilities can also be granted either on UN flights or Air Congo flights for their return via Leopoldville.

Your CIV. 1104 was discussed with Gbenye who confirms instructions given with respect to Salumu. Gbenye being most anxious to stay within legality is most reluctant to take any action with respect to a Provincial Civil servant. If Manzikala is sincerely earnest in his desire to neutralize dangerous actions on the part of such ultras as this one, Salumu's will be the test case and you should follow it up closely with Manzikala and report upon actual measures taken by the Provincial President.

Englund - Teshome from Linner McEoin

1. Reur CIV. 1092 - DC6 arrived safely at 0700Z today. In spite of frantic efforts and representations at Prime Minister level no one was at airport to receive party. Local police however provided guard of honour. Several UN military officers representing Force Commander also present. Fabry and Poujoulat represented me.
2. Gizenga, Yugoslav Ambassador and Poujoulat then drove to Adoula's residence from airport under UN military escort consisting of one MP Jeep since Gizenga expressed desire not to fly helicopter which was standing by.
3. Adoula's reception was most cordial and remaining of party soon joined the leaders. Other members of both Central and Provincial government also came as well as Mobutu. Breakfast was had by all at Adoula's residence after which under combined ANC and UN military police cavalcade drove back to airport.
4. Two companies of paracommandos together with ANC military band presented honours to Adoula and Gizenga before they boarded our plane which then left at 11.30Z en route for Rome where it is expected to arrive shortly after midnight tonight, and where Yugoslav plane is already awaiting the delegation to fly them on last leg of journey to Belgrade.
5. There was quite a crowd at the airport which cheered Prime Minister and Gizenga. These two also shook hand with Force Commander and thanked him for putting his plane at their disposal.

Décision prochaine sur avenir des deux généraux est une étape d'importance vitale dans la voie de la réorganisation de l'ANC. Vu que les gens de Léo tiennent à garder Mobutu comme commandant en chef on pourrait envisager de faire de Lundulla un inspecteur général, fonctions dans lesquelles il ferait rapport directement au Ministre de la défense, et de rang équivalent. Pour ENGLUND de LINNAR

Nous confirmons instructions contenues dans notre SV 596 au sujet des avions n'ayant pas autorisation préalable du gouvernement Congolais pour atterrir sur sol national. Vous trouverez ci-dessous pour votre information seulement le texte du cable envoyé ce jour par Adoula à Gizenga : Quote en principe nous ne sommes pas partisans d'accepter les services d'un avion étranger pour nous rendre à Belgrade. Le gouvernement congolais fera tout ce qui est en son pouvoir pour mettre un moyen de transport à la disposition de la délégation qui se rendrait à Belgrade. Je vous signale que l'arrivée de cet avion yougoslave ou air Jordan est inopportune et inutile. J'attire à ce sujet à nouveau votre attention sur le fait que l'autorisation de survol doit être préalablement demandée par la compagnie aérienne au Ministre des Communications. Sans cette autorisation préalablement demandée et obtenue auprès du Ministre des Communications du Gouvernement central tout appareil étranger survolant et atterrissant sur le territoire de la République sera saisi. ENGLUND de LINNER . Votre 1053.

- 1) L'action psychologique auprès des êtres versatiles et primaires a une grande importance si elle est continue et diversifiée . Les arguments sans fins auxquels vous pouvez faire appel pour étayer votre travail de conversion et d'orientation doivent vous permettre d'avoir une influence bienheureuse et déterminante sur Lundulla. Le Gouvernement central, sa légalité, son autorité ne sont contestées par personne. Les Hésitations de Gizenga ne changeront rien à la situation sauf qu'elles peuvent diminuer l'autorité et détruire le prestige personnels du Vice Premier Ministre. Dire au Général qu'un militaire n'a qu'une parole et Lundulla a déjà donné la sienne.
- 2) La population elle-même doit être travaillée par le Gouvernement provincial dans ce sens. Il est impensable que cette population qui a basé son action depuis un an sur l'unité du Congo refuse cette unité une fois retrouvée.
- 3) La dernière partie de votre cable est peu claire . Toutefois nous devons être clair en décourageant toute tentative de renversement d'un pouvoir légal. Quiconque tenterait cela nous trouvera automatiquement contre lui. Qu'il s'agisse d'un Gouvernement central ou provincial . En cette matière vous êtes autorisé à dissiper tous les doutes qui peuvent subsister dans des esprits mal informés .

Vous avons donné ligne de conduite dans notre SV-590 répondant à votre 1047 et 1054. Il est nécessaire de limiter au strict minimum les personnes ne faisant pas partie des Nations Unies, pour lesquelles une aide de transport peut être accordée. C'est ainsi que sur l'avion d'hier avons été excessivement embarrassés lors de l'arrivée d'une trentaine de personnes sur lesquelles vous ne nous aviez donné aucune information.

Pour Englund idem Khiary . Votre 1047 . Lorsque le transport d'une personne ou d'une famille présente un intérêt politique pouvant renforcer l'autorité du Gouvernement central ou soustrayant à une possible pression morale certaines personnes à cause de leur loyalisme aux autorités légales nous pouvons toujours le faire . Dans les autres cas nous devons toujours l'interdire .

Le député Lubaya et sa famille , ainsi que les familles des ministres et parlementaires actuellement à Léo peuvent rentrer dans ce cadre. Pour les autres cas on vous laisse le soin de juger de l'opportunité de l'application du principe mentionné au début de mon cable .

Votre 1034. Il est excessivement difficile d'envoyer avion spécial pour Manzikala demain. Cependant avons pris toutes mesures utiles pour vous envoyer un DC-4 qui remplacera vol régulier quittant Stanleyville Jeudi matin. Adoula avec qui nous avons discuté de ce problème est entièrement d'accord et va se mettre en rapport téléphoniquement avec Manzikala. Veuillez de votre côté voir Manzikala et lui expliquer la situation. La location d'un avion Air Congo coûterait au gouvernement 165.000 fs, et ceci apparaîtrait une dépense difficilement justifiable étant donné que nous pouvons le transporter avec sa suite dans un avion plus confortable et plus rapide. Veuillez nous confirmer que Manzikala arrivera comme indiqué plus haut, Jeudi.

ENGLUND FROM KHIARY

1. Je me propose d'organiser une conférence au Royal à partir du 2 Septembre à laquelle assisteront tous nos chefs de mission, le Comité Consultatif des Opérations Civiles, le représentant supérieur de l'Administration de mon département ainsi que de l'Etat Major pour faire un tour d'horizon sur la situation politique au Congo et sur les mesures et relations que doivent avoir les Nations Unies avec les nouvelles autorités gouvernementales. A cette Conférence seront également évoqués les problèmes d'ordre technique ou pratique ou même administratif que vous rencontrez dans vos différentes provinces et je vous prie de bien vouloir préparer une liste de ces problèmes que vous aimeriez évoquer.

2. J'espère pouvoir vous faire parvenir, la semaine prochaine, le plan de travail auquel sera soumis cette conférence. Veuillez me faire savoir votre date d'arrivée et si vous désirez qu'accommodation vous soit réservée.

3. Il vous faudra prévoir un séjour ici de 3 à 4 jours.
