President,  
Security Council, United Nations.

Sir,

At the 116th meeting held on Friday, the 7th March 1947, the Council considered a letter from the representative of the United States to the Secretary-General, dated 17 February 1947, and enclosed Draft Trusteeship Agreement for the Former Japanese Mandated Islands. The discussion of the subject was, however, postponed on the proposal of the Australian delegate "to allow for any applications to participate in this discussion in case such applications should be thought desirable by non-members of the Council."

I am directed therefore to apply to you for the privileges under Article 31 of the Charter to enable the Council to be acquainted with the views of the Government of India whose interest in the matter is unquestioned.

I have the honor to be  
Sir,  
Your most obedient servant,
