1. GENERAL:

CCHD OF
SEP 22 1994

PAGE 2 RCCLHBF1008 UNCLAS

A. WE RECEIVED A REQUEST AT 211600Z SEP TO PROVIDE AN EMERGENCY LIFT OF OVER 100 REFUGEES FROM AREA UNAMIR SECTOR 5 HQ IN GISENYI TO A REFUGEE STAGING CAMP IN RUHengeri. SECT 5 REPORTED THAT IOM AND UNAMIR TRUCKS COMMITTED TO THIS TASK HAD BEEN WITHDRAWN BY UNAMIR HQ THIS AFTERNOON AND REFUGEES IN LOCATION HAD NO SHELTER. FIVE MLVWS WERE DISPATCHED IN SUPPORT OF THIS UNAMIR OPERATION IMMEDIATELY. RPA ADVISED SECTOR FIVE HQ THAT A REFUGEE CONVOY AT NIGHT WOULD EXPERIENCE CARFFULL SCRUTINY AT EVERY CHECK POINT. CONSIDERING THAT THIS COULD RESULT IN AN INORDINATELY LONG NIGHT THE DECISION WAS TAKEN BY UNAMIR TO POSTPONE THE TRANSFER. WE WERE REQUESTED TO REMOUNT THE CONVOY TOMORROW. REGRETTABLY WE HAVE INSUFFICIENT RESOURCES TO UNDERTAKE THIS TASK WITHOUT COMPROMISING OUR OPERATIONS AND WERE FORCED TO DECLINE AT THIS TIME.

B. INVESTIGATION INTO THE CIRCUMSTANCES SURROUNDING THE ABOVE INCIDENT REVEALED THAT UNAMIR HAS MOUNTED AN OPERATION TO MOVE UP TO 1000 REFUGEES PER DAY FROM UN SECTOR 4 TO SECTOR 3. ALL AVAILABLE UNAMIR AND IOM HAVE BEEN MUSTERED FOR THIS OPERATION. NO WARNING OR OTHER DETAILS HAVE BEEN PROVIDED TO THIS UNIT.

C. FIFTY BAGS OF MAIL ARRIVED TODAY AND THE TROOPS ARE HAPPIER THAN THEY HAV(BEEN FOR DAYS. THE FOLLOWING BAGS WERE RECEIVED:

(2) FROM DISPATCH 20 (AIR FRANCE) - BAGS 1 TO 32 INCLUSIVE

D. REQUEST INFO OM FUTURE MAIL BE FORWARDED TO THIS UNIT ASAP

E. REQUESTS FOR TENTAGE AND STORES FROM INDIVIDUAL NGO ARE INCREASING AS THE END OF OUR MANDATE APPROACHES. UNAMIR AND NGOS ARE BEING ADVISED NOT TO FORWARD REQUEST TO US. ENQUIRIES ARE BEING ADDRESSED TO UNAMIR HQ AND UNHCR.

P021

1. GENERAL: IN A RECENT VISIT LCOL SCOTT THE SMO OF OP LANCE BRIEFED THE PERSONNEL OF 2 FD AMB (RWANDA) ON THE PRACTICE OF MEDICINE IN AFRICA. HE PRAISED THE EFFORTS OF THE MED STAFF AND POINTED OUT THAT, DESPITE NOT HAVING A SURGICAL CAPABILITY, THIS WAS THE BEST MEDICAL FACILITY IN RWANDA. HE STRESSED THAT THIS IS THE ONLY HOSPITAL PROVIDING 24 HOUR A DAY NURSING CARE TO IN-PATIENTS (IN THE REST OF THE COUNTRY, PATIENTS ARE LEFT IN THE CARE OF THEIR FAMILIES, IF THEY HAVE A FAMILY, THROUGHOUT THE NIGHT). THIS IS ALSO THE ONLY FACILITY IN THE COUNTRY WITH A PHYSICIAN ON DUTY ON A 24 HOUR BASIS. IT IS ALSO THE ONLY FACILITY PROVIDING FOOD FOR ITS PATIENTS. THE THRUST OF HIS PRESENTATION WAS TO EMPHASIZE THAT REFERRING CASES TO OTHER HOSPITALS WAS NOT NECESSARILY THE BEST COURSE OF ACTION FOR OUR PATIENTS, THE EXCEPTION BEING THE REFERRAL OF THOSE PATIENTS REQUIRING EMERGENCY SURGERY.

2. MED COY SITREP:

A. THE BURN PATIENT (SITREP OF 25 AUG) IS DOING WELL AND WE ARE ABLE TO LOOK AFTER HIS CARE. TWO OF THE INFANTS CURRENTLY IN OUR NEW INCUBATOR HAVE BEEN DIAGNOSED WITH MARASMUS. ONE IS FIVE MONTHS OLD AND THE OTHER IS ONE MONTH OLD. BOTH ARE ON A CONTROLLED FEEDING

PROGRAM AND ARE DOING VERY WELL. THERE WERE THREE MINE OR GRENADE RELATED INJURIES TODAY. AT THE MARERU SITE AN ADULT MALE WAS TREATED FOR SHRAPNEL IN BOTH LEGS AND IS IN STABLE CONDITION. AS WELL, A 10 YEAR OLD BOY SUFFERED A TRAUMATIC AMPUTATION OF HIS RIGHT HAND AND SEVERE INJURIES TO HIS RIGHT LEG. HE HAS TRANSFERRED TO THE GERMAN SURGICAL TEAM IN GISENYI WHERE THEY ARE ATTEMPTING TO SAVE THE LEG. THE THIRD INCIDENT OCCURRED NEAR THE RUHENGARI HOSPITAL WHERE A 52 YEAR OLD WOMAN STEPPED ON A MINE IN A FIELD BEHIND THE HOSPITAL. SHE SUFFERED A TRAUMATIC LOSS OF HER LEFT LEG BELOW THE KNEEE AND WAS EVACUATED BY OUR STAFF TO UGANDA FOR TREATMENT. IN ADDITION WE ALSO TOOK AN ACUTE ABDOMINAL PATIENT FROM THE MSF TO UGANDA, HOWEVER, THIS PATIENT DIED ENROUTE DUE TO LONG DELAYS AT THE RWANDA-UGANDA BORDER. TODAY THE COY SCREENED 477 PATIENTS (MARERU 237, RUHENGARI 240), ADMITTED 15 AND DISCHARGED 11.
