

THE DEPUTY SECRETARY-GENERAL

5 March 2013

Dear Ms. Johansson,

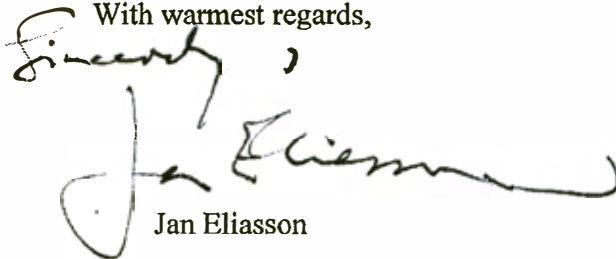

It was a true pleasure to meet you after your performance of "Cat on a Hat Tin Roof" on 19 January. You were superb as Maggie – although the Southern accent in the play sometimes was hard to follow for a European.

I write to follow-up on our conversation on how you could assist the United Nations if you find time and are interested. There are several good causes to promote, ranging from peace and security to human rights and development. This we can discuss – the weight and value of your name and person cannot be overestimated.

One issue which is of great importance and urgency is the water and sanitation crisis in the world. If you are interested in this problem after your Oxfam experience, you are more than welcome to join our efforts. Let us stay in contact. My assistant, Ms. Pim Valdre, can be contacted by email valdrep@un.org, or at 212 963 5059.

Let me also assure you that I am willing to help you and your family trace your roots in Sweden. We have excellent Lutheran Church records since the 17th century. As I said when we met: we need both roots and wings in life!

With warmest regards,

Jan Eliasson
