The Hague, 20 September 2013

Excellency,

The celebrations marking the 100th anniversary of the Peace Palace on 28 August 2013 were a great success. I wish to thank you deeply for your presence at the ceremony and the key-note speech with which you marked the occasion. Your presence emphasized the importance of the relation between the United Nations and the city of The Hague as the legal capital of the world.

I am very grateful for the beautiful presse-papier you sent me. With this letter I present you the first of the hand made commemorative plates, especially produced for this celebration.

I look forward to seeing you again in the near future.

Sincerely yours,

Toomas Van Hartsee
