Excellency,

Thank you very much for your warm welcome and the fruitful discussions that we had in New York City during the 69<sup>th</sup> Session of the United Nations General Assembly.

I very much appreciate your understanding of the situation in my country. As I conveyed in our discussions, Thailand remains committed to democracy and we are moving ahead with implementation of a roadmap towards a stronger and sustainable democracy.

My visit to the United Nations this time, though brief, strengthened my belief in the potential of the partnership between Thailand and the United Nations and the important role that the United Nations plays in addressing many of today's most pressing challenges. In particular, I wish to commend your strong personal leadership of the organization and the admirable dedication of your able staff around the world.

I look forward to working closely with you and welcoming you to Thailand in the near future.

Accept, Excellency, the assurances of my highest consideration.

I. Patimapragorn
