Madam Chief of Cabinet, *Dear Susana,*

I would like to express my sincere gratitude for your kind support during the 2015 NPT Review Conference.

In this connection, I profoundly regret the failure of State Parties to agree on the 2015 Draft Final Document which represents collective efforts aimed at enhancing the Treaty's regime encompassing both parts of the Review: the backward-looking -after 15 years-, and the future implementation of Treaty's provisions and measures going beyond the 2010 Plan of action adopted at previous Conferences, including the 1995 resolution on the Middle East.

Undoubtedly more concerted efforts are needed in order to mitigate the negative impact of this unexpected outcome above all, on the authority and integrity of the Treaty as well as on collective security and UN machinery on Disarmament.

In the meantime, I hope that the President's working paper of the 2015 NPT Review Conference, remains as a useful contribution to the next Review cycle.

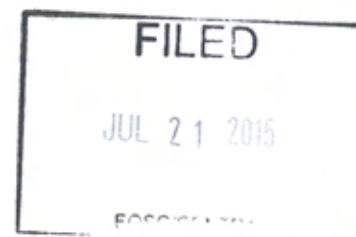

Warmest regards,

Taous Feroukhi,

President of the 2015 NPT Review Conference
