

THE SECRETARY-GENERAL

24 May 2012

Dear Ambassador Kim,

I would like to thank you for your generosity in hosting the dinner in my honour on 16 May 2012. I commend the Consulate General of the Republic of Korea for its strong support of the work of the United Nations and your personal leadership in this regard. The dinner brought together some of the most influential figures from private and creative sectors of the Korean community. In addition, the evening created an extraordinary opportunity to raise awareness of the Millennium Development Goals and especially to highlight the importance of women's and children's health through the Every Woman Every Child movement.

In this regard, the generous contribution of \$100,000 by Hana Bank and Korea Exchange Bank will help drive the implementation of the Every Woman Every Child movement which aims to save the lives of over 16 million women and children.

Every Woman Every Child recognizes that sustainable progress on women's and children's health requires concerted action from all sectors and stakeholders. All of us have a critical role to play in advancing women's and children's health around the world.

We know that significant progress is possible across all of the Millennium Development Goals. I look forward to deepening our partnership as we work in support of our common endeavour.

Please accept, Excellency, the assurances of my highest consideration.

김대사의 무궁한 발전을
기원합니다.

BAN Ki-moon

His Excellency
Mr. Kim Young-mok
Consul General of the Republic of Korea
New York
