000. GENERAL:

RECEIVED YOUR SITREP 10 NO. MUR29 DATED 04 MARCH 1994, THANK YOU.

AAA UGANDA/RWANDA BORDER STILL CLOSED AND CROSSING IS ON A CASE BY CASE BASIS. WE ARE IN THE PROCESS OF SECURING THROUGH NRA LIAISON OFFICERS A ONCE A WEEK ROUND TRIP BORDER CROSSING (WEDNESDAYS), FOR ADMINISTRATIVE PURPOSES ONLY. COORDINATION WITH UNAMIR STILL BEING ARRANGED.

BBB ALTHOUGH UNAMIR AND UNOMUR ARE LINKED ADMINISTRATIVELY IN ACTUALITY THEY ARE TWO SEPARATE MISSIONS IN TWO DIFFERENT COUNTRIES WITH TWO DIFFERENT MANDATES.

1) GIVEN THE PRESENT TENSIONS IN RWANDA, MATERIAL SENT TO UNAMIR, RWANDA BELONGING TO UNOMUR, UGANDA AND ITS STAFF I.E. MONTHLY PAYROLL STATEMENTS, P5'S, CORRESPONDENCE..., CANNOT BE QUICKLY RELAYED TO UGANDA; ITEMS HAVE TAKEN OVER THREE WEEKS TO REACH UNOMUR.

2) FAXES HAVE ALSO BEEN MISDIRECTED: LAST WEEK'S HQS NY WEEKLY LOGISTIC SITREP TO UNAMIR/UNAMIR WAS SENT TO UNOMUR AND UNOMUR IS MISSING MUR27 AND MUR28 IN FAX SEQUENCE, PLEASE RETRANSMIT.

3) TELEPHONE LINK WITH KIGALI IS ALSO NOT ASSURED. DURING RECENT PERIODS OF LOCAL TENSION IN KIGALI (I.E. INSTALLATION OF BROAD BASED TRANSITIONAL GOVERNMENT) NO CONTACT WAS POSSIBLE WITH UNAMIR HQS. AN INMARSAT A IS GREATLY NEEDED TO ASSURE CONSTANT COMMUNICATION.

4) GIVEN THE LACK OF EASY ACCESS, IT IS URGED THAT ANY ITEMS BELONGING TO STAFF POSTED IN UGANDA BE SENT TO UGANDA AND NOT/NOT TO KIGALI.

LETTER TO UGANDA

3/5

THE SECRETARY-GENERAL

13 August 1993

Excellency,

I have the honour to refer to resolution 846 (1993) of 22 June 1993 by which the Security Council has, inter alia, welcomed with appreciation the report of the Secretary-General on Rwanda contained in document S/25810 and Add.1 and decided to establish the United Nations Observer Mission Uganda-Rwanda (hereinafter referred to as "UNOMUR") to be deployed on the Ugandan side of the border. In the above-mentioned resolution, the Security Council further decided that UNOMUR shall monitor the Uganda/Rwanda border to verify that no military assistance reaches Rwanda, focus being put primarily in this regard on transit or transport, by roads or tracks which could accommodate vehicles, of lethal weapons and ammunition across the border, as well as any other material which could be of military use.

In order to facilitate the fulfilment of UNOMUR's purposes, I propose that your Government, in implementation of its obligations under Article 105 of the Charter of the United Nations, extend to UNOMUR, its property, funds and assets the status, privileges and immunities provided in the Convention on the Privileges and Immunities of the United Nations (the Convention).

In view of the importance of the functions which UNOMUR will perform, I propose that your Government extend to:

Dr. P.K. Ssemogerere
Second Deputy Prime Minister
and Minister for Foreign Affairs
of the Republic of Uganda
Parliamentary Building
P.O. Box 7048
Kampala, Uganda

..../

- the Chief Military Observer and other high ranking members of UNOMUR whose names shall be communicated to the Government the privileges and immunities, exemptions and facilities which are granted to diplomatic envoys in accordance with international law;

- Officials of the United Nations Secretariat assigned to serve with UNOMUR the privileges and immunities to which they are entitled under Articles V and VII of the Convention;

- Other persons assigned to serve with UNOMUR including the military observers, the privileges and immunities accorded to experts performing missions for the United Nations under Article VI of the Convention.

The privileges and immunities necessary for the fulfilment of the functions of UNOMUR also include:

(i) the unrestricted freedom of entry and exit without delay or hindrance of its personnel, property, supplies, equipment, spare parts and means of transport;

(ii) the unrestricted freedom of movement on land, bodies of water and air of personnel, property, supplies, equipment, spare parts and means of transport;

(iii) the exemption from all direct taxes, import and export duties and registration fees and charges;

(iv) the right to fly the United Nations flag on premises and vehicles as well as aircraft;

(v) the acceptance of United Nations registration of means of transport on land, bodies of water and in the air and United Nations licensing of the operators thereof; and

(vi) the right to unrestricted communication by radio, satellite or any other forms of communication including coded messages within the area of operations and to connect with the United Nations radio and satellite network, as well as by telephone, telegraph or any other means.

..../

It is understood that the Government of Uganda shall assist UNOMUR in acquiring land and premises as may be necessary for the accommodation and fulfillment of its functions. All such land and premises shall be inviolable and subject to the exclusive control and authority of the United Nations.

It is also expected that the Government of Uganda shall provide UNOMUR personnel, where necessary and upon request of the Chief Military Observer, with maps and other information including location of mine fields and other dangers and impediments which might be useful in facilitating its tasks and movements, it being understood that information on location of mine fields shall be provided subject to its availability to the Government. Furthermore, and in accordance with operative paragraph 4 of Security Council resolution 846 (1993), the Government of Uganda shall provide UNOMUR with such support and co-operation as may be necessary for the discharge of its mandate as well as for its safety and that of its personnel. The Chief Military Observer and the Government of Uganda shall take appropriate measures to ensure close and reciprocal military liaison.

If the above provisions meet with your approval, I would propose that this letter and the written confirmation of your acceptance of its provisions constitute an agreement between the United Nations and Uganda as required under Security Council resolution 846 (1993), before UNOMUR is fully deployed. This agreement may be terminated by either party upon written notice to the other and shall terminate one month from the receipt of such notice.

Accept, Excellency, the assurances of my highest consideration.

CMO/011

UNITED NATIONS | **NATIONS UNIES**

INTEROFFICE MEMORANDUM | *MEMORANDUM INTERIEUR*

336 2/3

(UNOMUR)

TO: Area East/Area West **DATE: 1 March 1994**

FROM: A/CMO **REF. NO: CMO/011/94**

SUBJECT: **Collection and Analysis of Information**

1. UNOMUR is assigned with the task of monitoring the Uganda/Rwanda border. With the political deadlock in Rwanda and the uncertainty of the future of RPF, tension is prevailing on the border. Unusual behaviour/negative attitude are noticed amongst personnel moving North and South in the recent past due to obvious reasons. This calls for a concerted effort on our part to develop our viable method of extracting information which may give some clue to analyse the pattern of movement and draw deductions.

2. Very often, UNMOs come across passengers with vehicles and loads or transporters crossing the border from either side. Some times they look to be just visitors. But in most cases they appeared to be motivated travellers engaged to serve some definitive purpose. It may be carrying loads or carrying messages to either side. In either cases, the UNMOs are required to know the details of the individual, his motive for crossing the border. The findings may not immediately have any apparent value to an UNMO. But it may be valuable to the next higher headquarters, who may discover its link with other findings from other sources/sectors. Thus may help higher headquarters to draw logical deductions. However, questioning a passenger to find out his motive is a technique and largely depends on the skill and style of an UNMO. Yet, the questionnaire at Annex A may serve as a guideline to the UNMOs as to how he should question such passengers/transporters:

3. After necessary evaluation of all answers and having a general study of his behavior pattern, the UNMO should be able to form a general impression about the individual, and his motive. The UNMO is required to note down his observations and forward comments to the next higher headquarters. This is a guideline, and the UNMO should feel free to adopt any method he feels suitable to obtain necessary information. With required inquisitiveness, keenness and logical thought process, one should be able to gather requisite information. It is to be remembered that, it is not the method but the information which is of vital interest to the higher Headquarters.

4. This is forwarded for information and necessary circulation to all UNMO's.

ANNEX A

SUGGESTED QUESTIONNAIRE

1. Name of the passenger and detail identify (check the passport if he is holding any).

2. Name of the place he is going to (try to find out the name of the locality).

3. Name of the place/places he is coming from (try to find out the name of the locality).

4. Purpose of the visit.

5. Profession of the individual (specifically look whether the visit has any link with his profession).

6. Other passengers travelling with him and his connection with them.

7. Period of stay to the place he is going to visit or have already visited.

8. Languages over which he is speaking/professing other than his original one (particularly observe whether he can speak both in English and French).

9. Details of loads he is carrying (if the carrying load is unusual for a normal passenger or does not tally his purpose of visit, ask him to clarify).

10. Is he possessing any purchase voucher of his load: if not why?

11. Is the load is reasonably excess for the requirement of his family? If so why?

12. Type of vehicle he is driving (documents of the vehicle may be examined through NRA/Custom staff to be sure whether he is the legal owner of the vehicle or not),

13. Does the type of vehicle suits his purpose of the visit? If not, ask for his reasons of driving such unusual vehicle.

14. Frequency of visit (tally it with passport, if he is holding any).

15. If the frequency of the visit is more and his profession does not warrant it, he may be asked to clarify it.

16. However, while questioning following points may also to be looked into very closely.

    a. General outlook of the person,
    b. Way of talking and ability to express,
    c. State of personality,
    d. General reaction in giving answer of different questions (calm, quite, slow, quick, arrogant, polite etc.)
