Note to the Secretary-General
(through Mr. Nambiar)

Policy Committee Meeting on 18 January

1. Please find attached the submission paper, together with talking points, for the Policy Committee meeting on 18 January on the Middle East Peace Process.
2. The paper seeks to clarify strategic questions facing you on the Middle East Peace process and set out the different options favored by your key Middle East advisors. It is longer than usual (7 pages) due to the need to capture the differing views of the various advisors.
3. Given the preliminary nature of this discussion, I don't think you should feel bound to take decisions at the table. Rather, you may want to draw everyone out on their positions and let them know you will be making decisions in due course.
