REPORT OF THE SECRETARY-GENERAL ON THE UNITED NATIONS ASSISTANCE MISSION FOR RWANDA

I. INTRODUCTION

1. The present report is submitted pursuant to Security Council resolution 1029 (1995) of 12 December 1995, in which the Council decided to adjust the mandate of the United Nations Assistance Mission for Rwanda (UNAMIR) and to extend it for a final period until 8 March 1996. The report covers the main developments in Rwanda since my report of 30 January 1996 (A/50/868-S/1996/61) and outlines possible options regarding the United Nations role after 8 March 1996.

II. POLITICAL DEVELOPMENTS

2. Since my last report, relative calm and stability have continued to prevail throughout Rwanda, with the exception of areas bordering Zaire. In those areas the situation is tense as a result of an increase in the level of insurgent activities by elements of the former Rwandese Government Forces (RGF). The important progress achieved by Rwanda since the end of the civil war and genocide in July 1994 is apparent from the following statistics: agricultural production has reached 82 per cent of pre-war output; child immunization, sanitation, urban water supply and healthcare, 80 per cent; industrial production, 75 per cent; while public transport, primary schools and university education are above 60 per cent.

3. However, there remain a number of outstanding issues that need to be addressed with the support of the international community. These include the return and resettlement of 1.7 million refugees, progress towards national reconciliation, the revival of the national judicial process, improvement of prison conditions, effective measures to curb destabilization activities by the former RGF and the equitable disbursement of aid. The prospect of the UNAMIR withdrawal after 8 March 1996 has also caused representatives of some international organizations in Rwanda to express concern about their safety, in particular after the expulsion of 38 non-governmental organizations and an incident, albeit isolated and immediately acted upon by the Government, in which

three members of the International Tribunal were assaulted by a Rwanda Patriotic Army (RPA) guard unit.

4. During the past two months, there has been a marked increase in insurgent actions carried out by former RGF elements, in particular in the north-western prefecture of Gisenyi. The most important was the sabotage on the night of 2 February 1996 of the electricity power line and water intake to the local brewery in Gisenyi. According to the Government of Rwanda, a large number of infiltrators have been sent into Rwanda to coordinate insurgent activities, as a result of which patrolling by the RPA has increased in the belt adjacent to the border with Zaire.

5. During the period under review, the former Heads of State of Mali and the United Republic of Tanzania, General Amadou Toumani Touré and Mr. Julius Nyerere, facilitators of the Cairo summit of Heads of State of the Great Lakes region in November 1995 (see S/1995/1001), visited Rwanda and other countries in the region to monitor steps being taken in pursuance of the recommendations adopted at that meeting. These visits have contributed to an improvement in Rwanda's relations with Zaire and the United Republic of Tanzania. According to the Vice-President of Rwanda, Major-General Paul Kagame the recent exchanges of visits between Zaire and Rwanda have promoted the normalization of relations. The handover by Zaire on 13 February of military equipment belonging to Rwanda and removed by the former RGF is seen as a step forward in the improvement of bilateral relations, as recommended at the Cairo summit.

6. One of the factors that discourage refugees from returning to Rwanda continues to be the non-functioning of the justice system. Although some constitutional changes have been introduced to allow for the adoption of special procedures to deal with the cases of those suspected of crimes related to the genocide, no trials have yet taken place. The Minister of Justice has recently declared that the first trials will start in April. Meanwhile, the number of detainees has continued to rise, reaching the figure of 65,515 at the end of January. Despite serious overcrowding, conditions in prisons have slightly improved through the construction of new detention centres (see sects. III and VI).

7. On 19 February 1996, the International Criminal Tribunal for Rwanda announced the indictment of two persons, currently in the custody of the Zambian authorities, on charges of genocide and crimes against humanity. Warrants of arrest were sent to the Zambian authorities with a request to hold the accused until such time as detention facilities were available in Arusha. Temporary arrangements are now being made for the detention of persons awaiting trial pending the construction of permanent detention facilities. Following the termination of the UNAMIR mandate, security arrangements for the Office of the Prosecutor will need to be agreed between the Tribunal and the Government of Rwanda.

8. As regards relations between the Government of Rwanda and UNAMIR, several issues remain to be resolved. In paragraph 7 of its resolution 1029 (1995), the Security Council requested me to examine, in the context of existing United Nations regulations, the feasibility of transferring UNAMIR non-lethal

equipment, as elements of UNAMIR withdrew, for use in Rwanda. In a letter dated 13 February 1996, the President of the Council also asked me to exert flexibility in the disposition of UNAMIR equipment (S/1996/103). Accordingly, I will shortly submit recommendations to the General Assembly regarding UNAMIR equipment that, in the context of the liquidation process, can be released for use in Rwanda. I trust that, in the meantime, there will be no obstacles to the transfer of equipment needed in other peace-keeping operations.

9. As mentioned in my last progress report, I dispatched a team of experts to Kigali to discuss with government officials other issues of common concern to the United Nations and the Government of Rwanda, such as liability for corporate taxes by United Nations contractors operating in support of UNAMIR. The United Nations insisted that United Nations contractors and their expatriate personnel should be exempt from host country taxation on the grounds that they have been engaged solely to provide logistic support services, distribution of rations to the various components of the Mission and air and land transportation in support of UNAMIR activities. In the course of the discussions, the United Nations delegation received assurances that the Government would not insist on imposing taxes with respect to UNAMIR contractors. For its part, the United Nations agreed that social security taxes for locally recruited employees of contractors were payable to the Government of Rwanda, in accordance with national legislation. The United Nations also indicated its willingness to pay, as appropriate, charges for communication services used by UNAMIR and other United Nations agencies in Rwanda, since these were charges for public utility services, in accordance with the provisions of the Convention on the Privileges and Immunities of the United Nations.

III HUMAN RIGHTS

10. The Human Rights Field Operation in Rwanda (HRFOR) has established a presence in all but one of Rwanda's 11 prefectures and developed relationships with the authorities, including the security forces. The human rights officers contribute to the prevention of human rights violations and to appropriate investigation and action. The Field Operation systematically presents information regarding reported human rights violations to the competent ministries. The Ministry of Defence, which is responsible for the National Gendarmerie as well as for the RPA, has established formal liaison channels with HRFOR at the national and local levels. The information resulting from the Operation's own investigations, together with the Government of Rwanda's response, is reported to the United Nations High Commissioner for Human Rights and made available to the Special Rapporteur on Rwanda.

11. Conditions of detention are one of the most serious aspects of the current human rights situation. They form an important subject of the overall monitoring, dialogue with the authorities and reporting by HRFOR. In seeking to redress violations of the human rights of detainees and to improve conditions of detention in accordance with international human rights standards, HRFOR coordinates its work with that of the International Committee of the Red Cross (ICRC). HRFOR plans to give high priority, as the judicial system becomes operational, to promoting a reduction in the numbers of those detained without charge or trial.

12. HRFOR assesses the state of readiness of home communes to receive returnees and assists those communes in the resettlement process. The Office of the United Nations High Commissioner for Refugees (UNHCR) has expressed its concern that the presence of human rights field officers in the receiving prefectures and communes should be maintained and strengthened so that HRFOR can continue to provide information on the state of readiness in communes that may receive returnees and assist in their resettlement and reintegration.

13. Following the appointment of a new Chief of HRFOR in October 1995, the High Commissioner for Human Rights has reviewed the priorities of the operation for 1996. The conclusions have been shared with the Government of Rwanda and with those Governments which have provided voluntary contributions to the Trust Fund for HRFOR. The Government of Rwanda has made clear its wish to have the presence of HRFOR maintained after the mandate of UNAMIR expires. I believe that HRFOR must continue to constitute an important element of the United Nations presence in Rwanda beyond 8 March 1996.

14. However, the High Commissioner has faced great difficulties in securing sufficient voluntary contributions to fund HRFOR. In mid-November 1995, he drew these difficulties, and their adverse implications for the management of the operation, to the attention of the General Assembly. In its resolution 50/58 L of 22 December 1995, the General Assembly recognized the valuable contribution that the human rights officers have made and requested me to take appropriate steps to ensure adequate financial and human resources and logistical support for HRFOR.

15. The request for regular budget funding for HRFOR was not approved by the General Assembly at its last session. The High Commissioner was therefore obliged to donors in January 1996 for additional voluntary contributions. He has so far received pledges of some $2.5 million, available to fund HRFOR beyond its current financial allotment covering the period to 31 March 1996. However, the High Commissioner is committed to reimbursing a $3 million loan that he received from the Central Emergency Revolving Fund in order to start operations in September 1994 and financial requirements for the period from 1 April to 31 December 1996 are estimated at approximately $7 million, based on a staffing of 120, of whom 80 would be United Nations Volunteers. Additional funding to enable HRFOR to meet its administrative, logistical, communications and security needs will also be required following the withdrawal of UNAMIR.

16. The High Commissioner has asked me to draw the attention of the Security Council and the General Assembly to the fact that, unless sufficient voluntary funds can be secured in the very near future, he will not be able to maintain a field operation with human rights officers deployed throughout the prefectures of Rwanda and will have to close down HRFOR. I share his view that it would be most regrettable if this closure has to occur before a major return of refugees has taken place, the Rwandan justice system is functioning adequately and national institutions are better able to promote and protect human rights.

IV. MILITARY AND SECURITY ASPECTS

17. In accordance with the provisions of the current mandate, the reduction of the UNAMIR force level to 1,200 formed troops and 200 military observers and headquarters staff was achieved by early February. Some adjustment had to be made to the original projections of reduction of personnel as a result of the decision taken by Canada to withdraw its contingent with effect from 2 February 1996. The removal of the force logistics support unit at this late stage has placed some strain on the Mission, with the result that the functions of that unit have had to be contracted out or terminated.

18. As stated in my last progress report, two logistic elements have been deployed at Nyundo, near Gisenyi, and Shagasha, near Cyangugu, in order to allow UNAMIR to assist UNHCR in the refugee repatriation process. All other formed troops are deployed in the Kigali area, although some elements have been made available to ensure security at the communications site on Mount Karongi and for the protection of members of the International Criminal Tribunal working at Kibuye, in western Rwanda. The troops stationed in Kigali contribute to the security of the Tribunal, provide humanitarian assistance, protect United Nations property and assist in rehabilitation and the repair of infrastructure Military observers are deployed in five sectors, with their regional headquarters at Kibungo, Gitarama, Butare, Cyangugu and Gisenyi respectively (see map).

19. UNAMIR has continued to assist the Government of Rwanda in facilitating the safe and voluntary return of refugees to their home communes. When the Burundi authorities closed the camp of Ntamba in the first week of February, UNAMIR troops and military observers, working in support of UNHCR and other agencies, provided assistance to resettle the returnees. Tasks performed by UNAMIR have included the construction and improvement of transit camps, transportation on behalf of United Nations agencies and other partners, and engineering work, including road and bridge repair. UNAMIR assisted the RPA in transporting a number of weapons systems and major pieces of equipment belonging to Rwanda, which were returned by Zaire on 13 February. Military observers have continued to patrol and monitor the situation. However, the reduction in the number of military observers has curtailed the Mission's reporting and investigation capabilities.

20. Pursuant to resolution 1029 (1995), which requires that UNAMIR be withdrawn within six weeks of the end of the mandate, a liquidation plan has been drawn up. It is expected that the last military elements will have withdrawn by mid-April and that staff officers will leave shortly thereafter. An adequate level of security troops will be maintained until mid-April, at which time all installations will be turned over to other United Nations agencies or to the Government of Rwanda.

V. HUMANITARIAN DEVELOPMENTS

21. The humanitarian situation in Rwanda continues to warrant a centralized coordination structure, given the challenge to be confronted with the return and absorption of refugees and internally displaced persons. The present authority

for the coordination of humanitarian assistance rests with the United Nations Humanitarian Coordinator/Resident Coordinator, who is supported by a small Department of Humanitarian Affairs office. Under his authority an overall contingency plan is being prepared, should mass repatriation of refugees from Zaire occur. However, funding for the Office of the Humanitarian Coordinator remains a problem and this may require adjustments to the coordination structure in the future.

22. UNHCR, Rwanda and the countries hosting some 1.7 million Rwandan refugees, namely, Zaire, Burundi and the United Republic of Tanzania, have made a concerted effort to accelerate the voluntary return of refugees. During the period under review, the number of refugees returning to Rwanda rose considerably. From an average of around 5,000 a month through much of 1995, January 1996 saw the number of returnees increase to more than 14,000. In the first three weeks of February alone, refugee returns topped 20,000.

23. The pace of return from the countries of asylum, however, has not been uniform. Following intensive discussions among Zaire, Rwanda and UNHCR to implement decisions taken by the Tripartite Commission at its meeting in December 1995, which included a proposal for targeted voluntary repatriation leading to the closure of camps, an operation launched by Zaire began on 13 February. However, the number of refugees returning from Zaire remains very low.

24. On the other hand, refugee returns from Burundi have increased dramatically in February in the wake of fighting in the northern part of the country, which emptied two Rwandan refugee camps. Following the abandonment of the Ntamba camp in Burundi by some 14,000 refugees fearing the spread of ethnic fighting, on 27 January a delegation led by Rwanda's Minister for Rehabilitation and Social Integration visited Ntamba to urge refugees who had returned to the camp to go back to Rwanda. Members of the Burundi/Rwanda/UNHCR Tripartite Commission and a second delegation from Rwanda also made efforts to persuade those remaining to repatriate rather than follow the bulk of the camp's residents into the United Republic of Tanzania. As a result, more than 4,400 Rwandans decided to repatriate during the first two days of February and the camp was subsequently closed.

25. During the fourth meeting, held at Bujumbura on 29 and 30 January 1996, the Burundi/Rwanda/UNHCR Tripartite Commission decided to have the remaining camps in Burundi progressively closed, starting with those nearest the border with Rwanda. The Commission expressed the hope that all remaining Rwandan refugees in Burundi would have repatriated by July, and all the camps closed. Those refugees who decide not to return will be transferred farther away from the border areas inside Burundi.

26. The number of returnees from the United Republic of Tanzania also showed a significant rise in February. A delegation from Rwanda and the United Republic of Tanzania led by the Rwandan Prime Minister, Mr. Pierre Rwigema, held meetings with Rwandan refugees in the United Republic of Tanzania. An attentive audience of more than 10,000 people in the Benaco camp listened for three hours as he discussed the situation in Rwanda and answered questions on security and

property. Over 500 people repatriated during the week of 12 to 16 February, more than during the preceding months combined.

27. An estimated 1.1 million Rwandan refugees remain in Zaire, 511,000 in the United Republic of Tanzania and 97,000 in Burundi - taken together, ... of the world's largest refugee populations. UNHCR, responsible for their protection, assistance and repatriation, is facing a serious financial problem in the Great Lakes region. Among programmes likely to be affected by the Office's difficulties in generating the $288 million it needs in 1996 are rehabilitation and other projects associated with the repatriation and reintegration of refugees. The construction of 30,000 shelters, latrine buildings and a supply of potable water, as well as the distribution of non-food items to returnees and activities carried out by non-governmental organization partners, may have to be curtailed or abandoned if the current trend continues.

28. In an attempt to launch a series of projects to repair damage to the environment and infrastructure in countries hosting Rwandan refugees, UNHCR and the United Nations Development Programme (UNDP) proposed a $70.5 million programme on 24 January. The projects, presented at a donors meeting at Geneva, are the result of one of the decisions taken during the Conference on Assistance to Refugees, Returnees and Displaced Persons in the Great Lakes Region, held in February 1995 at Bujumbura.

29. On 6 December 1995, 38 non-governmental organizations were requested by the Ministry of Rehabilitation and Social Integration to cease operation (19 of them had already left the country), leaving behind 114 non-governmental organizations still operating. In a letter addressed to the non-governmental organization community, the Ministry regretted the misinterpretation of the expulsion as general hostility to all non-governmental organizations and stated that the reasons for this action included the involvement of non-governmental organizations in activities incompatible with their mandate, which affected the security of the country, and unethical behaviour such as selling of relief goods. The Ministry said it fully appreciated the work of the remaining non-governmental organizations and assured them of the Government's commitment to continue its close collaboration with them.

30. The percentage of people receiving food aid through targeted distributions in Rwanda remained low during the reporting period. The emphasis of the World Food Programme (WFP) is now on food-for-work directed towards rehabilitation and development programmes, representing 62 per cent of all food aid distributed. In addition, WFP provided food to over 7,500 children in January.

31. The United Nations Children's Fund (UNICEF), through its trauma recovery programme, began recruiting 11 new trauma advisors to collaborate with 11 others already working in the prefectures. In 1996 training will focus on teachers and medical workers as they have the most direct contact with traumatized children.

VI. REHABILITATION, RECONSTRUCTION AND DEVELOPMENT

32. On the first anniversary of the Geneva round-table conference, disbursements by donor countries reached $404 million, representing nearly

70 per cent of pledges made by donors in January 1995. Donors' disbursements accelerated over the last quarter of 1995, which contributed to a stabilization of the exchange rate, a lower rate of inflation and a significant increase in foreign exchange reserves, bringing Rwanda's current import coverage to 5.1 months. Preparations are under way for the 1996 round table, due to be held on 2 and 3 May at Geneva. Three working groups have been established to focus on the Government's priority areas: justice and security, capacity-building and the transition from humanitarian assistance to development. Documents outlining their strategies on each of these topics are being prepared by various Ministries, with the support of UNDP, UNICEF and WFP.

33. With regard to the justice system, the Ministry of Justice has communicated its revised plan for the UNDP "Rehabilitation of the justice system" project. The plan proposes the recruitment of 10 legal advisers to assist in the establishment of "special chambers" to handle genocide cases, which must be viewed in the light of the recommendations made by the Conference on Genocide held at Kigali in November 1995. It further contemplates providing enhanced remuneration for over 1,000 judicial personnel in order for the Ministry of Justice to attract qualified staff. The project will also provide equipment for the public prosecutor's office and tribunals in the prefectures

34. An extension to Cyangugu prison, a site experiencing acute overcrowding, will be financed through a project recently approved by the Government and UNDP ICRC began installing water/sanitation and kitchen facilities in two warehouses in Byumba and Kibungo that will serve as temporary detention sites. UNDP is building security perimeters at these sites and construction work continued on three others in Kigali and Byumba. Despite these improvements, overcrowding in several prisons and most other places of detention remains a matter of serious concern.

35. Capacity-building activities have continued during the reporting period. Phase II of the Rwandan Communal Police Training Programme signed by the Ministry of the Interior and UNDP on 18 January 1996 will fund training for a third group of 750 cadets at the training facility in Gishari and provide for the construction of living quarters for police in 100 communes. In a joint programme with UNDP, WFP is providing food for communal police trainees and continues to assist the training centre for gendarmes in Ruhengeri.

36. In the health sector, various efforts were undertaken by WHO and UNICEF to provide equipment and supplies to hospitals and to rehabilitate health centres Work on two hospitals in Gikongoro and Cyangugu and three health centres in Butare is expected to begin in early March. These efforts concentrated on training and education with regard to preventive measures on disease and nutrition. To improve the quality of teaching in primary schools, UNICEF has been financing the in-service training of 5,600 underqualified teachers. The programme, which also includes instruction in landmine and cholera awareness, is now in its final stages. UNICEF also continues to provide technical assistance and logistical support to the Government of Rwanda in its efforts to assist children in especially difficult circumstances. The Ministry of Justice, in collaboration with UNICEF, has decided to expand the "Children in conflict with the law" project to include legal defence for children claiming property left by their deceased parents. UNICEF and the United Nations Educational, Scientific

and Cultural Organization (UNESCO) are collaborating with various government ministries in the elaboration of strategies for reintegrating child detainees into the Rwandan school system.

37. As reported in December (see S/1995/1002), agricultural production in Rwanda is recovering beyond initial estimates. According to the Food and Agriculture Organization of the United Nations (FAO)/WFP crop survey for the 1996-A season and the food needs assessment report published in January, the area under cultivation in Rwanda increased by 14 per cent over the 1995-A season. The report estimates the aggregate food production for the 1996-A season as 24 per cent higher than the 1995-A season. The largest problem facing farmers remains the low availability of agricultural inputs.

VII. FINANCIAL ASPECTS

38. In its resolution 50/211 of 23 December 1995, the General Assembly appropriated an amount of $32,324,500 gross for the financing of the Assistance Mission for the period from 1 January to 8 March 1996.

39. Pursuant to the Security Council's request to initiate planning for the withdrawal of UNAMIR within a period of six weeks after the expiry of its mandate, I intend to seek the resources required for the withdrawal from the General Assembly at its forthcoming resumed fiftieth session. In addition, should the Council choose any of the options described in the present report for a continuing political or military presence of the United Nations in Rwanda, I shall request the Assembly at its resumed session to provide the resources required for its implementation.

40. As at 15 February 1996, the total outstanding contributions to the UNAMIR special account from the inception of the Mission to 8 March 1996 amounted to $84.5 million and the total outstanding contributions for all peace-keeping operations stood at $1,891.6 million.

VIII. CONCLUSIONS AND OBSERVATIONS

41. When Rwanda emerged from civil war and genocide with the establishment of the Government of National Unity on 19 July 1994, conditions in the country were nothing short of disastrous. There was no administration, no functioning economy, no judicial or education system, no water or electricity supply and no transport; the population, moreover, was still in a state of profound shock.

42. Today, conditions in Rwanda are returning to normal, though a significant portion of the population are still refugees or displaced persons. This progress has been achieved essentially through the efforts of the people of Rwanda. But UNAMIR, other United Nations and international agencies and non-governmental organizations have worked with the Government to restore basic infrastructures and to rehabilitate vital sectors of the economy. UNAMIR engineers have participated in the construction of transit camps for returning refugees. Its Civilian Police Unit has assisted in the establishment and training of a new gendarmerie and communal police. Its specialized units have

helped clear mines. In cooperation with United Nations agencies and non-governmental organizations, UNAMIR has assisted orphans, moved to reopen schools and contributed to the rehabilitation of health care and sanitation facilities. It has also provided humanitarian assistance and helped to ease the appalling prison situation. UNAMIR by its presence has provided a sense of security and confidence to the representatives of United Nations agencies, intergovernmental institutions and non-governmental organizations who, throughout the country and sometimes under very difficult circumstances, have worked for the recovery of Rwanda.

43. In my report of 30 January 1996 (S/1996/61) I repeated the view that the United Nations would still have a useful role to play in Rwanda after the expiry of the mandate of UNAMIR on 8 March 1996. On 31 January, my Special Representative briefed the Security Council in informal consultations about various options for a post-UNAMIR presence which he would be discussing with the Rwandan authorities. He mentioned three such options:

(a) The retention of a small political office to support the Rwandan Government's efforts to promote national reconciliation, strengthen the judicial system, facilitate the return of refugees and rehabilitate the country's infrastructure;

(b) The retention of a political office on the above lines, plus a military component consisting of military observers to monitor the return of refugees, specialized units to provide logistic support for their return and formed troops to ensure security for the logistic units;

(c) The establishment of a regional office with responsibilities for promoting peace, stability and development in the Great Lakes region as a whole.

44. In her letter to me of 13 February 1996 (S/1996/103), the President of the Security Council said that the members of the Council concurred with my observation that the United Nations still had a useful role to play in Rwanda and encouraged me to undertake consultations on the appropriate nature of that role after 8 March 1996. My Special Representative has since explored the above options with the Rwandan authorities. However, the latter have not requested that any of the options should be recommended to the Security Council and have continued to express strong reservations about the retention of United Nations troops in Rwanda after the expiry of UNAMIR's current mandate.

45. Despite the significant progress towards normalcy in Rwanda reported above, the relative peace now prevailing in that country will be under constant threat as long as more than 1.5 million refugees are camped along its borders. The presence among these refugees of numerous elements of the former Rwandan army together with organized militias adds to this threat. While intimidation by these armed elements plays an important role in discouraging repatriation, the reluctance of the refugees to return to their homes is motivated to a high degree by concern about security conditions inside Rwanda. It is my belief that in these circumstances the deployment of United Nations military personnel, particularly in those areas to which large numbers of refugees are expected to return, could speed up the process of return both by building confidence and by providing much-needed logistic support. I am convinced, therefore, that Rwanda

/...

could benefit greatly from a further phase of United Nations support to help consolidate peace and security.

46. However, any of the three options presented in paragraph 43 above would require the consent of the Rwandan Government and that consent has not been forthcoming. I regret, therefore, that there appears to be no alternative, in the present circumstances, to the complete withdrawal of all the civilian and military components of UNAMIR after 8 March, on the basis of the plans already prepared in accordance with paragraph 5 of resolution 1029 (1995). Notwithstanding UNAMIR's withdrawal, the programmes, funds, offices and agencies of the United Nations system, as well as the human rights officers and the International Tribunal, will remain in Rwanda to carry out their various mandates, with coordination being assured through the standard United Nations arrangements.

47. In concluding this final report, I wish to record my warm appreciation to my Special Representative, Mr. Shaharyar Khan, to the last UNAMIR Force Commander, Major-General G. Tousignant, and to the current Acting Force Commander Brigadier-General Shiva Kumar, all of whom have demonstrated the highest qualities of leadership. I am also deeply grateful to all the men and women, civilian and military, including staff of United Nations agencies and programmes and non-governmental organizations, who have devoted themselves to translating into reality the commitment of the United Nations to the people of Rwanda.

NOTE VERBALE

SRSG/NV/056/96

La Mission des Nations Unies pour l'Assistance au Rwanda (MINUAR) présente ses compliments au Ministère des Affaires Etrangères et de la Coopération Internationale de la République Rwandaise et a l'honneur de recourir à son obligeance accoutumée dans l'affaire suivante :

L'Ambassadeur du Rwanda au Zaire a sollicité par téléphone l'assistance de la MINUAR pour le transport d'hélicoptères de l'aéroport de Kindu (Zaïre) à Kigali.

En vue de lui permettre de prendre une décision en la matière, la MINUAR souhaiterait avoir les données techniques suivantes :

a) le type et le nombre d'hélicoptères à transporter ;

b) les dimensions de ceux-ci (longueur, largeur et hauteur) ;

c) leur poids respectif ;

d) si ces hélicoptères ont déjà été conditionnés pour le transport par avion, à savoir si les pales, les mâts et les antennes radios ont été déjà démontés et si les réservoirs ont été vidés ;

e) si du matériel de roulage est disponible sur place pour le déplacement terrestre de ces hélicoptères ;

.../...

et de la Coopération Internationale

f) si des équipements de manutention adéquats sont disponibles à l'aéroport de Kindu ;

g) dans le cas où il y aurait également des pièces de rechange à transporter, si ces pièces ont été déjà emballées de façon appropriée et si une liste des colis correspondants est disponible avec une indication de leurs dimensions et de leur poids respectif;

h) si l'aéroport de Kindu peut accueillir un avion du type C-130 ; à cet égard, il serait utile de connaître la longueur de la piste.

La MINUAR serait reconnaissante au Ministère de bien vouloir lui faire parvenir ces informations à sa plus proche convenance.

En vue de s'assurer de la situation sur le terrain, il serait souhaitable que le Gouvernement du Rwanda, en coopération avec le Gouvernement du Zaïre prenne les dispositions nécessaires pour qu'un hélicoptère de la MINUAR puisse se rendre à l'aéroport de Kindu pour vérifier l'état des hélicoptères et de l'aéroport. Cette évaluation devrait permettre à l'Hercule C-130 de la MINUAR de se rendre sur place, au besoin avec les experts et les équipements nécessaires, pour ramener les hélicoptères.

La Mission des Nations Unies pour l'Assistance au Rwanda remercie le Ministère des Affaires Etrangères et de la Coopération Internationale de la République Rwandaise de son aimable coopération et saisit cette occasion pour lui renouveler les assurances de sa haute considération./.

Subject: SITREP ON MOVEMENT OF 95CMSG COE AS AT 061100ZFEB96

1. Find below the details explaining the current situation with the clearance and eventual movement of COE for 95 CMSG:

a: the updated In and Out Survey of COE for 95 CMSG was eventually accepted by the RPA LO, HQ UNAMIR on Fri 02 Feb 96;

b. On Fri 02 Feb 96, MCC arranged for a customs rep to be available for checking the COE on Tue 06 Feb 96;

c. On Sat 03 Feb 96, MCC attempted to contact RPA LO to ensure a Gendarmerie would be available on Tue 06 Feb 96 for checking the COE. The RPA could not be contacted;

d. On Mon 05 Feb 96, the RPA LO was contacted and agreed to have a Gendarmerie available for the checking at 0900hrs on the Tue 06 Feb 96;

e. After much running around both the Customs rep and the Gendarmerie were both at Trafipro at 1100hrs to commence the checks;

f. On arrival at Trafipro, the MCC rep Mr Erich Ball was advised that all boxes stuffed into the 20' ISO containers were to be removed, each box opened and all items identified and counted;

g. Mr Ball contacted myself at which time I contacted the RPA LO and asked for an explanation. I explained to him that this had never been done before and that the usual practice was that the Gendarmerie accepted the packing lists and if they were interested in a particular box then we would open that box. I also advised the RPA LO that if this was the new procedure why didn't he give us a Gendarmerie prior to the containers being stuffed. I received no answer;

3/4

h. Even though the new procedures would cause major problems, the MCC advised the Gendarmerie that they would de-stuff the containers and that work would recommence at 1400hrs. The Gendarmerie advised that they would not work this afternoon and that they would possibly be available tomorrow, Wed 07 Feb 96;

i. I went to see the RPA LO in his office to clarify the situation and request that the Gendarmerie work this afternoon. The RPA LO, asked "how could be check all the items unless we opened all the boxes". I advised that we had never had to do this before and asked why had the procedures changed. The RPA LO, said he didn't know the other procedures and that this was the way it was to be done.

j. The MCC agreed to the new procedures and asked that the Gendarmerie work today. The RPA LO advised that his men were too busy running up and down and could not assist us. I then departed his office advising that I would request assistance from higher authorities.

2. It is important to note, that the Gendarmerie have never asked us to open up boxes already stuffed in containers. Also I had previously asked for a Gendarmerie to monitor the stuffing of the containers, I was advised that this was not necessary and that the Gendarmerie would check the containers when packed.

3. The boxes in the containers are banded, wired or nailed shut. The packing lists shown to the RPA list all items packed in the container. If we are to de-stuff all the containers and open all the boxes as requested by the Gendarmerie, this will take a minimum of ten working days to complete.

4. For CMOVCON, it is understood a Freight Forwarder has been accepted and that the trucks are ready to be loaded. Without seeing the contract, I believe it will be unacceptable to have the trucks just waiting idle until the items are cleared for movement? Please advise the latest date for loading/departure.

5. At this stage it appears that the RPA are being very un-cooperative and are causing major delays in the movement of COE. We will however, attempt to convince the RPA LO to follow the previous procedures by only opening up one or two boxes per container.

6. I will keep all addressees informed. For your information.

UNDP has verified that the services have been carried out. UNAMIR in the meantime has paid the amounts owed out of the DHA funds deposited in the UNAMIR New York Bank Account.

2. In the meantime, the CAO has suggested that in order to expedite and honour these payments, and in view of the ongoing UNAMIR's liquidation process, the best solution would be for UNAMIR to transfer the funds to UNDP as executing agency and relieve our Financial Section from the reporting and other obligations related with the administration of such funds.

SUBJECT: Rwanda Prisons Project	

The Department of Humanitarian Affairs has transferred $260,000 to UNAMIR as the implementing agency for DHA's Rwanda Prisons Project. Those funds are being held in UNAMIR's bank account in New York, and no disbursements have been made from them.

Since discussions about UNAMIR being the implementing agency began, the Security Council voted for only one more mandate period for UNAMIR, with that mandate period expected to be followed by a short liquidation period. Therefore, UNAMIR no longer seems to be the optimum UN agency in Kigali through which DHA should conduct this project.

We propose that UNDP in Kigali replace UNAMIR as the implementing agency, that UNAMIR be requested to transfer the full $260,000 to an account of UNDP, and that UNAMIR be released from any reporting or other obligations arising under the implementing agreement with DHA for this project.

If you agree, then please send UNAMIR a FAX to that effect and include the bank and account number to which the $260,000 should be transferred.

Thank you and regards.

JOINT MEETING BETWEEN THE RWANDESE GOVERNMENT AND UNAMIR HELD ON 10 JANUARY 1996

The following were present:

Government

Mr. Claude Dusaidi	Office of the Vice-President
Mr. Sam Nkusi	Ministry of Transport and Communication
Maj. Musho Frank Kamanzi	Ministry of Defence
Maj. Kayitare Kamarade	RPA Liaison Officer
Mr. Musoni James	Ministry of Youth & Cooperation
Mr. Bagambik Felix	Ministry of Foreign Affairs

UNAMIR

Ambassador Shaharyar M. Khan	Special Representative of the Secretary-General
Brig. Shiva Kumar	Acting Force Commander
Mr. Bill Clive	Acting Chief Administrative Officer
Ms. Isel Rivero	Special Assistant to SRSG
Mr. M. Ncube	Legal Officer

Mandate

1. The SRSG openned the meeting by outlining UNAMIR's withdrawal schedule which was proceeding on time. The Acting Force Commander supplemented the information in greater detail and indicated that a platoon was presently providing protection to Tribunal personnel in Kibuye. Mr. Dusaidi stated that consultations concerning security provisions for the Tribunal needed to take place with the Government of Rwanda as spelled out by the Security Council. The SRSG indicated that Mr. Goldstone would be arriving in Kigali on 11 January and would be apprised of Mr. Dusaidi's concern. He added that he had already requested the International Tribunal to prepare security contingency plans to replace UNAMIR which would withdraw on March 8.

Equipment

2. SRSG informed Mr. Dusaidi of the latest instructions received from New York on this issue as contained in Mr. Beissel's telegramme of 3 January 1996, paragraphs 4 (a), (b), (c) and (d), copy attached as Annex A. He reiterated that a decision by the General Assembly was required regarding disposal of United Nations equipment if a departure from existing guidelines was being sought. SRSG also informed Mr. Dusaidi that lethal, leased, and contingent owned equipment

was not part of the available pool. In addition, SRSG repeated that equipment items required by other peace keeping operations were prioritized to leave Rwanda as requested by New York. He reassured Mr. Dusaidi that every effort was being made to allow for flexibility in this matter. He requested Mr. Dusaidi's cooperation in facilitating the exit of equipment brought in by different UNAMIR contingents.

3. The Government of Rwanda's point of view as reflected by Messrs. Dusaidi, Nkusi and Major Kamanzi was that, in spite of communications addressed to the Secretary General and discussions having taken place for over six months, there was no movement. The inevitable conclussion was that the matter was being deliberately delayed by the United Nations. It was clear that United Nations gave a greater priority to United Nations agencies and NGOs than to the Government of Rwanda. It was also clear that the equipment left behind for the Government's use would be of negligible value and possibly of little use to the Government. Mr. Dusaidi wondered whether it was worthwhile continuing discussions on the issue, specially as UNAMIR would withdraw by March 8.

4. SRSG explained that though the process was slow requiring the approvals of the United Nations Controller, the ACABQ, and ultimately the General Assembly, there was no deliberate delay and that the discussion was worth continuing. The Rwandan Government response to the Trust Fund list of loaned equipment was awaited.

5. Mr. Dusaidi requested that a list of equipment which was not available for transfer be provided to the Government. Sometimes the items indicated in packed containers did not correspond to the actual equipment being transferred out of the country. Mr. Nkusi added that equipment which was being packed and shipped out by UNAMIR sometimes contained sensitive items which had not been declared to the Government. Both Messrs. Dusaidi and Nkusi pointed out that the equipment issue was crucial during the negotiations in New York on UNAMIR's new mandate. Mr. Nkusi further inquired from SRSG whether he had requested the Secretary General that priorities in the disposal of UNAMIR's assets be changed in favour of the Rwandese government.

6. Responding to the points made by the Rwandan side, SRSG stated that he could not provide a list of equipment until such time as it had been approved by New York Headquarters. In any case it would be misleading to provide lists that had not been cleared by New York. He added that UNAMIR's recommendations had been communicated to New York and it was evident from New York that they were being given due consideration. He wished to underline that the Secretariat was sympathetic to the request and was doing all it could within existing regulations to expedite. The process was cumbersome but patience was required in a system that had so many checks and balances.

7. Mr. Nkusi suggested that the present Trust Fund ceiling should not be a major constraint as the Government would be amenable to purchasing items in good standing. SRSG took note of this remark and stated that he would inform Headquarters.

8. Mr. Dusaidi then requested SRSG to convey to New York the Government of Rwanda'simpatience on the outcome of this matter as well as its skepticism on any positive results being achieved. The Secretary General may be informed, that the Government was counting on his goodwill to find a solution. He also requested that the Secretary General report on his efforts to the Security Council.

SOMA

9. It was agreed that a meeting of the working group would be held on Thursday, 11 January at the Ministry of Defence.

Other Business

Repairs

10. SRSG informed Mr. Dusaidi on progress regarding repairs to the Amahoro Stadium where contractors and Habitat were proceeding as scheduled. A total of US$209,000 had been earmarked for the first phase. The Acting CAO also informed Mr. Dusaidi that repairs to the Infantry School used by AUSMED were proceeding. The Government of Rwanda was the executing partner and so far RWFr. 11.3 million had been disbursed. The total estimated cost was RWFr. 20 million.

11. Continuing, SRSG informed Mr. Dusaidi that the Housing Sub-Committee had met five times and work was proceeding satisfactorily.

Belgian Village

12. In response to a query raised by Mr. Dusaidi at a previous meeting regarding the Belgian Village contract, SRSG informed that the Force Commander Gen. Dallaire and the Belgian Military had concluded an agreement to enable UNAMIR to repair and use the facilities. It was expected that following UNAMIR's withdrawal, other United Nations programmes such as Human Rights and the International Tribunal would wish to take-on the accommodations.

13. Mr. Dusaidi explained that a previous agreement had been concluded between the Rwandese Ministry of Defence and the Government of Belgium. Unfortunately, the Belgian Government had not consulted the Government of Rwanda and any future use of the Belgian Village would have to receive the Rwandan Government's approval.

Sub-contractors

14. SRSG then indicated that he had received instructions from New York Headquarters on taxation of UNAMIR subcontractors and provided Mr. Dusaidi with a Non-Paper containing the main points, copy attached as Annex B. The United Nations Legal Office was of the opinion that since sub-contractors were performing a function which the United Nations could not perform, and were in Rwanda solely for the purpose of assisting the United Nations, they should be considered as part of UNAMIR and therefore not subject to taxation.

15. Mr. Dusaidi replied that his Government categorically rejected such interpretation. Any company's earnings were taxable as they were utilising the Government's facilities and making a profit while in Rwanda. The United Nations had previously taken a clear-cut position stating that the contractors were independent bodies that were not covered by United Nations privileges. The present United Nations's stand that the contractors were part of the United Nations and not liable to tax was not acceptable. In this regard, the activities of the UNAMIR Subcontractors would be suspended. He further requested that the United Nations position be placed in a formal letter. Mr. Nkusi also referred to a precedent which had been established with Brown and Root with regard to the installation of their satellite system in Rwanda. In that case, the United Nations had agreed that Brown and Root should be taxed. He would provide the SRSG with the relevant documentation.

Local Staff in Prisons

16. The SRSG then referred to United Nations local staff members who were in prison. He wished to inform Mr. Dusaidi that the United Nations offices in Rwanda would be retaining the services of a Defence Lawyer. Mr. Dusaidi replied that the Ministry of Justice would be informed.

Communications Equipment

17. Mr. Nkusi then referred to fees that the Government of Rwanda would be charging for the use of frequencies and equipment. He also referred to the problem of outstanding bills left by UNAMIR staff specially telephone bills and bills for utility services. SRSG informed Mr. Nkusi that he would shortly be receiving from the United Nations Resident Coordinator an answer on Rwanda's proposals for charges for the use of frequencies and equipment which he believed would be satisfactory to the Government. On the second point, unpaid bills, he explained that a difference existed between United Nations civilian and military staff. In the former instance it was likely that costs could be recuperated. In the latter instance it would be almost impossible. Mr. Nkusi requested UNAMIR's cooperation in the clearance process, prior to departure, to ascertain whether staff had paid all their outstanding bills. The Acting CAO said he would look into the matter.

18. The SRSG informed Mr. Dusaidi that he would be away on leave and official business until the end of the month.

3. Therefore, notwithstanding the Security Council's statement in S/RES/1029, "request[ing] the Secretary-General to examine,...the feasibility of transferring UNAMIR non-lethal equipment,...for use in Rwanda;..." it will still be necessary to submit UNAMIR's proposals for asset distribution in the context of a separate report of the Secretary-General. In this regard, please also find attached a copy of the asset disposal plan for ONUMOZ, A/49/649/Add.2 which should be used as a template for the UNAMIR submission. (For your information, the aforementioned documentation was also provided to Mr. Michael Haner during his recent visit to New York, should the quality of this facsimile transmission prove inadequate.)

4. In this connection, we wish to emphasize that the current legislative authority for disposal of assets is as follows (in order of priority):

(a) "All equipment that meets the requirements of other United Nations operations and that it is cost-effective to move shall be redeployed to such operations or held in reserve for use by future operations;

(b) Other equipment shall be transferred to United Nations organizations, as well as to national and international non-governmental organizations already operating in [mission area] or in the process of establishing a presence there, upon request and against appropriate credit to the Special Account for the United Nations [Assistance Mission to Rwanda];

(c) Any remaining material that cannot be moved shall be sold commercially on an "as is, where is" basis in accordance with standard United Nations procedures;

(d) Assets or installations that cannot be dismantled, including airfield installations, shall be [donated] to the Government of [Rwanda];..." upon authorization of the General Assembly. (Source: A/RES/49/235 on the Financing of the United Nations Operation in Mozambique.)

5. Consequently, UNAMIR is not authorized to proceed with any disposition of assets to the Rwandan Government until a submission is made to the Controller and subsequently to the ACABQ While your arguments and indications are fully supported here at Headquarters, we must mention that in the absence of a mandate from the General Assembly we would not be in a position to support your previous requests to transfer assets to the Government of Rwanda.

6. Accordingly, we would appreciate receiving a draft disposal plan in the format of the ONUMOZ report not later than 15 January 1996. Upon receipt this report will be reviewed, finalized and forwarded to printing for submission to the Advisory Committee in mid-February at which time we would expect a decision to be taken regarding those assets recommended by UNAMIR for outright contribution to the Government of Rwanda. In this same report it will also be necessary to present the liquidation budget for UNAMIR for the six-week period after 08 March 1996, for which we would also request your input by 15 January.

8/18 Annex B.

UNAMIR operations are run in Rwanda making use of an integrated structure composed of military assets, civilian assets and assets provided by contractors.

Contractors deliver essential goods and services to UNAMIR, which aims to provide assistance to the recovery and rehabilitation of Rwanda. UNAMIR contractors are in Rwanda for the sole purpose of providing goods and services to UNAMIR and they should therefore be considered by the Government as an integral part of the UNAMIR machinery for implementing the Security Council mandate.

In view of the fact that contractors do not operate permanent establishments in Rwanda and in view of the essential support they are offering to UNAMIR in the discharge of its mandate, contractors operating in Rwanda should not be requested to pay corporate taxes. In fact there is no precedent of such companies working with UN peace-keeping operations paying taxes in host countries anywhere else in the world.

Handed over to Dusaily.

JOINT MEETING BETWEEN THE RWANDESE GOVERNMENT AND UNAMIR HELD ON 20 NOVEMBER 1995

On 20 November 1995, a meeting was held between representatives from the Rwandese Government and UNAMIR to discuss UNAMIR's future mandate and other aspects of UNAMIR/Government relations. The following were present:

Government

Mr. Claude Dusaidi	Office of the Vice-President
Dr. Emmanuel Ndahiro	Office of the Vice-President
Mr. Senglo Nsengumuzemyi	Ministry of Planning
Major Mushyo Kamanzi	Ministry of Defence
Major Kamarade Kayitare	RPA Liaison Officer
Mr. Higiro Thaddée	Ministry of Foreign Affairs
Mr. Ndazero Lazare	Ministry of Rehabilitation and Reintegration

UNAMIR

Amb. Shaharyar M. Khan	Special Representative of the Secretary-General
Maj. Gen. Guy Tousignant	Force Commander
Mr. Wilfrid de Souza	Executive Director
Ms. Susan Matthew	Chief Administrative Officer
Ms. Isel Rivero	Special Assistant to the SRSG
Mr. Ismaël A. Diallo	Spokesman
Mr. Mtshana Ncube	Senior Legal Officer
Mr. Mamady Condé	Senior Political Affairs Officer

1. The SRSG opened the meeting by offering two clarifications. First, that UNAMIR was ready to discuss the SOMA either in Kigali or in New York. Second, that the issue of equipment was not a matter to be decided at the SRSG level but at Headquarters. The Foreign Minister's letter to the Secretary General had been brought to the attention of New York Headquarters. The issue was being given urgent attention and should it be completed before 27th November, Mr. Dusaidi would be immediately informed in order to proceed with consultations.

2. Mr. Dusaidi replied that the Government was also ready to discuss the Status of Forces Agreement (SOFA). He asked SRSG to give him a paper outlining the general position of the United Nations on the Status of Forces Agreement. Regarding equipment, he had prepared a list (copy attached) enumerating the requirements of the Rwandese Government in order to facilitate UNAMIR's task,

3. The SRSG suggested that the letter to the Secretary General referred to before, should be circulated to member states. Mr. Dusaidi indicated that the Rwandan Permanent Representative to the United Nations had been instructed to circulate it among Security Council members.

4. Mr. Dusaidi then stated that the Rwandese Ambassador had been called by Mr. Riza, DPKO, to protest the impounding of UNAMIR APCs by the Rwandan Government. This was not the case, and there had obviously been a misunderstanding. The SRSG replied that he was surprised at the news. The question of APCs had already been discussed with the Government which had taken note of the fact that the equipment was owned by a particular member state who was not agreeable to the equipment being left behind. Both the Force Commander and the CAO agreed and added that only logistical problems were delaying the transport of the APCs and that there had been no disagreement by the Government. The Force Commander also mentioned that as far as the military were concerned, the only outstanding issue was the demolition of Belgian ammunition. New York had been consulted and a reply was still pending.

5. Referring to the transfer out of Rwanda of UNAMIR equipment, SRSG clarified that he would ensure that equipment under negotiation with the Rwandese Government would not be sent out while a decision on the issue was being taken. However these items that were clearly not part of the pool of equipment that could be left behind for Rwanda e.g for Angola (UNAVEM), would be trans-shipped but only after SRSG had himself signed the document. This procedure required his personal clearance to ensure that nothing was moved out of Rwanda that belonged to the pool of items under negotiation. The recent consignment of spare parts and electrical sundries was destined to UNAVEM (ANGOLA) and fell within the first priority category of equipment transfer.

6. Both the SRSG and Mr. Dusaidi agreed that a committee to review repairs and rehabilitation of facilities occupied by UNAMIR should begin its work as early as possible. In this regard, the CAO provided a summary of repairs and rehabilitation work carried out by UNAMIR, to date.

7. Mr. Dusaidi then explained that the UNAMIR's future mandate had been discussed by Rwandan authorities at the highest level. They had authorized him to convey the Rwandan Government's reactions. Mr. Dusaidi continued explaining that when renewing UNAMIR's mandate on 9th June, it had been made very clear that UNAMIR would phase out after the current mandate. In the interim period, the Rwandan Government saw no serious reason to revise its earlier decision. Accordingly, when the mandate was completed on December 8, UNAMIR should phase out.

8. Mr. Dusaidi also stated that in Rwanda's view if the United Nations still had a role to play in the country, it was in the practical field of providing Rwanda the support to bridge the gap created by last year's events in the form of technology, rehabilitation, doctors, agricultural experts, technicians, etc. As these activities could not be part of UNAMIR, it was best for it to close down after December 8.

9. The SRSG thanked Mr. Dusaidi for a concise clarification and indicated that these views would be conveyed to New York Headquarters.

10. Mr. Dusaidi then stated that he wished to put on record the Government's appreciation for the sacrifices and contributions that UNAMIR personnel had made during their tenure in Rwanda. He said that their efforts, often made in difficult conditions, had contributed significantly to Rwanda's reconstruction.

11. The Force Commander added that he had two points to make. First he was thankful to the Government of Rwanda for the words of appreciation. Soldiers were not always aware of the political aspects of their work, and it would give them enormous satisfaction to receive recognition for job well done. Second, he wished to inform the meeting that the withdrawal of UNAMIR would take from 71 to 97 days.

12. Mr. Dusaidi assured the Force Commander of his Government's full cooperation.

JOINT MEETING BETWEEN THE RWANDESE GOVERNMENT AND UNAMIR HELD ON 17 OCTOBER 1995

1. On 17 October 1995, a meeting was held between representatives from the Rwandese Government and UNAMIR to discuss various aspects of UNAMIR/Government relations. The following were present:

Government

Mr. Claude Dusaidi	Office of the Vice-President
Dr. Emmanuel Ndahiro	Office of the Vice-President
Mr. Mushyo Kamanzi	Ministry of Defence
Mr. Higiro Thaddée	Ministry of Foreign Affairs
Mr. Jean-Marie Byakweli	Ministry of Rehabilitation and Social Integration
Mr. Senglo Nsengumuzemyi	Ministry of Planning
Mr. Gérard Rutagengwa	Ministry of Planning
Maj. Kamarade Kayitare	RPA Liaison Officer

UNAMIR

Mr. Shaharyar M. Khan	Special Representative of the Secretary-General
Maj. Gen. Guy Tousignant	Force Commander
Mr. Wilfrid de Souza	Executive Director
Ms. Susan Matthew	Chief Administrative Officer
Col. Shiva Kumar	Chief of Staff
Ms. Isel Rivero	Special Assistant to the SRSG
Mr. Mtshana Ncube	Administrative/Legal Officer
Ms. Ladan M. Rafii	Political/Legal Officer

2. The SRSG began the meeting by informing the Rwandese Government representatives that UNAMIR had completed and sent to United Nations Headquarters in New York (UNNY) a survey of all its equipment available in Rwanda classified according to particular categories. He stated that it was up to officials at UNNY to decide which items would be needed for future peace-keeping operations and which would be available for disposal at the end of UNAMIR's mandate. The SRSG further added that UNAMIR eagerly awaited the Rwandese Government's response regarding certain basic issues concerning UNAMIR's mandate, and gave assurances that a decision would not be made without input from the Security Council and the Rwandese Government. He also mentioned that the Permanent Representative of Germany to the Security Council had proposed a Presidential Statement which woulud serve as an indicator of UNAMIR's future mandate and presence in Rwanda.

14/RB

3. Mr. Dusaidi agreed that the question of UNAMIR's future mandate was for the Security Council to decide and stated that he could not comment more on this issue. He expressed an interest in seeing the catalogue of goods prepared by UNAMIR in order to determine what would be of use to his Government. He added that he would later go into greater detail regarding UNAMIR's assistance role and what the United Nations could do to assist Rwanda in its rehabilitation and reconstruction efforts.

4. On the question of UNAMIR's mandate, the SRSG stated that he would like to make certain clarifications. He explained that there had been rumours at UNNY that due to the financial crisis being experienced by the United Nations, the Secretary-General would be compelled to propose to the Security Council measures to be taken with regard to UNAMIR's mandate. Although the SRSG acknowledged that the Secretary-General had indeed been considering the adoption of certain measures, it had been decided at high levels in UNNY not to take any precipitate measures in this regard. As a result, the future mandate of UNAMIR would be decided between the Security Council and the Government of Rwanda in the usual manner without regard to financial constraints.

5. With regard to the disposal of UNAMIR's equipment, the SRSG proposed that the matter should be raised with high-level officials in UNNY by the Permanent Representative of Rwanda to the United Nations, as well as by the President of Rwanda during the course of his forthcoming visit to New York to participate in the fiftieth anniversay celebrations of the United Nations. The SRSG stated that due to the necessity of observing regulations governing the disposal of equipment used by United Nations peace-keeping missions throughout the world, a decision at a high level would be required to change existing procedures. He explained that those items perceived as being required for future operations would be stored or sent to another mission; those considered too expensive to be transported, redundant or of little remaining use could be left behind, in which case each item would be valued with United Nations agencies operating in Rwanda being given priority over the Government of Rwanda for purposes of distribution. He added that he fully understood the Government's need for United Nations assistance and its interpretation of an "assistance mission". The SRSG stated that he was urging a response from UNNY on the matter as quickly as possible.

6. Regarding the Status of Mission Agreement, Mr. Dusaidi inquired as to when the legal subcommittee would be established to discuss the modifications proposed by the Rwandese Government. The SRSG replied that a UNAMIR subcommittee had already been set up, and if the Government could provide the names of members of its own subcommittee, discussions on the matter could begin the same week.

7. The meeting ended with Mr. Dusaidi inquiring when his Government could have access to the list of UNAMIR equipment discussed, to which the SRSG replied that the list may be made available by the following week.

Note for the File

Minutes of the first Meeting between members of the Government Commission and UNAMIR Delegation held at UNAMIR Headquartrs at 10 o'clock on 26 September 1995

1. The meeting was attended by a Government delegation constituted into a Commission and appointed by the Vice-President, Major General Kagame. The Commission members were:

Mr. Claude Dusaidi (leader)	Political Adviser, Vice-Presidents's Office
Maj. Kamarade Kayitare	UNAMIR Liaison Officer
Maj. Joshua Rasana	Army Headquarters
Maj. Kamanzi Mushyo	Army Headquarters
Dr. Ndahiro Emmanuel	Ministry of Defence
Mr. Sam Nkusi	Director, Rwandatel
Mr. Higiro Thaddce	Ministry of Foreign Affairs
Mr. Antoine Sendama	Ministry of Rehabilitation

UNAMIR was represented by:

Amb. Shaharyar M. Khan (leader)	SRSG
Mr. Wilfrid de Souza	ED
Col. Shiva Kumar	COS
Mr. Sammy Buo	SPA
Mr. Mamady Conde	SPO
Mr. Mtshana Ncube	LO
Mr. Gilles Briere	CMCO
Mr. Abu B.S. Dao	HAO/SA

2. After Ambassador Shaharyar Khan's welcome to the Commission, Mr. Dusaidi, stated in his opening remarks that the Commission was appointed by the Vice President "to look at all aspects and appraise the work of UNAMIR".

Some of the issues that the Commission wanted to focus on were:

a) A smooth transition 'if there was to be a change in the mandate'.

b) Staffing of UN presence, if any, after the transition.

c) Equipment to be left behind.

d) An evaluation of the UNAMIR role.

3. In response the Special Representative of the Secretary-General, Ambassador Shaharyar Khan, thanked Mr. Dusaidi for the overview on issues of interest to the Commission. He then proposed an agenda for current and future discussions, as follows:

a) Issues related to the current and future mandate;

b) Equipment;

c) Legal aspects of the Mission (i.e. SOMA);

d) Any other business.

The agenda was agreed by Mr. Dusaidi.

Mandate

4. Ambassador Shaharyar Khan stated that it was important for discussions on the mandate to be held in good time. As stated during the discussions on the present mandate, UNAMIR's mandate would be decided by the Security Council in negotiations with Rwanda. Fortunately, Rwanda would still be a member of the Security Council in December. UNAMIR operated in Rwanda under Chapter VI, and its presence in Rwanda required the consent and cooperation of the sovereign government. UNAMIR would not be imposed on Rwanda.

Mr. Dusaidi stated that with respect to the item on the mandate, it was necessary to examine the genesis of UNAMIR as it had been conceived as an assistance mission. This factor needed to be borne in mind for future discussion on the mandate.

Equipment

5. Explaining the principle under which UN Peace-Keeping equipment was disposed of after completion of missions, SRSG stated that the equipment that was still usable was required to be transferred to other peace-keeping operations or stored at Brindisi for future or other missions. Only material that was to be formally written off was left behind. Some equipment that was in reasonable condition and which would be too costly to transport could also be "sold" to the Government under the UNDP Trust Fund Scheme that had already been signed. Giving further details of the equipment being used by UNAMIR, SRSG elaborated as follows:

a) Contingent owned equipment. This was owned by the countries which sent contingents (e.g. India) to Rwanda. They would take the equipment back after completing their tenure.

b) Equipment loaned to contingents (e.g. by Holland to Zambia)

c) Equipment owned by UN.

6. SRSG explained that for equipment owned by other countries (i.e para. 5 a,b above) it would be necessary to discuss their disposal with the countries concerned. UNAMIR could only discuss equipment owned by UN. This discussion would be relevant once a detailed list was ready showing the status of each item. This list was being prepared and was expected to be ready by mid-October. The final decision on disposal would rest with UN Headquarters in New York.

7. SRSG added that with regard to lethal material e.g. APCs, the discussion would need to be held at a higher level or even with the Security Council. The non-lethal equipment

could be discussed with UNHQ and decisions conveyed to the Sanctions Committee under Security Council Resolutions 918 (1994) and 1011(1995). Mr. Dusaidi thanked Ambassador Khan for his resume and stated that the promised list of equipment was awaited. He added that UNAMIR, in its role of an assitance mission, should not only leave behind equipment for Rwanda but should hand over information such as maps, data-base, documents etc.

Legal Aspects

8. SRSG stated that the Rwandese Government's view on SOMA had been received only a few minutes before the meeting. The document needed to be studied and comments would be offered later.

Any other business

9. No issues were brought up under this heading.

10. The meeting ended after 1 hour 15 minutes.

Proposal on the disposal of UNAMIR's equipment
in compliance with S/RES/1029

1. The Government of Rwanda has requested on numerous occasions the Special Representative of the Secretary-General that telecommunication and broadcast equipment, vehicles, generators, office equipment and other special equipment of the United Nations Assistance Mission in Rwanda (UNAMIR) be given to the Government on UNAMIR's departure from the country. More recently, the Security Council has referred to this issue in its resolution S/RES/1029 of 12 December 1995 in the following terms: "Requests the Secretary-General to examine, in the context of existing United Nations regulations, the feasibility of transferring UNAMIR non-lethal equipment, as elements of UNAMIR withdraw, for use in Rwanda".

2. The regulations which are applicable regarding disposal of UN property are the financial regulations of the United Nations adopted by the General Assembly and the financial rules promulgated by the Secretary-General. In addition to these financial regulations and rules, the General Assembly, following recommendations by the Secretary-General and the ACABQ, adopted in its resolution A/49/233 of 1 March 1995 certain guidelines for the disposal of assets following liquidation of peace-keeping operations.

3. The strict application in the case of Rwanda of the guidelines approved by the General Assembly would result in only a marginal amount of the equipment being used by UNAMIR to remain for use in the country. In carrying out the mandate given to the Secretary-General by the Security Council in its resolution S/RES/1029, and in order to satisfy the requirements made by the Government of Rwanda, a different approach is therefore requested from the Secretariat in this case, which may on occasions depart from the above-mentioned guidelines.

4. High value items which are considered to be essential for future peace-keeping operations should be set aside and prepared for transportation out of Rwanda subject, of course, to any request that may be made by the Government in this regard and the decision required as indicated in paragraph 6 below. A great majority of items could thus be left for use in Rwanda, as requested by the Security Council, on the basis of an agreement to be concluded by the United Nations or any United Nations office established in Rwanda, as the

Secretary-General may decide, and the Government . The United Nations would therefore retain the ownership of the equipment while that equipment may be used in reconstruction and rehabilitation projects to be executed by the Government. The final disposal of the equipment would thus be deferred to such time as the Government and the United Nations would agree.

5. In the case the Secretariat determines that certain items are redundant or too expensive to transport out of Rwanda, these should be written-off in accordance with the relevant financial regulations and rules and may be made available to the Government of Rwanda.

6. Should the Secretariat receive any requests from the Government of Rwanda for outright donations of certain items, the Secretary-General would then, after examining the merits of the demands put by the Government of Rwanda, seek the authorization from the General Assembly for carrying out these donations.

INTEROFFICE MEMORANDUM

URGENT

Date: 31 January 1996

To: Ms. Susan Matthew
CAO

From: Wilfrid de Souza
Acting Chief of Mission

Subject: Transportation of 18 Trucks belonging to CHAD

1. Reference is made to our telephone conversation of 29 January 1996 during which I conveyed to you the message of Mr. Lansana Kouyaté, ASG-DPA, regarding the transportation of the 18 trucks belonging to CHAD. I brought to the attention of Mr. Kouyaté your reply that you were expecting new instructions from FALD in the light of the suggestions you made regarding the cost of the operation.

2. Mr. Kouyaté called again yesterday to inform me that he had contacted Mr. Medili who said he had instructed you sometime ago to use UNAMIR's C.130 and that it was UNAMIR which had come up with alternative proposals on the grounds that they might help to achieve some savings.

3. However, Mr. Kouyaté wanted us to know that the resulting delay was creating serious political complications and that the Secretary-General had, therefore, reiterated his instructions that the 18 trucks must be airlifted immediately to CHAD by using UNAMIR's C.130. Mr. Kouyaté added that FALD was sending fresh instructions to you in compliance with the above.

4. As I have to report back to Mr. Kouyaté today at the opening of business at Headquarters, I should be grateful if you would forward to me by 5 pm today the proposed new schedule for the transportation of the 18 trucks to CHAD.

5. Thank you for your cooperation.

1. J'ai l'honneur de me référer à mon fac-similé No.334 du 23 janvier 1996.

2. Je tiens tout d'abord à vous remercier d'avoir bien voulu mettre M. Rainer Nordberg à la disposition de la MINUAR pour nous aider à mettre en chantier les travaux de réhabilitation du Stade AMAHORO. Grâce à ses efforts inlassables, les problèmes en suspens ont été résolus à la satisfaction de toutes les parties concernées.

3. Son expertise et ses avis techniques nous seront encore nécessaires au cours des deux mois que vont durer les travaux. Je compte donc sur votre aimable coopération pour faire en sorte qu'il effectue de fréquentes visites à Kigali au cours de cette période. Je vous en remercie d'avance.

Mr. Ssekandi has requested that the second paragraph on page 2 of my cable should be amended to read as follows:

> "However, the UN position, as explained to the Government, is that question of imposing a levy of corporate taxes (occupational taxes) by the Government on UN contractors, and income taxation on the income of contractors' expatriate personnel, raised complex legal issues with serious financial and operational implications for the Organization. Therefore, a resolution of this issue had to have regard to the impact it would have on future UN missions. The Government has so far rejected the UN position. The solution in my view lies on amending the existing SOFA/SOMA to expressly exempt UN contractors from taxes on activities they carry out in support of UN operations, and resolve outstanding disputes on the basis of an agreed settlement of disputes procedure."

ORIGINATOR:	SECTION: OSRSG
SUBJECT: **Secretary-General's report to the Security Council**	

1. As requested in your MIR-234 dated 25 January 1996, please find below our comments and suggestions on the draft of the progress report of the Secretary-General on UNAMIR. We have taken advantage of the presence of the team of experts sent from New York, who have provided some suggestions with regard to paragraph 7, which concerns the issues they have been discussing with the Government.

2. Our comments and suggestions are as follows:

-Para 5: - We suggest that reference to **Section VI** should now be made to **Section V**, since Section V of our original draft on Security Aspects has been suppressed.

-Para 5: - The fourth sentence states that **"The main hurdles to refugee return continue to be the fear of intimidation and political dissuasion by former RGF leaders in the camps, oppressive treatment for the returnees and the perception of relatively better and safer living conditions in the camps than those expected on returning home"**. We suggest that the sentence be slightly modified so as to read: **"The main hurdles to refugee return continue to be the fear of oppresive treatment, intimidation and political dissuasion by former RGF leaders in the camps and the perception of relatively better and safer living conditions in the camps than those expected on returning home"**.

-Para 7: - The team of experts from New York suggested that the last part of the paragraph which appears in bold in your text (from **"The Secretariat has attempted to respond..."** to the end of the paragraph) be replaced by the following two paragraphs:

../...

- "In an effort to continue to address Rwanda's concerns and with a view to resolving these outstanding issues, I recently dispatched a delegation of senior officials to Kigali. The Secretariat has attempted to respond to the Government's demands, especially to the question of corporate and other taxes demanded by the Government from UN contractors and their personnel, to the extent possible within existing UN rules and regulations and the agreements concluded with the Government and the contractors carrying out UN activities in Rwanda. In particular, the Secretariat has expressed readiness to authorize payments for social security taxes for personnel engaged by contractors to support UNAMIR activities, charges for services related to communications and frequency management, and payments for airport premises at Kigali, Kanombe Airport made available for UNAMIR."

- "However, the UN position, as explained to the Government, is that the question of corporate taxes (occupational taxes) on corporate profits made on commercial activities conducted in Rwanda as well as income tax payments by expatriate personnel assigned by firms contracted by the UN to support UNAMIR raised complex legal issues with serious financial and operational implications for the Organization . Therefore, a resolution of this issue had to have regard to the impact it would have on future missions. The Government has so far rejected the UN position. The solution in my view lies on amending the existing SOFA/SOMA to expressly exempt UN contractors from taxes on activities carried out by such contractors in support of UN operations".

-Para 7: -In case you decide not to incorporate these changes and retain the text of paragraph 7 as sent to us, we would like to suggest the following two modifications:

- In the sentence that reads "... **the response of the Secretariat has responded positively ...**", the phrase "**the response of**" should be deleted.

- In this same sentence, "**... such as concerning payment for: social security taxes for local employees...**" should be replaced by "**...such as concerning payment for social security taxes for personnel engaged by contractors to support UNAMIR activities, ...**".

-Para 8: - In the sentence which begins with "**In addition to meeting the operational needs...**" we had doubts as to whether the reference to "**the Commission**" should be to the Commission or to the Commissioner.

-Para 9: - In the second sentence, we suggest that the reference in brackets to "**(see para 10 above)**" be deleted since paragraph 10 does not address conditions of detention.

.../...

-Para 9: - We suggest that where the text of the sixth sentence reads **"The Minister of Justice proposed to revitalize the committees,..."**, it be modified so as to read:

> **"The Minister of Justice sought international assistance for plans to revitalize the committees..."**

-Para 16: - The Acting Force Commander suggests that the beginning of paragraph 16 be modified to read as follows:

> **"The provisions of the new mandate concerning the adjustments to be made to UNAMIR's force level have been largely implemented. The troop strength has been reduced from 1,800 and the target figure of 1,200 will be realized with the departure of 151 Ghanians on 28 January and 97 Canadians on 2 February. The number of military observers and Headquarters staff has been brought down to 213 and will be further reduced to 200 with the departure of 9 Canadian observers on 2 February and the 4 Canadian staff officers on 15 February (see Annex 1). General Guy Tousignant,..."**

-Para 17: - We suggest that the fourth sentence, which reads: **"The troops stationed in Kigali are essentially tasked to contribute to the security of the Tribunal, humanitarian agencies, the protection of United Nations property and assets, construction works and assistance in rehabilitation and the repair of infrastructure"** be modified to read:

> **"The troops stationed in Kigali are essentially tasked to contribute to the security of the Tribunal, the protection of United Nations property and assets, provision of humanitarian assistance, construction works and assistance in rehabilitation and the repair of infrastructure".**

The reference to contribution to the security of humanitarian agencies should be deleted, since UNAMIR's new mandate only authorizes it to "Contribute, with the agreement of the Government of Rwanda, to the protection of the International Tribunal for Rwanda as an interim measure..." (see operative paragraph 2 (d) of S/RES/1029).

-Para 26: - We suggest that the following sentences be added at the end of paragraph 26. Alternatively, they could form a new paragraph which could be placed between paragraphs 26 and 27:

> **"The "go and see" visits of refugees to Rwanda continued during the months of December and January. In all, 474 refugees participated in over 30 "go and see" visits from three countries of asylum since the program was initiated in mid-1995: 342 from Burundi, 122 from Tanzania and ten from Zaire".**

45

-Para 29: We suggest that, in light of recent developments, the paragraph be modified to read as follows:

> **"On 20 January 1996, some 17,000 Rwandan refugees from the nearby camp of Ntamba left, fearing ethnic fighting and likewise headed toward the Tanzanian border. Once Ntamba camp was empty, the Burundi military closed and burned the dwellings. After an initial closure of the border with Burundi by Tanzanian authorities, the border was reopened on 24 January. Representatives estimate that some 12,000 refugees have crossed the border into Tanzania, while some 2,000 refugees have returned to Ntamba camp, which UNHCR has started to rebuild. Some 3,000 refugees are still dispersed. Very few refugees have so far chosen to return voluntarily to Rwanda".**

-Para 36: - We suggest that in the last sentence the words "**The Ministry for the Rehabilitation and Functioning of the Judiciary**" be replaced by "**The Government**". Such Ministry does not exist and we do not know if the reference, which appeared in the draft submitted to us by UNDP, is made to the Ministry of Rehabilitation or the Ministry of Justice. It is therefore preferred to refer to the Government.

3. Please find attached new figures for annex 1 as provided by the Acting Force Commander.

Best regards.

OBJET: Réhabilitation du Stade AMAHORO	

1. Je suis désolé de devoir recourir à votre intervention dans l'affaire urgente suivante:

2. Le jeudi 18 janvier, le Ministre de la Jeunesse et du Mouvement Associatif du Rwanda m'a téléphoné pour se plaindre que M. Rainer Norberg, de la Division de la Coopération Technique, qui serait chargé à HABITAT de faire les arrangements nécessaires pour le Projet de réfection du Stade AMAHORO à Kigali, ne s'est pas présenté au rendez-vous qu'il avait avec lui ce jour-là et n'a pas fait connaître non plus les raisons pour lesquelles il n'a pas répondu au rendez-vous. Le Ministre m'a fait savoir clairement que le projet n'avait que trop traîné et que si les travaux ne commençaient pas dans des délais très brefs, il serait dans l'obligation de reconsidérer sa collaboration avec la MINUAR, y compris par la reprise de l'Hôtel AMAHORO qui abrite actuellement le Siège de la MINUAR.

3. Ces propos ont été confirmés par une lettre en date du 19 janvier 1996, dont vous trouverez copie ci-jointe.

4. Tous nos efforts en vue de faire venir M. Norberg à Kigali ont été jusqu'à ce jour sans succès. M. Norberg était attendu à Kigali le lundi 22 janvier. Selon un Fax. reçu hier, il n'aurait pas pu prendre l'avion à cause de retards administratifs.

.../...

5. Vous comprendrez certainement à la lecture de la lettre du Ministre, qu'il est absolument indispensable que M. Norberg soit à Kigali le 24 janvier au plus tard et qu'il y reste jusqu'à ce que la question soit résolue.

6. Je vous serais très reconnaissant de tout ce que vous pourrez faire dans ce sens, ce dont je vous remercie par avance.

SUBJECT: AMENDMENT OF THE SECRETARY-GENERAL'S REPORT	

Following my telephone conversation with your assistant please replace para 4, 7 and 8 in the text of the Secretary-General's report with the following amended paras:

4. There were two events, however, that had a negative impact. The first related to the arbitrary manner in which 38 NGOs were asked to cease activities in Rwanda and 18 suspended. Their assets were frozen and their equipment impounded. The international community's concern on this announcement was conveyed to the Minister of Foreign Affairs by my Special Representative in Rwanda and I hope that appeals by NGOs would be given due consideration by the Government. The second event is the news that some military and civilian officials, including the Governor of the State Bank, had defected. Following the departure of former Prime Minister Faustin Twagiramungu and that of one of his Cabinet colleagues, these defections have dealt a setback to the Government's effort to evolve a national consensus.

7. The International Criminal Tribunal for Rwanda issued its first indictment on 12 December 1995 so as to carry forward the process of bringing to justice persons accused of genocide and crimes against humanity. All Member States in the region have assured the Tribunal that they would cooperate with it as agreed at the Cairo Summit. The proceedings are to start very soon against accused of genocide in Rwanda.

8. The plenary session of the International Criminal Tribunal for Rwanda provided an opportunity to the judges to meet for the first time in Arusha on 8 January. On that occasion the second trial chamber examined an application presented by the Prosecutor concerning the deferral of investigations and prosecutions conducted by Belgium on three suspects currently detained in that country. On 11 January 1996, the above trial chamber decided to formally request Belgium to defer to the competence of the International Criminal Tribunal for Rwanda the investigations and prosecutions concerning the three suspects mentioned above.

NOTE VERBALE

SRSG/NV/023/96

La Mission des Nations Unies pour l'assistance au Rwanda (MINUAR) présente ses compliments au Ministère des Affaires Etrangères et de la Coopération Internationale de la République du Rwanda et a l'honneur de porter à sa connaissance qu'une délégation de haut niveau dépêchée par le Secrétaire Général des Nations Unies et composée de Monsieur Francis SSEKANDI, Directeur adjoint de la Division des Affaires Juridiques Générales, Chef de Délégation, et de Monsieur Ivan KULOV, Administrateur Hors Classe chargé des Opérations, est arrivée à Kigali le 17 janvier 1996.

La Délégation a pour mission de discuter avec les Autorités Rwandaises de questions en suspens dans le domaine des taxes qui sont réclamées à la MINUAR et ses contractants. Elle a également mandat pour clarifier la position des Nations Unies à cet égard et rechercher avec les Autorités compétentes les solutions appropriées. Elle est, bien entendu, disposée à discuter de toutes autres questions d'ordre juridique que les Autorités Rwandaises souhaiteraient aborder avec elle.

La MINUAR serait reconnaissante au Ministère de bien vouloir porter ces informations à la connaissance des Autorités compétentes et de lui faire connaître à sa plus proche convenance la date à laquelle la Délégation pourra commencer les discussions avec les Autorités Rwandaises.

La MINUAR saurait gré au Ministère de bien vouloir obtenir pour la Délégation une audience auprès du Ministre des Affaires Etrangères à sa plus proche convenance.

La Mission des Nations Unies pour l'assistance au Rwanda remercie le Ministère des Affaires Etrangères et de la Coopération Internationale de la République Rwandaise de son obligeance et saisit cette occasion pour lui renouveler les assurances de sa très haute considération. WS

MIR 14Y

1. Reference is made to your FAX FIN/MIR/96-004 of 5 January 1996 transmitting the revised staffing authorization for UNAMIR for the period from 1 August to 31 December 1995.

2. I note inter alia that the General Assembly has approved the post for the Civilian Police Commissioner at the D.1 level effective 1 September. However, as you are aware, Colonel DIARRA, the outgoing CIVPOL Commissioner, was confirmed in these functions on 12 April 1995 with immediate effect. (See Mr. ANNAN cable 1173 of 12 April 1995, copy attached).

3. I should like, therefore, to recommend that the payment of Colonel DIARRA's salary be retroactive to 12 April 1995, using one of the vacant P.5 posts of UNAMIR's budget for the period 12 April-31 August 1995 and the newly authorized D.1 post effective 1 September until the end of his assignment. The above proposal is in line with the recommendation contained in my fax MIR.2850 of 15 August 1995 (copy attached).

4. Colonel DIARRA will be in New York in a few days for a debriefing session. I should be grateful if his administrative situation, including the retroactive payment of his salary, could be regularized on that occasion.

SUBJECT: **CONCERT IN SINGAPORE**	

AAA. The United Nations Assistance Mission for Rwanda wishes to express its profound appreciation to the Mission of Peace, Friendship and Love for United Nations for organising the "Concert in Singapore" on 11th November 1995 at Singapore to promote peace, friendship and love for the world in general and for Rwanda in particular.

BBB. The goodwill gesture shown in offering to contribute part of the proceeds of the event to UNAMIR is hereby accepted with gratitude.

CCC. With regard to the transfer of the proceeds to UNAMIR, we suggest that they be deposited in the Trust Fund established by the Secretary-General of the United Nations for Rwanda. The related procedure provides that contributions received for the Trust Fund for Rwanda (Fund RU) may be deposited with Chemical Bank Secretariat Branch in New York, N.Y. - 10017 (USA) for credit to the UN General Trust Fund Account No. 015-004473 giving mention of the name of the particular trust fund.

DDD. Arrangement for transportation of water from Singapore to Rwanda is not advisable as there is no acute problem of lack of water in Rwanda. We do thank you warmly for the offer.

SUBJECT: UNITED NATIONS LOCAL STAFF DETAINEES	

Your fax of October 5 and 9., 1995 on the above subject matter refers.

1. Please be informed that enquiries into the reported release of Mr. Vincent Habineza from prison in June this year was investigated but it is far from being true.

2. UNICEF office in Kigali when contacted on the issue were neither aware of the report, nor did they have any records of such advice to New York.

3. However the Chief of Administration Division for Prisons Department in Kigali Central Prison, Mr. Frank K. Kalyamiti has confirmed that Mr. Vincent Habineza is still held in custody in Block 2 in the Central Prison, and that he had never been released from prisons since his arrest in September last year.

4. What UNICEF Kigali is maintaining is that Mr. Habineza was never an employee of UNICEF, and if ever he was, he may have been a daily casual labourer with no employment records, paid on daily basis. As a result perhaps, he may have been dropped from their returns to New York, and UNICEF in New York may have assumed that Habineza has been released from prison.

5. A visit to the Central Prison for further confirmation is planned this week, and you will be informed of any further developments.

Best regards.

I REFER TO YOUR FAX MIR 356 DATED 25 SEPTEMBER 1995. WE OFFER THE FOLLOWING RESPONSES TO YOUR QUESTIONS AND HOPE THAT, WITH THE SUPPORTING DOCUMENTS ATTACHED, YOU WILL HAVE A CLEAR PICTURE OF THE PROBLEMS FOR WHICH WE SEEK SOLUTIONS. THE ISSUES ARE TAKEN UP IN THE SAME ORDER AS THEY ARE RAISED IN YOUR FAX REFERRED TO ABOVE:

1. WE DO NOT USE A DOCUMENT CALLED A 'PROTOCOL' DOCUMENT. ON THE BASIS OF THE STATUS OF MISSION AGREEMENT (SOMA), IN THE CASE OF ALL GOODS FROM OUTSIDE ADDRESSED TO UNAMIR, WE USE THE RELEVANT PURCHASE ORDER AND EXPORT/IMPORT DOCUMENTS TO EFFECT CLEARANCE THROUGH CUSTOMS. BUT WITH REGARD TO GOODS IMPORTED BY LOCAL COMPANIES WHICH UNAMIR IS WILLING TO BUY FROM THEM, WE PRESENT WHAT WE CALL A LETTER OF EXEMPTION. THERE IS ONE FOR EXPENDABLE ITEMS (SEE COPY "A" ATTACHED); AND ANOTHER FOR NON-EXPENDABLES (SEE COPY "B" ATTACHED).

4. THEY PROVIDE DIFFERENT SERVICES TO UNAMIR TO ENABLE IT TO CARRY OUT ITS MANDATE IN RWANDA. PLEASE FIND BELOW, IN SYNOPTIC FORM, THE SERVICES RENDERED BY EACH OF THE FOUR CONTRACTORS:

(a) BROWN & ROOT

- PROVIDES LOGISTICS & OTHER RELATED SUPPORT SERVICES. THESE INCLUDE, BUT ARE NOT LIMITED TO, SERVICES LIKE ROAD CONSTRUCTION, BUILDING AND SUPPLY OF FUEL, MATERIALS AND EQUIPMENT.

(b) ES-KO INTERNATIONAL

- SUPPLIES AND DELIVERS FOOD RATIONS INCLUDING FRESH, DRY, AND FROZEN FOODSTUFF, ON AN "AS REQUIRED" BASIS AND ALL SERVICES RELATED THERETO, TO MILITARY CONTINGENTS ASSIGNED TO UNAMIR).

  THE CONTRACTOR IS RESPONSIBLE FOR PROVIDING ALL THE NECESSARY PERSONNEL, EQUIPMENT, MATERIAL, AND SUPPLIES, AND FOR MAKING ALL NECESSARY ARRANGEMENTS, INCLUDING TRANSPORTATION AND WAREHOUSING.

(c) ANGELICA IMEX LIMITED (PX)

- OPERATES CONCESSION STORES (COMMISSARIES) DEALING MAINLY IN GENERAL FOOD-STUFFS, GENERAL ITEMS, PHARMACEUTICAL AND MEDICAL SUPPLIES AND COSMETICS) ON UNAMIR'S PREMISES IN KIGALI, AND ELSEWHERE IN RWANDA FOR THE BENEFIT OF UNITED NATIONS PERSONNEL AND SUCH OTHER PERSONNEL AS THE GOVERNMENT OF RWANDA IN ITS OWN DISCRETION, MAY AUTHORIZE.

5. WHILE ECONOMAT'S CONTRACT HAS BEEN TERMINATED, THERE ARE ISSUES WHICH REQUIRE EX POST FACTO CLARIFICATION WITH RESPECT TO THAT COMPANY'S OPERATIONS AS A UN CONTRACTOR IN RWANDA.

6. AT THIS POINT, I WOULD LIKE TO DRAW YOUR ATTENTION TO FAX MESSAGE NO. CNR 670 DATED 21 NOVEMBER 1994 IN WHICH, WHILE ADDRESSING ANOTHER ISSUE, MR. RALPH ZACKLIN, DIRECTOR AND DEPUTY TO THE UNDER-SECRETARY-GENERAL, OFFICE OF THE LEGAL COUNSEL, STATED IN PARAGRAPH 2 AS FOLLOWS:

> "FROM A LEGAL POINT OF VIEW, NEITHER THE INDEPENDENT CONTRACTORS NOR THEIR EMPLOYEES ARE MEMBERS OF UNAMIR. THEY ARE NOT COVERED BY THE CONVENTION OR THE SOFA AND DO NOT ENJOY THE PRIVILEGES AND IMMUNITIES PROVIDED TO UNAMIR."

7. THE GOVERNMENT OF RWANDA HAS DEMANDED THAT UNAMIR PROVIDE IT URGENTLY WITH THE STATUS OF ITS CONTRACTORS. A VERBAL MESSAGE BROUGHT TODAY (20 SEPTEMBER) BY A GOVERNMENT REPRESENTATIVE STATED THAT THE AUTHORITIES ARE NOT WILLING TO WAIT FOR NEW YORK TO ADVICE UNAMIR ON THE STATUS OF THE CONTRACTORS BECAUSE IT WILL TAKE TOO LONG. THE GOVERNMENT ALLEGES THAT SOME OF THE COMPANIES MAY BE ILLEGALLY HIDING BEHIND PRIVILEGES AND IMMUNITIES TO WHICH THEY MAY NOT BE ENTITLED, THUS VIOLATING THE LAWS OF RWANDA. THE GOVERNMENT SAYS IT DOES NOT WANT THE CONTRACTORS TO LEAVE THE COUNTRY BEFORE PAYING "WHAT IS DUE TO THE GOVERNMENT BY WAY OF TAXES, AND TO PRIVATE INDIVIDUALS IN CASES OF RENTAL CONTRACTS."

AAA. IN OUR FAX ABOVE REFERENCED WE EXPRESSED OUR CONCERNS IN REGARDS TO THE DIFFICULTIES WE WILL HAVE TO DEPRECIATE ALL THE EQUIPMENT NOW WITHIN UNAMIR WHICH IS COMING FROM VARIOUS ORIGINS, SPECIALLY FOR EQUIPMENT TRANSFERRED FROM OTHER MISSIONS IN THE CATEGORY OF GENERAL SERVICES, BMS AND EDP EQUIPMENT. SOME ITEMS WERE ALREADY WITH UNTAC, THEN TRANSFERRED TO UNOSOM OR UNOMOZ OR UNPROFOR AND AT LAST TRANSFERRED TO UNAMIR. FOR MOST OF THESE TRANSFERS WE HAVE NO INDICATIONS REGARDING THE DATE OF ACQUISITION OR EVEN THE COST OF ACQUISITION. THIS CREATES A VERY COMPLEX SITUATION FOR THE PROPERTY CONTROL INVENTORY UNIT AND WE ASKED FROM YOU SOME GUIDANCE IN THIS MATTER.

BBB. TODAY WE COME BACK TO YOU AND, IN VIEW TO FINALISE A DEPRECIATION STRATEGY, WE WOULD LIKE TO PROPOSE TO DEPRECIATE ROUGHLY AGAINST THE ITEMS PREVIOUS LOCATION, THE SAME METHOD AS PREVIOUSLY USED FOR CONTINGENT EQUIPMENT i.e. EVERY ITEM SHOULD BE DEPRECIATED BY 30% FOR EACH MISSION THAT IT HAS BEEN USED AND 20% STARTING FROM THE THIRD MISSION. WE THINK THAT THIS APPEAR AS A GOOD METHOD TO EMPLOY AND WHERE THE PAPER WORK DOES NOT EXIST THIS WOULD GIVE US THE ABILITY TO DEPRECIATE WITH EASE.

CCC. WOULD APPRECIATE YOUR KIND CONSIDERATION IN THIS MATTER.

SUBJECT: Declaration by the Government of Rwanda on the forcible repatriation of the refugees from Zaire	

Please find herewith attached for your immediate information the text of a declaration issued on 23 August 1995 by the Government of Rwanda on the forcible repatriation of the refugees from Zaire.

DECLARATION DU GOUVERNEMENT RWANDAIS SUR LE RAPATRIEMENT FORCE DES REFUGIES RWANDAIS DU ZAIRE

Le Gouvernement rwandais a salué avec beaucoup de satisfaction la Résolution n° 1011 (1995) du 16 Août 1995 adoptée par le Conseil de Sécurité des Nations Unies et qui consacre la levée provisoire de l'embargo sur les armes contre le Rwanda.

Naturellement, cette mesure-sanction avait été prise pour s'appliquer au Gouvernement fasciste responsable du génocide et des massacres qui ont endeuillé le Rwanda entre Avril et Juillet 1994, crimes contre l'humanité qui justifiaient précisément alors une telle sanction.

Le Gouvernement rwandais s'étonne du fait qu'un pays voisin et ami comme le Zaïre pique une telle crise de colère à l'annonce de la levée temporaire de l'embargo sur le Rwanda par le Conseil de Sécurité des Nations Unies.

Le peuple rwandais et le Gouvernement d'Union Nationale auraient été plus heureux si la levée de cet embargo avait été totale pour permettre à ce Gouvernement d'assurer pleinement la protection de la population et la sécurité du territoire national, responsabilité première d'un pays souverain.

C'est dans cet unique objectif que le Gouvernement rwandais continuera souverainement de solliciter le Conseil de Sécurité des Nations Unies en vue d'une levée totale et définitive de cette mesure d'embargo et cela ne devrait offusquer personne sauf des gens avec intentions cachées.

Aujourd'hui, le Gouvernement rwandais est tout heureux d'accueillir les Rwandais qui rentrent dans leur pays et fera tout son possible pour favoriser leur réintégration sociale et harmonieuse et cela, avec le soutien de la Communauté Internationale, à laquelle il réitère son sentiment de vive reconnaissance.

Le Gouvernement rwandais déplore cependant certaines conditions d'indignité humaine qui accompagnent le retour des réfugiés, organisé aujourd'hui par le Gouvernement zaïrois.

Enfin, le Gouvernement rwandais rappelle que le retour des réfugiés rwandais constitue la priorité majeure de son programme politique. Il profite de l'occasion pour lancer un appel pressant à tous les ressortissants rwandais réfugiés principalement dans les pays voisins de tirer la leçon des refoulements actuels et de regagner leur mère-patrie où ils sont et seront toujours accueillis à bras ouverts.

DATE: 23 August 1995

Your Excellency,

I am taking the liberty of addressing this letter directly to you taking up the promise you had made to me in Kigali last year that I could seek your help on a matter of concern.

As you know Col-Maj. Toumia Abdel Aziz of the Tunisian army has been appointed Deputy Force Commander of UNAMIR forces. I consider this a signal honour for him as an outstanding soldier as also for Tunisia. Currently Col-Maj. Abdel Aziz is the Acting Force Commander in the temporary absence of Force Commander Gen. Tousignant. Normally, a military officer serving at this elevated status has behind him not only a contingent from his own country but a staff component from his country at headquarters. As you know the Tunisian battalion that was part of UNAMIR has returned home as part of the phase down according to our new mandate. I now understand that your government has decided to withdraw the two Tunisian officers, LTC. Chabir Ahmed and Capt. Ghoul Mohamed who have been serving at UNAMIR Headquarters. This would mean that the Deputy Force Commander would have no officers at all from his country to provide him essential support.

Not only would this situation be unusual in the Headquarters staffing of a senior officer at the helm of a UN operation but it would also reflect adversely on Tunisia's willingness to support its own officer who has achieved a most senior and responsible rank in the UN hierarchy. I would therefore strongly recommend that your Government may review its decision and allow LTC. Chabir Ahmed and Capt. Ghoul Mohamed to remain in Kigali until December 9th when our current mandate comes to an end. I am sure this decision would be beneficial to UNAMIR, to your Government and to all concerned in achieving UN objectives in Rwanda. If the two staff officers are withdrawn, Col-Maj. Toumia Abdel-Aziz may be left with no option out to return to Tunisia and to hand over the prestigious assignment of Deputy Force Commander of an important UN Mission.

With my good wish and warm regards.

Yours sincerely,

2. THE ABSENCE OF A POST FOR THE HEAD OF THE CIVIL POLICE COMPONENT IS ANOMALOUS, SINCE THE TWO OTHER UNAMIR COMPONENTS - THE CIVIL AND MILITARY ONES - HAVE OF COURSE SUCH POSTS. I AM PLEASED TO NOTE IN THIS RESPECT THAT THE PROGRESS REPORT OF THE SECRETARY-GENERAL ON UNAMIR, JUST SUBMITTED TO THE SECURITY COUNCIL ON STATES SPECIFICALLY IN PARA 37, THAT THE REVISED COST ESTIMATES TO BE SOON SUBMITTED TO THE GENERAL ASSEMBLY WILL INCLUDE AN ADDITIONAL POST FOR THE CIVIL POLICE COMMISSIONER (AS WELL AS FOR THE HEAD OF THE UNAMIR LIAISON OFFICE IN KINSHASA)

3. APPROVAL OF THE BUDGET IS NOT EXPECTED BEFORE NOVEMBER, HOWEVER. THUS, I WOULD LIKE TO PROPOSE TO REMEDY THE SITUATION ALREADY NOW BY PLACING COL. DIARRA AT THE P5 LEVEL AGAINST AN EXISTING VACANT P5 POST WE HAVE PENDING GA APPROVAL. (IT IS IN THIS SAME MANNER THAT WE PLACED THE NEW HEAD OF THE KINSHASA LIAISON OFFICE) PENDING GA APPROVAL. WE COULD THUS APPOINT COL. DIARRA AGAINST THE VACANT POST, AS FROM THE BEGINNING OF THE CURRENT MANDATE, I.E. 10 JUNE 1995. THE POST WILL BE BLOCKED FOR MR. DIARRA, FOR THE EVENT THE NEW POST IS ULTIMATELY NOT APPROVED BY THE GA. (AND AGAIN, THE SAME BLOCKING IS DONE FOR THE HEAD OF THE KINSHASA OFFICE).

4. I WOULD APPRECIATE YOUR EARLY APPROVAL OF THIS PROPOSAL. I SHOULD ADD THAT WHEREAS UNAMIR IS IN A DRAWDOWN PROCESS, THE ROLE OF THE CIVIL POLICE COMPONENT HAS IN FACT INCREASED, IN VIEW OF THE TRAINING COURSES IT CONDUCTS, ASSISTED WITH UNDP FUNDING. CURRENTLY TWO COURSES ARE IN PROGRESS, IN TWO LOCATIONS, COMPRISING A TOTAL OF 2,000 CADETS.

OBJET: Demande d'appui en
réactifs de traitement d'eau.

Excellence Monsieur l'Ambassadeur,

Nous avons acceuilli avec joie que l'actuelle mission de la MINUAR portera essentiellement sur l'appui à l'amélioration des conditions sociales de la population et qu'entre autre l'eau potable prend une part importante dans cette action sociale.
C'est dans ce cadre que nous vous demandons d'aider ELECTROGAZ dans l'acquisition des produits chimiques pour le traitement d'eau, respectivement 400 tonnes de sulfate d'alumine et 22 tonnes d'hypochlorite de calcium qui représentent une consommation trimestrielle dans tout le pays tel que l'indique le tableau en annexe.

En effet, Excellence Monsieur l'Ambassadeur, un de nos principaux partenaires, le C.I.C.R., a cessé toute forme d'aide en cette matière, et ELECTROGAZ n'est pas en mesure de prendre immédiatement la relève suite aux difficultés de trésorerie dues à la situation socio-économiquee de sa clientèle qui entraîne visiblement les difficultés de recouvrement. Nous risquons de connaître une rupture de stock à partir du mois d'Octobre prochain, étant donné que le délai de livraison minimal de ces produits est au moins de trois mois.

Veuillez agréer, Excellence Monsieur l'Ambassadeur, l'expression de ma très haute considération.

Le Directeur d'ELECTROGAZ a.i.

SUBJECT: **Assignment of Ms. Latifa Ouazany at UNAMIR**	

AAA. Reference is made to Mr. John P. Herakovich's attached fax message of 21 July, received on 24 July, by which he confirmed the Director-General's approval of our request for the extension of the assignment here at UNAMIR of UNESCO staff member, Ms. Latifa Ouazany. We deeply appreciate your kind cooperation in this matter as Ms. Ouazany provides vital support to our work, specifically in the Office of the Special Representative to which she is assigned.

BBB. We are however concerned by the second paragraph of the above-cited fax in which it is stated that "*Madame Ouazany pourra réintégrer un poste équivalent à sa classe actuelle GS-4 au sein du Secrétariat de l'UNESCO.*" As you are aware, staff support for United Nations peace-keeping operations such as UNAMIR is a system-wide engagement which, as the Secretary-General of the United Nations recently underlined, is based on the selection of "*the most competent and committed personnel*". The Secretary-General, in his Bulletin of 19 May 1995 outlining policies on assignment to and return from peace-keeping missions (copy attached), also stated that "*Mission service is considered part of personal and professional growth and development*" and that staff on mission "*must be confident that they can return to their parent department or office*".

CCC. In view of the above, we would be very concerned if our desire to continue to benefit from Ms. Ouazany's services in this Mission was to lead to a career disadvantage for her at her parent Organization, UNESCO, as the above-cited paragraph from Mr. Herakovich's fax of 21 July would seem to suggest by not specifically guaranteeing her return to her post in the Office of the Director-General.

.../...

DDD. As you can imagine, the staff member is understandably worried and we would therefore appreciate your clarification on this point as we would not wish to place her career development and specifically her post as Secretary in the Office of the Director-General at risk.

EEE. I look forward to hearing from you soon and thank you most sincerely for your kind understanding and cooperation.

SECRETARY-GENERAL'S BULLETIN

To: Members of the staff

Subject: POLICY GOVERNING ASSIGNMENT TO AND RETURN FROM MISSION DETAIL*

1. The Organization's primary objective in selecting staff for its field operations is to obtain the most competent and committed personnel. Mission service is considered part of personal and professional growth and development. I therefore expect programme managers to encourage staff to serve on mission, thus providing the opportunity to take up new responsibilities.

2. To enable this to happen effectively, it is necessary to balance the needs of the releasing department or office, which must maintain productivity in programme delivery, and the need of staff on mission detail, who must be confident that they can return to their parent department or office. Administrative instruction ST/AI/404 of 19 May 1995 addresses this issue, and sets out procedures and guidelines governing mission detail.

ADMINISTRATIVE INSTRUCTION

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: ASSIGNMENT TO AND RETURN FROM MISSION DETAIL*

1. The present administrative instruction contains procedures and guidelines governing assignment to and return from mission detail. The Organization's policy on the subject is set out in bulletin ST/SGB/277 of 19 May 1995. Personnel directive PD/3/81/Rev.1 of 4 April 1984 is hereby cancelled.

2. The assignment of staff members to mission service and their reassignment back in their parent duty stations are issues of human resources management that have acquired special importance in the context of the exceptional growth in United Nations peace-keeping and related field operations. With this in mind, a review has been undertaken to ensure that policies and procedures concerning mission assignment reflect the overall objectives of the Organization and the legitimate concerns of the staff. The outcome of this review is being translated into a series of administrative instructions, of which the present document is the first.

3. The primary objective of the United Nations in the context of assignment to and return from mission service is to have its field operations staffed with the most competent and committed personnel whose values and expectations are congruent with those of the Organization. That objective is implemented through the selection process. As the selection process is currently being reviewed, a circular outlining the process will be issued once the review is completed. The Secretary-General is highly committed to having staff integrate mission service into their personal growth. He therefore expects programme managers to encourage their staff to serve on mission through staff rotation, and through

* Personnel Manual index No. 4540.

/...

P617

that rotation to further the careers of both their staff on detail and the staff who remain in their department/office by giving them the opportunity to take up new responsibilities.

4. The high demand for staff to be released for mission service has placed a significant burden on departments and offices away from Headquarters, and more so in view of the unpredictability of the duration of the mandates. For staff members, mission service is an opportunity to acquire additional experience, thus rendering the professional life of an international civil servant more complete, as well as to acquire further skills; as they are often called upon to function at higher levels in a work system more flexible than that of the established environment of their parent duty stations.

5. It is in this context that modifications to the existing policy of mission detail are addressed in the present administrative instruction in terms of:

(a) Assignment to and blocking of posts of staff members on mission detail;

(b) Mission replacement;

(c) Training and preparing staff for mission assignment;

(d) Debriefing and reintegration of staff returning from mission service.

6. It should be emphasized that mission detail, as any other assignment in the Organization, is at the discretion of the Secretary-General, as provided in staff regulation 1.2, which states: "Staff members are subject to the authority of the Secretary-General and to assignment by him to any of the activities or offices of the United Nations." In this respect, all internationally recruited staff members can be assigned to missions as deemed necessary by the Secretary-General. At the same time, without prejudice to this tenet, voluntary service on mission is encouraged and preferred. The Organization's policy is thus to invite qualified candidates to volunteer for mission service, and to encourage parent departments/offices to release such qualified staff subject to the guidelines detailed in paragraphs 7 to 9 below. Selection for mission service is made in the light of the needs of the mission concerned, with due regard to performance, potential, necessary skills and suitable experience. Selection is not an entitlement in any sense or form.

7. Consistent with the intent of paragraph 6 above, it is most important that staff in the Professional and General Service and related categories proceeding on mission detail be assured that they can return to their current post. Accordingly, for a period of up to two years, in conjunction with a staff member's mission assignment, releasing departments/offices are responsible for ensuring that the posts of detailed staff members holding permanent or long-term appointments are blocked. These posts are to be filled only through temporary recruitment of replacement staff, if necessary, or through temporary staff redeployment (including a special post allowance, when called for). If it is proposed that the mission detail be extended beyond two years, it will not be possible to grant any extension unless there is a specific written agreement to continue blocking the post in the parent department. The implementation of this agreement will be monitored by the Office of Human Resources Management.

/...

8. Staff whose fixed-term appointment will expire during the period of detail may be extended until the expected end of the detail, but mission service does not of itself create an expectancy of renewal. Staff on fixed-term appointment who wish to go on mission should discuss the matter of their return with the releasing department, which will determine in writing whether it can undertake to reabsorb them depending on the needs of the service.

9. The demand for qualified staff to serve on field missions has placed a significant burden on departments and on the staff who remain, who must continue to maintain and even enhance productivity in programme delivery. It is for this reason that departments cannot be expected to block posts for more than two years when permanent staff members proceed on mission detail. Every effort will be made to balance their needs with those of the special mission and of the Organization as a whole. With this in mind, in order to begin building a system of mission rotation that will meet the needs of both programme managers and the staff, it has been decided to set an 8 to 10 per cent ceiling as a guideline in determining the percentage of staff that a department or office is expected to release for mission service. Within that ceiling programme managers are expected to ensure equitable opportunities for the release of their staff for mission service. Once a department/office has reached this ceiling, the department/office would not be expected to release additional staff until a corresponding number of staff have returned. This will serve to facilitate the release of staff for both long-term and short-term assignments and will, in turn, give more staff an opportunity to benefit systematically from the assignment. It would also ensure that programme managers will continue to have committed and competent staff carrying out the programmes that have been entrusted to them.

10. The Office of Human Resources Management and the Department of Peace-keeping Operations are developing an intensive training programme for staff undertaking core administrative functions in field missions. This programme includes two weeks of classroom instruction on United Nations peace-keeping operations and areas of specialization, followed by two and a half months of on-the-job training.

11. In order better to prepare staff and, when appropriate, their families for mission service, counselling sessions dealing with stress management are also being developed. Lessons learned from the present pilot training programme and the further development of relevant counselling sessions will serve as a basis for the issuance of an administrative instruction on the subject of training and counselling for mission service.

12. Debriefing procedures in situ are also an important tool that can assist in both planning for future missions and the reintegration of staff members to life and work at the parent duty station. Such procedures will be established as soon as possible, and will be communicated in an administrative instruction on the subject of debriefing of staff returning from mission detail.

UNITED NATIONS DEVELOPMENT PROGRAMME
GOVERNMENT OF THE REPUBLIC OF RWANDA

RWA/95/...: STRENGTHENING OF GOVERNMENT AND MUNICIPAL OPERATIONAL CAPACITY

1. BACKGROUND INFORMATION

The war which took place in Rwanda in 1994 has left substantial voids in the country's public sector. The capacity and ability of government ministries, municipalities and other public sector organs to function properly and provide the services under their responsibilities has been materially hampered not only by lack of resources that would be required under normal conditions, but also by the acute need in numerous cases to repair and rebuild basic physical systems and facilities which were destroyed, lost or damaged in the war.

2. JUSTIFICATION

The needs are indeed enormous and may take substantial funds and time to be properly met. Yet, side-by-side with the large-scale needs, there are numerous instances of relatively small requirements, the provision of which would enable a pertinent government ministry or municipality to tackle larger tasks and needs. At times, the needs may be for a computer or typewriter; at others, for a repair of a damaged facility, such as a school, water-pipe, electricity, etc. The numerous requests received by UNAMIR, UNDP and other agencies for this type of assistance, attest to its need.

3. OBJECTIVE AND ACTIVITIES

Normally, such assistance should be requested from and provided by the established machinery of UNDP and the United Nations executing agencies. Indeed, it is envisaged that most needs will be addressed through these channels. However, at times UNAMIR may be in a position to provide needed assistance from surplus equipment or supplies it may possess, or by making available technical knowhow of its civilian or military personnel in a given field. The purpose of this project is thus to provide a mechanism for assistance which UNAMIR may be able to provide in given instances. Under the project, a total of US $ 500,000 is earmarked for the following components:

-- Equipment: provision of equipment and supplies either from surplus stock which may be available at UNAMIR or through procurement from commercial suppliers. In the latter case, procurement and shipment to Rwanda will be made by the UNAMIR, UNDP or another UN agency, according to normal procurement and shipping rules and procedures of the United Nations (in the case of UNAMIR) or the other agency making the purchase.

-- Sub-contracts: contracting local contractors or persons for provision of services such as repairs or construction of damaged facilities or utilities.

-- Technical advice: Making available technical knowhow of UNAMIR staff, for advice on a given government or municipal project.

4. IMPLEMENTATION MODALITIES

Requests for assistance under this projects should be addressed by the interested ministries, municipalities or other public sector organs to the Ministry of Planning. In cases where requests are made directly to UNAMIR, the latter will refer the matter to the UNDP office in Kigali, which will forward them to the Ministry of Planning. Where UNAMIR is able to provide the requested assistance, it will indicate so to UNDP, which will review the request with the Ministry of Planning. Upon that Ministry's approval, UNAMIR will proceed to provide the assistance, charging the project with the costs involved.

5. PROJECT FOLLOW UP

UNDP will, with the assistance of a management and monitoring officer, monitor the implementation and execution of the project in accordance with UNDP policies and procedures.

Re: Incident of kidnapping of UNAMIR staff member

Today at 1:00 pm local time, while leaving the UNAMIR office compound for lunch, UNAMIR staff member Mr. Hudson Mbunya (G-7 Finance Assistant from Habitat/Kenya, who currently is UNAMIR's cashier), was abducted by several persons, forced into a car, and driven away to a house where he was held under menances until about 8:00 pm, when he was driven back to the area of UNAMIR compound and released. During the abduction the abductors forced Mr. Mbunya under gun threats to give them the keys to UNAMIR's Cahier's office and the combination to UNAMIR safe inside it. He gave them the keys to the office and the combination to one safe out of three, one which contains just a few bills, telling them he has no access to the other safes. One or more of the abductors then came in (or gave the keys to local employees already in the building). They opened the padlocks on the door to the office, but were unable to actually open the door itself, and left. (Had they entered, an alarm would have sound and closed-circuit camaras would have shown the entry at a monitor at the Duty Officers' room.) Back in the house, they accused Mr. Mbunya of cheating them and menanced him again. In the meantime, the cashier's assiatant discovered the open padlocks upon return from lunch at 2:00 pm; this and the non-return of Mr. Mbunya raised concerns. Checks with police and army precints did not yield news about his whereabouts. By 8:00 pm, as noted above, he was released by the abductors, nevertheless with menances that he should henceforth make sure to carry money with him ready for giving to the abductors when they approach him again in the street or at home.

Given the menances, Mr. Mbunya is under severe fears for his personal safety and wishes to return to Kenya, which will be done tomorrow.

Dear Hocine,

The enclosed could be a way to resolve the "equipment-donations", by tapping the Rwanda Assistance Trust Fund, which is administered by UNDP and the Rwanda Ministry of Planning. I have worked it out tentatively with UNDP, for use of up to $500,000 for the past donations and future ones (which can be limited, but not totally avoided). I would like your comments/ agreement before proceeding further (I have not discussed it with the SRSG yet). Can we discuss it today please? (my extention is 3091).

Best regards,

Chaim Ouziel

UNITED NATIONS DEVELOPMENT PROGRAMME

GOVERNMENT OF THE REPUBLIC OF RWANDA

RWA/95/...: STRENGTHENING OF GOVERNMENT AND MUNICIPAL OPERATIONAL CAPACITY

1. BACKGROUND INFORMATION

The war which took place in Rwanda in 1994 has left substantial voids in the country's public sector. The capacity and ability of government ministries, municipalities and other public sector organs to function properly and provide the services under their responsibilities has been materially hampered not only by lack of resources that would be required under normal conditions, but also by the acute need in numerous cases to repair and rebuild basic physical systems and facilities which were destroyed, lost or damaged in the war.

2. JUSTIFICATION

The needs are indeed enormous and may take substantial funds and time to be properly met. Yet, side-by-side with the large-scale needs, there are numerous instances of relatively small requirements, the provision of which would enable a pertinent government ministry or municipality to tackle larger tasks and needs. At times, the needs may be for a computer or typewriter; at others, for a repair of a damaged facility, such as a school, water-pipe, electricity, etc. The numerous requests received by UNAMIR, UNDP and other agencies for this type of assistance, attest to its need.

3. OBJECTIVE AND ACTIVITIES

Normally, such assistance shold be requested from and provided by the established machinery of UNDP and the United Nations executing agencies. Indeed, it is envisaged that most needs will be addressed through these channels. However, at times UNAMIR may be in a position to provide needed assistance from surplus equipment or supplies it may possess, or by making available technical knowhow of its civilian or military personnel in a given field. The purpose of this project is thus to provide a mechanism for assistance which UNAMIR may be able to provide in given instances. Under the project, a total of US $ 500,000 is earmarked for the following components:

-- Equipment: provision of equipment and supplies either from surplus stock which may be available at UNAMIR or through procurement from commercial suppliers. In the latter case, procurement and shipment to Rwanda will be made by the UNAMIR, UNDP or another UN agency, according to normal procurement and shipping rules and procedures of the United Nations (in the case of UNAMIR) or the other agency making the purchase.

-- Sub-contracts: contracting local contractors or persons for provision of services such as repairs or construction of damaged facilities or utilities.

-- Technical advice: Making available technical knowhow of UNAMIR staff, for advice on a given government or municipal project.

4. IMPLEMENTATION MODALITIES

Requests for assistance under this projects should be addressed by the interested ministries, municipalities or other public sector organs to the Ministry of Planning. In cases where requests are made directly to UNAMIR, the latter will refer the matter to the UNDP office in Kigali, which will forward them to the Ministry of Planning. Where UNAMIR is able to provide the requested assistance, it will indicate so to UNDP, which will review the request with the Ministry of Planning. Upon that Ministry's approval, UNAMIR will proceed to provide the assistance, charging the project with the costs involved.

5. PROJECT FOLLOW UP

UNDP will, with the assistance of a management and monitoring officer, monitor the implementation and execution of the project in accordance with UNDP policies and procedures.
