Excellency,

It is my great honour, on behalf of the Government of Grenada, and in my capacity as Chairman of the Alliance of Small Island States (AOSIS), to invite you to the AOSIS Summit on Climate Change to be held in New York City on Monday, 21<sup>st</sup> September 2009, and to make a statement at the Opening Ceremony.

The main objective of this summit meeting is to finalize our preparation for the United Nations Summit on Climate Change to be held at the United Nations in New York on 22<sup>nd</sup> September, and the General Assembly debate, as well as, further preparations for concluding negotiations in Copenhagen during the Fifteenth Session of the Conference of Parties to the UNFCCC in December 2009. At the conclusion, we intend to adopt an AOSIS Climate Change Declaration.

As an alliance of small island-states, we have actively participated in every session of climate change negotiations and discussions since the Thirteenth Session of the Conference of Parties held in 2007, which launched the Bali Action Plan and Roadmap to Copenhagen. We are now seeking to bring together the hard work of all our members in order to project our strongest and clearest vision for our island-states.

It will be my honour to receive you in New York in September. Grateful if your Office can communicate your response to the Permanent Mission of Grenada to the United Nations at 800 Second Avenue, Suite 400K, New York, NY 10017. Tel. 212-599-0301; Fax 212-599-1540.

Please accept, Excellency, the assurances of my highest consideration and esteem.

Sincerely,

*Tillman Thomas*
