THE SECRETARY-GENERAL

18 December 2013

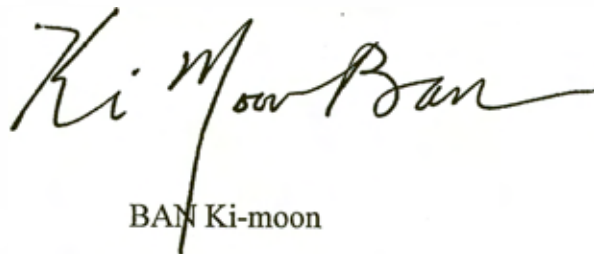

Excellency,

I would like to thank you and the First Lady for welcoming me, my wife and my delegation to Warsaw last month on the occasion of the 19th session of the Conference of the Parties to the United Nations Framework Convention on Climate Change.

It was truly a pleasure to meet you again and have the opportunity to exchange views on global issues of common concern, in particular contributions by Poland to meeting the climate challenge and efforts to promote democracy in your region.

I would also like to take this opportunity to thank you for the support provided by your government in helping to make possible my visit to the Auschwitz-Birkenau German Nazi Concentration and Extermination Camp. I was deeply moved by what I saw. Even today it is hard to comprehend the unique scale and nature of the Holocaust. As the world still wrestles today with genocide and atrocity crimes, that horror continues to hold lessons for the entire world.

Please accept, Excellency, the assurances of my highest consideration.

THE SECRETARY-GENERAL

18 December 2013

Excellency,

I would like to thank you for our meeting on 20 November 2013, during my stay in Warsaw to participate in the 19th session of the Conference of the Parties to the United Nations Framework Convention on Climate Change.

It was a pleasure to have the opportunity to exchange views on global issues of common concern, in particular efforts by Poland to meet the climate challenge, the crisis in Syria and the forthcoming transition in Afghanistan.

I would like to reiterate my personal invitation to you to attend the Climate Summit I will host for world leaders on 23 September 2014. The Summit will offer an important platform to generate high-level political momentum for an ambitious global legal climate agreement, as well as to catalyse intensified action on the ground. I look forward to your participation and ask that you bring to the Summit bold announcements and actions.

I would also like to take this opportunity to thank you for the support provided by your government to help make possible a very moving and enlightening visit to the Auschwitz-Birkenau German Nazi Concentration and Extermination Camp. I commend your government's efforts to ensure that the world never forgets the Holocaust and that we work together to sound the alarm about intolerance today around the world.

Please accept, Excellency, the assurances of my highest consideration.

Dear Rabbi Lau,

I would like to thank you for accompanying me during my visit to the Auschwitz-Birkenau German Nazi Concentration and Extermination Camp last month. I am aware that you made a very special effort to travel and share your memories with me as a Holocaust survivor, and I am truly grateful.

I was overwhelmed to see the personal belongings of the victims of this heinous crime, and I continue to be haunted by the depth of cruelty that was inflicted on the prisoners.

At the same time, it was heartening to see that the Jewish faith and traditions will carry on for future generations through the reopening of the Chevra Lomdei Mishnayot Synagogue in Oświęcim, as well as through the educational programmes offered by the Auschwitz Jewish Center.

Thank you as well for giving me a copy of your book *Out of the Depths*, and for your contribution to a very meaningful experience.

Yours sincerely,

A handwritten signature in black ink, reading "Ban Ki-moon", is written over a horizontal line. The signature is fluid and cursive, with the first name "Ban" being more prominent.

Excellency,

I would like to thank you for your personal support and that of your staff to ensure the success of my visit to Poland from 18 to 21 November 2013 on the occasion of the 19th session of the Conference of the Parties to the United Nations Framework Convention on Climate Change.

I am also grateful for your country's leadership in ensuring that the world never forgets the atrocities and suffering of the Holocaust. My visit to the Auschwitz-Birkenau German Nazi Concentration and Extermination Camp was both highly informative and profoundly emotional.

Thank you for your active engagement in the work of the United Nations. I will continue to count on your government's leadership to ensure a peaceful and prosperous world for all.

Please accept, Excellency, the assurances of my highest consideration.

Dear Mr. Turski,

I would like to thank you for accompanying me last month during my visit to the Auschwitz-Birkenau German Nazi Concentration and Extermination Camp.

I was profoundly moved by the stories you shared about your time in the camp. I continue to be haunted by what I saw and learned, in particular the images of Jewish families who were brutally murdered and the vast piles of clothing and personal belongings of the victims.

Your courage and perseverance serve as models for young people today. I am especially grateful to you and the International Auschwitz Committee for helping to ensure that youths were able to take part in the visit.

I appreciate the effort you made to be with me on this day and wish you much continued success with the Museum of the History of Polish Jews in Warsaw.

Yours sincerely,

THE SECRETARY-GENERAL

18 December 2013

Dear Mr. Cywiński,

I would like to thank you and the staff of the Auschwitz-Birkenau Memorial and State Museum for the assistance you provided during my visit last month.

I greatly welcomed the opportunity to learn more about the systematic brutality that was inflicted upon the prisoners of the camp, and found the information and insights you offered invaluable in increasing my understanding of this horrendous chapter in human history. I am strongly committed to doing my part to ensure that future generations learn the lessons from this terrible past.

In this regard, I look forward to continued cooperation with you through the Holocaust and the United Nations Outreach Programme.

Yours sincerely,

THE SECRETARY-GENERAL

18 December 2013

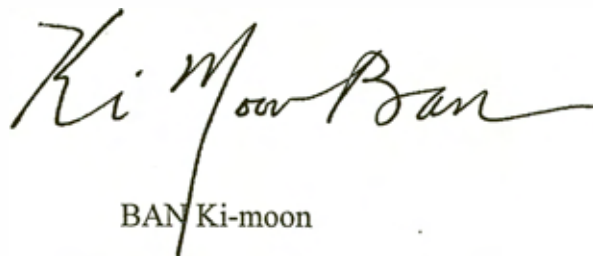

Dear Ms. Figueres,

I would like to thank you for all your efforts to ensure the success of the 19th session of the Conference of the Parties to the United Nations Framework Convention on Climate Change (COP 19) and of the 9th session of the Conference of the Parties serving as the Meeting of the Parties to the Kyoto Protocol (CMP 9), in Warsaw. As with previous COPs, your passionate leadership and tireless work was a key ingredient to delivering a successful result that keeps us moving forward in the right direction.

Warsaw was indeed an important step to achieve an ambitious global legal climate agreement that will limit the global temperature rise to less than 2 degrees Celsius. The coming year will be crucial in building on the work accomplished so far, and I look forward to working closely with you to ensure that the climate negotiation process continues to be successful and ambitious on the road to 2015. I assure you of my continued and utmost efforts to place climate change high on the agenda of world leaders, and to ensure a successful Climate Summit in September 2014 to bolster the international climate process.

I would also like to take this opportunity to thank you for making my participation in the COP 19 /CMP 9 in Warsaw as smooth and comfortable as possible once again. I am truly grateful for the support received from your team, and, in particular, from Daniele Violetti, Marcela Main, Fernando Castellanos Silveira, Bernardo Buechner and Ola Nirs, who spared no effort to ensure both a successful outcome and stay for me and my delegation. Their professionalism, availability and kindness – at a time of high demands upon them – make a real difference in my participation in the Conference of the Parties, year after year.

Yours sincerely,

For the PR letter, change the second "Poland's" with "count on your government's leadership".
On hyphen, please do whatever Elisabeth prefers.
On official name usage, please refer to the email by Kimberly Mann.

Dear Silva,

Please see Elisabeth's comments for your attention.

Letter to the President: (Silva, please kindly change the text)
Per Elisabeth, we can not use "Poland's".

Instead, we need to use for example "in particular, contributions of Poland to meeting".

Letter to PM: (Silva, please kindly change the text)
Same thing, "in particular, the efforts of Poland to meet ..." (instead of "in particular Poland's ")

Letter to Chief Rabbi
to put "Rabbi" in front of name

Letter to PR
"Poland's leadership" used twice. (Silva, please kindly change the text)

Letter to Vice Pres. (International Auschwitz Committee) (hyphen ?or no hyphen?)
Auschwitz- Birkenau? (or) no hyphen in between ?

Letter to Exec. Director
no hyphen between 2-degrees (changed as 2 degrees)

Official name usage (found in google)
- Rabbi Yisrael Meir Lau
- Marian Turski (sometimes used as "Marion Turski") (please advice)

Best regards,

Dear Kimberly,

Our office has two questions before finalizing the letters:

- Rabbi Yisrael Meir Lau: is it ok to use this as official name in the addressee part?
- Marian Turski is also sometimes used as "Marion". Which one should we use?

Thank you,
S.

Thank you Silva for your prompt reply.

I noticed in the letters to Polish President and PM that the word 'German' does not appear.

I know the sensitivities about the issue [my family lived thru it] and this is why I went to you for guidance and did not just ask Yi Mon to add and or remove.

We will do exactly as you indicate.

The word German needs to stay in when referring to the camp. In which letter is it not reflected? We looked at this carefully, as there are lots of sensitivities around the name. Please let me know where you see a discrepancy.

Dear Silva,

Since I have a couple of suggestions other than style, I am writing directly to you.

1) the letter to Marian Turski has in 1st para both last month and 18 November 2013; I think its best to only have last month as such a visit does not need the exact date (I double checked with Richard about choice of dating)

hence, maybe in all letters that mention the visit to Auschwitz, lets use last month instead of 18/11/13

2) letter to President of Poland: last para, lets change 'have' lessons for 'hold' lessons

3) I notice sometimes we have the word 'German' in front of Nazi and sometimes not: maybe there is a reason like sometimes the full name is used?

4) sometimes there is a hyphen between Auschwitz Birkenau and sometimes there isn't.

Dear Yi Mon,

I have a few changes which I handwrote on my copies; you can pass by whenever convenient.

Thank you both

Dear Jackie and Yi Mon,

I had discussed the Poland thank you letters with Rommel last week and he was kind enough to ensure that your office would format them and process them as needed.

Please find below the letters -- reviewed and cleared by Richard Amdur, Kimberly Mann in the Holocaust Programme and the Climate Change Support Team.

I am waiting for feedback for one additional letter, which I will send to you as soon as ready. Meanwhile, I think we could proceed with the below.

Thank you so much for your help.
