1. Le commissaire spécial Samoudzou est revenu de Maniema et du Nord-Kivu.
2. Il a déclaré que le récit des massacres qui auraient eu lieu à Kalima a été exagéré par des politiciens intéressés de Mwenga, qui voudraient aussi rejoindre Maniema, en particulier le député Kititwa et le commissaire de district de Shabunda Mandakanda, qui ont fait l'objet d'un mandat d'arrêt mais qui se sont cachés. Selon certains rapports, quelques soldats se sont joints à eux.
3. A Kirotshu, capitale provisoire du Nord-Kivu, M. Samoudzou a reçu une pétition des électeurs de Masisi, portant près de mille signatures, demandant un référendum pour se joindre au Kivu central. Trois instituteurs, accusés d'activité politique, ont été arrêtés, mais une foule a forcé la police à les libérer.
4. A Rutshuru et à Goma, la majorité de la population est également en faveur d'une union avec le Kivu central. Si cette tendance persiste, le Nord-Kivu sera réduit à trois territoires séparés.
5. M. Samoudzou a également rencontré les députés du Kivu central et leur a demandé de préparer une pétition pour leur province, qui devra être présentée dès que le parlement reprendra ses travaux.
6. Le commissaire général extraordinaire Mosoko a rendu visite au secrétaire d'Etat Lunyasi à l'hôtel où il est en résidence surveillée, et a accepté qu'il parte pour Léo le 18 septembre.

TRADUCTION D'UN CABLE RECU DE BUKAVU LE 28 AOUT 1962

1. Radio Bukavu a diffusé une lettre adressée par le Commissaire Général extraordinaire au Président Miruko, le critiquant sévèrement pour avoir utilisé une station de radio étrangère pour publier le cable contre le Gouvernement Central, étant donné qu'en sa qualité de fonctionnaire, il aurait dû se conformer au décret le suspendant et lui interdisant toute activité politique. Le Président Miruko est invité à suivre l'appel du Premier Ministre lui enjoignant de se rendre à Léopoldville.
2. Le Commissaire Spécial Samoudou a convoqué tous les pétitionnaires pour les nouvelles provinces du Nord Kivu et de Maniana ~~de se réunir~~ avec lui à Bukavu les 1er et 2 septembre 1962.
3. Le Commissaire général extraordinaire Madjoko sera installé demain au cours d'une cérémonie publique.
4. Cinq personnes ont été tuées et trois gravement blessées à Kabare. Une enquête a été ouverte pour savoir si les motifs sont politiques, tribaux ou s'il s'agit simplement de vols.
