The United Nations Population Award

an affirmation by the international community
is presented to

Childbirth with Dignity Foundation

In recognition of almost two decades of strong advocacy and support of the rights of women and newborns in Poland; for initiating a public dialogue on childbirth, which contributed to a positive understanding of pregnancy and childbirth; for raising women's awareness of their rights as patients, and for improving the treatment of women in hospitals, allowing them to give birth with dignity; for facilitating the transformation of the field of obstetrics and the quality of perinatal care, thereby ensuring the implementation of internationally recognized obstetric care standards.
