Subject: Thank you

Dear Mr. Deputy Secretary General,

Thank you very much for receiving us so kindly in your office yesterday.

I am extremely optimistic and enthusiastic about the prospect of igniting global positive change with our television show "The Grant".

It is indeed my passion to contribute meaningfully in this world, and with the United Nations behind us we will surpass our wildest expectations!

I was thrilled to find the you know my Mother, Veronica Hearst...I look forward to telling her all about our meeting.

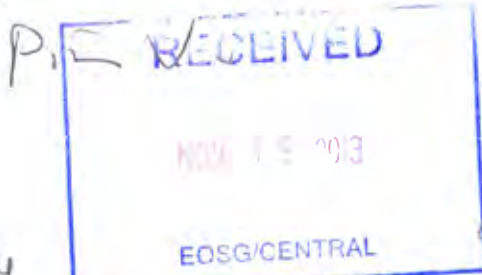

I hope to see you soon.

With much gratitude and respect,

Fabiola Beracasa

Dear Fabiola -

It was a pleasure to meet you, your husband and your colleagues last week.

I was strongly encouraged by your desire and plans to make the development issues known to a larger audience.
