Dear Sir;

We hope that these few lines of our will find you in best of health and happiness. We all are also fine and are busy in working hard these days when people are preparing to celebrate Christmas and New Year which is approaching very fast and bringing thousands of happy moments. Please accept from my side as well as from Rose Human Rights Welfare Organization and its Executive Members a very "Happy Christmas and New Year". It is our prayer that may Almighty multiple your happiness in thousands and this New Year may bring prosperity and wealth for you and your family as well as for the country.

Rose Human Rights Welfare Organization Sialkot Pakistan is working hard since long by organizing Inter Religious and Faith Harmony Programs, so that an environment of brotherhood could be established through its own resources. Our organization has distributed readymade garments among poor children, deserving families, and widows who belong to Christian community, so that they could celebrate Christmas properly like others without any worry. We feel that it is our moral duty to spread the environment of brotherhood and tolerance by supporting people during these special occasions especially Christmas.

In the end our organization once again wishes you a very Happy Christmas and a Happy New Year, and we hope that you will remember us and our organization in our prayers.

Looking forward to your response
