## MINISTER FOR FOREIGN AFFAIRS OF UKRAINE

SG-antv  
Kyiv, 11 December 2006

Excellency,

*Dear Friend,*

Thank you for your letter of November 10, 2006 and kind words of appreciation for what we have done together in furthering the ties between our countries.

I entirely share your positive appraisal of our achievements over the past three years and have the honour to express, in response, my gratitude for your considerable contribution to this end.

I am overwhelmed with good intentions to further encourage productive and mutually beneficial cooperation with the Republic of Korea for the benefit of our countries and peoples. In doing so, I look forward to establishing and maintaining close working relationship with your successor both at bilateral and multilateral levels.

As you prepare to assume the leadership in the United Nations, let me re-iterate my deep conviction that you will successfully carry out your enormous functions and achieve substantial progress in expanding Organization's potential to cope even more effectively with threats and challenges of the 21<sup>st</sup> century.

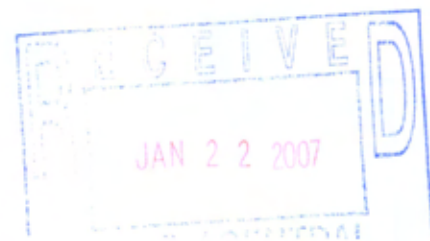

Ukraine, being strongly committed to the goals and principles of the United Nations, will continue sparing no effort in order to strengthen the authority and role of the Organization in world affairs, as well as in fulfilling its important tasks: maintenance of international peace and security, protection of human rights and promotion of sustainable development.

Please accept, Excellency, the assurances of my highest consideration.

Sincerely yours,

Borys Tarasyuk
