The Secretary-General  
The United Nations  
New York, NY 10017

Dear Mr. Secretary-General,

Thank you for your gracious invitation to your Climate Summit and the Private Sector Forum Luncheon at the United Nations Headquarters on September 23. It is an honor to be invited, which I accept with great pleasure.

As you said yourself in Abu Dhabi earlier this year, the low carbon future desired by the world requires pioneers to lay the foundations today, and we at Saudi Aramco are working hard to be such pioneers. I look forward to sharing what we are doing to make that desired future a reality, while we simultaneously help to deliver sustainable economic development for both the global economy and the Kingdom of Saudi Arabia.

With my warm personal regards,
