Dear Sir

*Pres. 0001.  
H. 13629*

It was with great delight that I received your letter of congratulations on the occasion of the 60<sup>th</sup> Anniversary of IAESTE A.s.b.l. I read it out to an audience of over 600 people attended by the Representative of His Majesty, King Abdullah II of Jordan.

It was greatly appreciated and meant so much to all our Members and Co-operating Institutions which have served our Association for so many years.

I have included an Anniversary booklet which I produced for this special occasion and you can see how many young people have benefited over the years from the exchange of students and how many countries have been involved.

Thank you again for taking the time to send this and I wish you well in all your endeavours.

Yours faithfully

Pauline Ferguson  
General Secretary  
IAESTE A.s.b.l.
