H.E. Secretary-General Ban Ki-moon,

It is with great respect that I request to meet with you on behalf of all the people of the Democratic Republic of Congo without distinction. Together, I believe we can find a common ground for a lasting peace for the people of the Democratic Republic of Congo.

I believe this is my modest contribution in taking this initiative to meet with you, to find means and ways for a lasting peace solution for the region of the Great Lakes without omitting issues pertaining to development and stability in the region.

From the bottom of my heart, I thank you for considering my request in spite of your busy schedule.

While waiting for a favorable response regarding peace, stability and development for the people of the Democratic Republic of Congo, please accept, H.E Secretary-General Ban Ki-moon, the expression of my profound gratitude.

Respectfully,

Prince Mikoom Yemaan Laurent
