

THE SECRETARY-GENERAL

*Security Council
Iraq / Kuwait*

21 May 2009

Dear Mr. President,

I should like to inform the Members of the Council that the activities undertaken to fulfill the mandate outlined in paragraph 14 of resolution 1284 (1999) and requested in a letter dated 26 March 2008 from the President of the Security Council to the Secretary-General (S/2008/206) have led to expenditures amounting to \$183,400 from 25 April 2008 to 24 April 2009. The funds were provided through transfers from the Iraq Escrow Account.

I have taken note of the Security Council's press statement on Iraq-Kuwait (SC/9637 – IK/602) which noted the agreement of its members to finance the continuation of the activities of the High-level Coordinator for a period of six months with a possibility of further extension.

Given the Security Council's and my call on all parties to translate political statements of goodwill into concrete actions to speed up progress during the coming months to resolve outstanding issues, the period ahead will require further intensification of the High-level Coordinator's activities. To that end it would be necessary to allocate resources sufficient to finance the activities of the High-level Coordinator and his support staff until 31 October 2009 in the amount of \$202,400. It is suggested that these funds be earmarked from the operating reserves and fund balance of the 2.2 per cent part of the Escrow Account intended for administration and operational costs.

His Excellency
Mr. Vitaly I. Churkin
President of the Security Council
New York

Should the Council agree with this proposal, the funds will be transferred within the Escrow Account and made available to the Department of Political Affairs which backstops the activities of the High-level Coordinator.

I should be grateful if you would bring this letter to the attention of the members of the Security Council.

Please accept, Mr. President, the assurances of my highest consideration.

To: Deputy Secretary-General,

The Political Unit has read the attached note from the Comptroller regarding the budget of the High-level Coordinator for the return of Kuwaiti missing persons and property. It has also read the draft letter on the above-mentioned subject addressed to the President of the Security Council for the Secretary-General's signature.

The draft letter is fine. Your approval is requested for the Secretary-General's signature

Note to Mr. Nambiar

Re: Budget of the High-level Coordinator for the return of //
Kuwaiti missing persons and property

1. Members of the Security Council (press statement SC/9637 - IK/602) agreed that the activities of the High-Level Coordinator should continue for a period of six months with a possibility of further extension.
2. I have prepared the budget to finance the activities of the High-level Coordinator and his support staff until 31 October 2009 in the amount of US\$244,000. With a fund balance of US\$41,600, the net new requirement for the period is US\$202,400. These funds will have to be earmarked from the operating reserves and fund balance of the 2.2% part of the Escrow Account intended for administration and operational costs.
3. A draft letter on the matter to the Security Council is attached. It has been drafted along the lines of the Secretary-General's letter (S/2008/205) addressed to the Security Council, which in March 2008 requested the funding for the related activities in the past year. It would be appreciated if the letter could be brought to the attention of the Council as soon as possible
