Dear Anne-Laure,
Thanks for this, and for the voice-mail. Having read the letter, I agree with your /DPA's view that no answer is warranted.

Many thanks,

Silva, for the log please.

Joshua

Subject: Letter to SG from "President of the Coptic State of Egypt"

Dear Josh,

Just left you a voice message. The attached letter was actioned to BLP. The author is the self-proclaimed "president of the Coptic Republic of Egypt" and the tone of the letter is quite polemic. I would assume that a reply is not warranted but I would be grateful for your advice.

Thank you,

Anne-Laure Souissi-Sans
