Subject: Letters to SG calling for support for: (i) Assyrian Christians, (ii) Christians in the Middle East; (iii) Iraqi Christians; and (iv) Syrian rebels

Dear SG Central,

Please see attached, for your consideration and records, four letters addressed to the Secretary-General calling for support to Assyrian Christians, protection to Christians in the Middle East from ISIL, support for Iraqi Christians and UNSC's support to Syrian rebels to curtail ISIL's access to funding and military equipment. Since some of these letters also concern the Syria Team, I am also copying them for their information.

Best,

Ana
