Subject: UNAMIR VISITS PLANNING CHECKLIST

1. There would appear to be great variety in the methods used to coordinate the visits of the several type of delegations that chose to visit UNAMIR HQ and its contingent elements.

2. As the Force Commander's Visits Officer, I have taken it upon myself to develop and by way of this memorandum, provide an outline to all personnel who find themselves in charge of a visit. It is hoped that acceptance of this checklist will allow me greater awareness of visits to UNAMIR and possibly also give me the chance to support you in the planning of your activities.

3. Please accept this checklist as delivered. I am open to suggestion for change. If you have a need for force-level support please advise me as soon as possible. Resources are not limitless, and coordination is necessary. I want the visit of your personnel to be as satisfying as possible. I can be contacted at UNAMIR HQ local 11121.

---

1. When I was assigned my present task at SRSG for Rwanda, I was on a short visit to UK from Pakistan. I was obliged to proceed to Rwanda immediately due to the critical situation and therefore could not return home to close up my house, pack my belonging and attend to personal matters.

2. After three months in Rwanda I proceeded to Pakistan from Sept. 22nd - 2 Oct. 1994 to attend to my personal affairs, including closing down my residence and to bring personal effects to Rwanda.

3. I would be grateful if my visit to Pakistan to perform these essential tasks would be treated as official, especially as I had not been able to return home from abroad and had proceeded directly to Kigali on July 4th to assume my assignment.

4. Best wishes

Fax No. (212) 963-3090

Uppsala, September 22, 1994

Dear Mr. Khan,

The Life and Peace Institute of Sweden is an NGO dedicated to working with the United Nations on national reconciliation efforts in various African conflict situations. Since 1992 the Institute has been working very closely with UNOSOM in support of the Mission's reconciliation efforts. Through that partnership, much has been achieved in Somalia despite what seems to be recent setbacks.

Rwanda is another country that is now engulfed in conflicts. The Life and Peace Institute would want to explore with relevant United Nations Departments and experts on Rwanda what support it could offer in the efforts toward reconciliation in that country and region.

It has been suggested that a consultation be convened to exchange views on this subject. The consultation will be held at Scanticon Conference Center, Princeton, New Jersey from Friday, 7 October to Monday, 10 October. We expect about 30 representatives of the United Nations system, the OAU and experts will attend the consultation.

We are kindly inviting you to participate at the consultation. The Life and Peace Institute will meet your travel, board and lodging costs and those of two officers you may wish to accompany you to the consultation.

Yours sincerely,

Mr. Dessande,

Two things to follow up for Ambassador Khan's trip:

France

Since it appears that most of the african specialists will be at the Biarritz summit, perhaps the antenna here could advise Paris that Khan is coming and arrange for his meetings with whoever is available there, WHOEVER. tHE 11 NOVEMBER PERHAPS. M = LEGOZ
pratically impossible because of all the activities of the commemorating of that day (Armistice of 1914)

Germany

The ambassador should be asked if it is at all possible to have Amb. Khan picked up at Cologne and taken to Bonn for his meetings. He would like to stay at the Hotel Maritime. M/ME Keller, Secretaire/Ambassadeur CP 3/11 Bn tel. 75141 - is in charge for that front

For the other countries his Embassy is making arrangements for pick up and accommodations.

1) La date du 10-11 novembre 1994 ne convient pas pour les raisons suivantes, selon Monsieur Legoz, Ambassade de France à Kigali (tel 75206):

- les 6, 7 et 8 novembre, il y aura à Biarritz le Sommet Franco-Africain,
- les 9 et 10 novembre, beaucoup de Chefs d'Etat africains remonteront à Paris pour des audiences avec les autorité françaises,
- les 12 et 13 seront la fin de la semaine.

2) Monsieur Legoz indique qu'il informe le Quai d'Orsay de la visite et demande qu'un programme soit établi pour le début de la semaine 14-15 novembre. Il nous le dommuniquera dès que possible.

3) Visa d'entrée en France: Monsieur Legoz informe que l'Antenne diplomatique de l'Ambassade de France à Kigali n'est pas habilitée en ce moment à délivrer de visas. Toutefois, des dispositions sont prises par l'Ambassade pour que le visa soit émis à l'arrivée à Paris: un représentant des Affaires Etrangères sera à l'aéroport pour ce faire. Une copie du message à ce sujet nous sera remise.

POUR MEMOIRE

Meeting with Mr. Nguyen, Senior Consultant Economist, UNDP and coordinator of the Round Table on Rwanda.

1. Mr. Nguyen provided the Force Commander with a general outline of the forthcoming Round Table on Rwanda which UNDP is organizing to be held in Geneva, the second week of December 1994. There would be two main documents emanating from two main committees, A) on Governance and B) on Rehabilitation. The Rwandese Minister of the Interior would be responsible for A and the Planning Minister would coordinate B.

2. Mr. Nguyen explained that the RENP and the different consolidated appeals had not generated any response from donours and therefore UNDP was taking the lead in attempting at bridging the gap between the interests of the donour community and the Rwandese Government. Some compromises could be worked out which would assuage the worries of the donour community which felt that "Rwanda had been given much aid in the past and should be given much less in the future." He also pointed out that UNDP efforts would be geared at establishing the same GNP average which the country enjoyed prior to the war by 1997. He indicated that the SRSG had already been briefed on the above.

3. The Force Commander thanked Mr. Nguyen for his briefing. Mr. Nguyen then asked for UNAMIR's expertise in military and civpol matters as well as logistic assistance and the support of a logistics officer. Training of RPA soldiers and creation of a Gendarmerie were priorities included in the Committee A. Also the staffing of the Round Table was essential and vehicles to mobilize the Rwandese ministers who were participating (21) as well as other staff (60 national) were essential. Though the Round Table had at its disposal a large budget, the purchasing of vehicles would take too long in view of the imminent date of the RT.

4. On the training element, the Force Commander informed Mr. Nguyen that UNAMIR had already prepared a full scale training programme for Gendarmes (over 100 had graduated recently) and on military matters he had the appropriate nationality mix and expertise to provide advice, however, UNAMIR did not have the mandate to train national military forces. The Force Commander also offered to make available a logistics officer in order to carry out a survey of equipment needed by the RT staff. However, he did point out that UNAMIR was short of vehicles and that it even could not equip the Military Observers. Nevertheless, he would try to co-operate to the best of his present capacity.

Kigali, le 13 septembre 994

Monsieur,

Objet: Voyage de la délégation présidentielle devant se rendre à La Haye pour la Conférence Internationale sur le Rwanda

J'ai bien reçu votre lettre du 12 septembre 1994.

Pour permettre à la délégation présidentielle d'atteindre Nairobi le 15/09/94 avant 1000 heures, la seule possibilité est de prendre le vol UN de la veille. C'est la raison pour laquelle nous vous avions proposé le 14/09/94. Nous avons donc fait une réservation pour 11 personnes, pour le 14/09/94. La délégation devra se présenter à l'Aéroport International de Kigali à 0845 hrs pour le départ du vol de 0945 hrs.

En ce qui concerne le retour, le transfert des troupes que nous devons effectuer le 18/09/94 nous obligent à vous proposer le vol UN du 19/09/94 qui quitte Nairobi à 0730. La délégation devra se présenter à l'Aéroport International Jomo Kenyatta de Nairobi à 0530 hrs.

En espérant que vous comprendrez les raisons qui nous empêchent de reporter le déplacement de nos troupes, je vous prie d'agréer, Monsieur, l'expression de ma considération distinguée.

Major General Romeo Dallaire
Force Commander
UNAMIR
Kigali

Dear General Dallaire

To follow up the successful visit of the UK Overseas Development Minister, Baroness Chalker, last week, she has asked me to organise an ODA humanitarian assessment mission to Rwanda for the period 9-13 August. I understand that the British High Commissioner to Kampala, Mr Edward Clay, is in Kigali today, and he may have already told you of this proposed mission.

The mission will be led by the ODA's Senior Humanitarian Aid Adviser, Dr Mukesh Kapila, who has long experience of emergency work. He will be accompanied by two ODA staff, the Rwanda desk officer from the UK Foreign and Commonwealth Office, an official from the British High Commission in Kampala and two representatives from British non-Governmental organisations. I attach a list of the party, with their passport details.

The party intends to travel with their own transport by road from Kampala to Kigali on Tuesday 9 August, arriving in the afternoon. They will spend 10 August in Kigali, holding meetings with Rwandan government officials, UN humanitarian staff and British NGO representatives. I should be very grateful if you would agree to Dr Kapila and his team meeting one of your UNAMIR officers for a briefing on that day.

On 11 August the party intends to travel to the North East of Rwanda (Ruhengeri and on to Gisenye, possibly crossing the border into Zaire briefly - the party have Zairean visas). On 12 August they hope to travel South to Gikongoro and Butare, in part to visit UK NGOs that are running programmes in the area. They will then return to Kampala by road via Kigali. Dr Kapila will stay in Kigali for a further 1-2 weeks.

In order to be as self-sufficient as possible, the party is bringing its own satellite telephone and fax, equipment and a supply of military rations.

Lady Chalker very much enjoyed meeting you during her trip to Rwanda last week. She has asked me to pass on her best wishes. She would be most grateful for any assistance you might be able to extend to Dr Kapila's team during their mission.

Yours sincerely
