NOTE TO MR. MULET

✓ / Thursday, 20 October 2016 Screening of a National Geographic
climate change film "Before the Flood": Invitation to the Secretary-General

The Department of Public Information is organizing a screening of a National Geographic film on climate change called "Before the Flood" on the evening of Thursday, 20 October 2016. The Secretary-General is featured in the film that follows Leonardo DiCaprio in his role as a UN Messenger of Peace to engage the public and private sector to take action on climate.

The event would feature a presentation of the film by Mr. DiCaprio followed by a screening. We have reserved the use of the ECOSOC Chamber for this special event.

✓ In this regard, we would like to invite the Secretary-General to participate in a photo opportunity with Mr. DiCaprio and the filmmakers and deliver welcome remarks ahead of the screening at 7:00 p.m. We would also suggest that the Secretary-General remain to watch the film and stay for the post-screening discussion, during which we understand Mr. DiCaprio will praise the Secretary-General for his leadership on climate action.

✓ This invitation would require the Secretary-General's participation from 6:45p.m. to approximately 9:00 p.m.. The event will be followed by a reception, and we would of course welcome the Secretary-General's presence.

✓ I would be grateful to receive your confirmation that this proposal has the approval of the Secretary-General so that our office may start to make the necessary arrangements for this special event.

Thank you.

Cristina Gallach
