

I would like to take this opportunity to congratulate you on the strides you are taking by visiting the Amazon Forest and the Antarctic to observe first hand the effects of climate change which demonstrate your committed leadership on environmental matters.

I would like to take this opportunity to thank you for your good offices for accepting the message of Nobel Women's Peace Laureate who were concerned about the situation of Aung San Su Kyi. I continue to follow with interest your engagement in this matter and wish you much success in this effort.

Kindly be assured of my availability and willingness to support your action or any major UN initiative in the field of climate change, and I therefore wish you every success in your deliberations, and positive outcomes at the upcoming Bali Summit on climate change.

Please accept, Excellency, assurances of my highest consideration.

Sincerely,
